## STUDENT ASSOCIATION MINUTES

The regular meeting of the SA Executive Council was held Jan. 14, 1969, at 6:00. All were present. Rick opened the meeting with prayer.

### Reports

Up With People - the Council received a letter from the manager of the Up With People cast thanking us for our warm welcome and hospitality.

Bill from Heritage from Christian College Conference - A bill of \$411.02 was received, which the council thought the administration was to pay for. Ronnie is in the process of getting it taken care of.

Telegram - Chris reported that we have 450 names on the telegram already. We will offer it for signature again tomorrow, and possibly the next day. It reads as follows:

To Astronauts Anders, Borman, and Lovell, and the National Aeronautics and Space Administration:

We, the faculty and students of Harding College, sincerely commend and thank you for your expression of faith in God to the peoples of the world by the reading of His word during your recent flight into space. We believe, as you do, that our God is alive, and that He truly is the creator of the universe.

A copy will also be sent to President-elect Nixon.

Coach Stallings - Ronnie talked to him last week, and he said he could come only for chapel, Feb. 27. He is paying his own traveling expenses.

Christmas Toys from the Toy and Dolly Drive - one box did not get delivered. It will be mailed. Also, \$31 in cash will be sent to Maude Carpenter Home.

Ride Board - is being used for weekend trips.

### Business

Emerald Room - equipment is still being taken. We plan to do something more about locking it up.

Coffee House - We have not had one Coffee House yet this year. Ronnie will check with Jim Dowdy about having one.

New Business

School Calendars - Sheri reported that they may not have time to get them ready in the book store before registration, but she will try to have them ready as soon as possible.

Lecture Series - Stanley Shipp suggested Dave DeRooy, a social worker from Philadelphia, for our series; he is a member of the Church of Christ since just recently, and an excellent speaker. He can be contacted through the Bible Department.

Suggestion Box Suggestions

#Noise in Balcony during SA movies - Ronnie talked with Roy about this, and Roy will have his ticket takers check for trouble makers by sending them away if they are too noisy.

#Light Bulbs out in American Studies building - Ronnie has not been able to contact anyone about this as yet.

#Faces around Academy and women's dorms - Sheri said Mr. Vines said he would take up the slack in them to make them higher and more visible. We could hang tags on them to attract attention to the wires so that they would be less dangerous.

Women's Dorm Council - met Jan. 7 at 6:30. They discussed having wing counselors in dorms, for purposes of counseling, keeping quiet hours, and keeping desk. It was suggested that the dorm chairmen be responsible for informing the Dorm Mothers concerning the activities of the council. The idea of having dorm room phones was not favorably accepted.

Associated Student Governments - Chris is to write them concerning their discount on the entertainment program they offer to member colleges.

National Entertainment Conference - Ronnie says he keeps getting their Newsletter, which has a resume of the big entertaining groups, with prices and performing schedules. Their National Conference will be in Memphis, Feb. 10. It is run out of University of South Carolina. We have been invited. After considerable discussion, it was decided that Phil and Ronnie would look into the possibility of joining and attending the conference.

Governor's Youth Council - We are members of this; so far we have not attended a meeting. The next meeting is Jan. 25. No one has definitely decided to go.

Letters to Students from SA Representatives - will be sent beginning of 2nd semester.

Picking up Meal Tickets - Students have complained that office hrs. for doing this are not long enough. Another way to make it easier to get the tickets besides lengthening the hours is have them available a day earlier. Ronnie will talk to the business office about it.

--Phones have not been installed yet in the New Men's Dorm, and pastry machines and Dr. Pepper Machines have not been put in the women's dorms. These things were to have been done by after Christmas. Ronnie will check into this.

--Several letters have been written to the Bison and have not been printed. Bruce said, though, that Kay will print anything signed that is not slanderous. Chris said that if this is really happening, it is not fair to students.

--It was mentioned that nothing as yet has been done to curb the noise in the library. The council is to think of possible effective ways to do this.

--Jan. 25th game with Hendrix will be a sign-out-only game, since it is within the 50 mile limit of Harding.

--There will be no SA meeting during finals week. The meeting adjourned at 7:00.

Respectfully submitted,
