Reports

North Central Coordinator, Dr. Brock Brentlinger, met with several students Monday, Feb. 10, in a discussion period concerning the school's policies, academic standards, rules, student life, etc., as compared with other schools in the North Central Accrediting Association. The students were selected at random to participate in this discussion.

Black History Chapel Program - will not be put on Feb. 13 because of a need for the stage, which is being used for the production "The Rainmaker" at the present time.

Letters to Class Members - Ronnie mentioned that class representatives need to get this done soon.

Coffee House - Jim Dowdy has planned a Coffee House for Feb. 15. A real great program has been planned.

Ronnie talked with Mr. Tucker about the following items:

Book Prices - Mr. Tucker said that Bookstore is to sell at suggested retail price. Mr. Tucker will check into this. Ronnie is to look into used book prices too.

Parking for Commuting students - is very scarce, it is reported by these students.

Mr. Wines said that parking is available to them in the freshman parking lots behind the New Girl's Dorm, and near the clinic.

Business Office - is closed on Saturday mornings at 10:00. Ronnie found out from Mr. Tucker that students may use the side door until noon during the week.

Announcing ballgame scores in Chapel - Ronnie talked to Dean Lawyer about this, because many students wanted all scores announced. This will be done from now on.

Pep Rally for basketball team - was asked for by some students. Gloria explained that the reason we do not have them is because the team does not want them.

Human Relations Forum - about 18-19 people are going this weekend to OCC. They will leave Thursday morning to attend the forum, being held on Friday and Saturday, and will return late Saturday.

Movie Program - Ronnie talked with Mr. Tucker about affording the movie chairman some money in the form of a work scholarship or grant - in - aid. The council agreed that the chairman should be paid a flat rate each semester of $125. It was decided the grant-in-aid would go into effect this semester. The position next year would be changed from cabinet post to movie director.

Prices of Better Movies - Roy Terry suggested that we raise the price to 75¢ for the next expensive movie, "Taming of the Shrew". The council voted approval of raising the price of the tickets, 7-3.
New Business

Leadership Conference - will be held this semester. Anyone is invited, especially club officers, class officers and leaders on campus. The council discussed possible dates for the conference, and decided on March 5.

Chess Tournament - A few students from Sub-T talked to Ronnie about the tournament. In previous years, the tournament has been sponsored by Sub-T, but this club does not want to sponsor it anymore. They want to participate. Many students still want to continue the tournament, so the problem is getting someone to sponsor it. The council decided to recommend that Sub-T sponsor the tournament and have it on the basis of an open competition.

Electric Typewriter - for the SA office. Ronnie talked to Mr. Tucker about this and he agreed the SA had need for one. We can use SA money to purchase it. Sheri moved that we buy an electric typewriter for the SA office. Gloria seconded the motion which passed unanimously.

SA Chapel Programs - for the semester are not decided yet. The council recommended several students and faculty members who could speak in chapel, sponsored by the SA.

Student Meeting - someone suggested that we have a series of speakers, employing student preachers for about a week at the college church. The council agreed this was a good idea. Ronnie will talk to some of the Elders about this.

The meeting was adjourned at 8:30 p.m.

Respectfully submitted,

Lynn Rolon
SA Secretary
