Recommended Citation
The regular meeting of the Student Association Executive Council was held February 25, 1969, at 7:00 p.m. All were present, except Barbara Messer. Stan Weeks sat in on the meeting to observe. Phil Roberson opened the meeting with prayer.

Reports

Pattie Cobb Speaker - Phil Johnson reported that he spoke to them about this but so far nothing has been done to fix the faulty speaker system.

Pattie Cobb Meal Tickets - Rod suggested that ID cards be used in lieu of meal tickets. Phil will check into this.

Recommendation concerning outings - Gloria reported that the recommendation was sent last Thursday, asking that students be allowed to stay out on outings later, and return to campus at 9:00 p.m.

Chapel Program with Gene Stallings - S.A. plans to have lunch for him afterwards and invite some of the Blason staff, the coaches, Dr. Ganus and the deans, and the graduating seniors on the football team.

Leadership Conference - which is to be held March 14, 15, Phil reported that the time will be changed to 8:15. A brainstorming session will be held, as well as a panel discussion on the topic of human relations. The following people are in charge of various aspects of the conference:

- Hattie Lavendar - refreshments
- Registration - Gloria Page
- Programs - Phil Roberson

Electric Typewriter - Lynn reported that she talked with Mrs. Tucker concerning brands and prices of typewriters. After presenting the information, the council decided to look into the matter further and let the S.A. representative in charge of this project choose the best one for the money.

Student Lectureship at College Church - Ron spoke to Brother Street concerning this suggestion, and he was very much in favor of it. If the Elders approve of the lectureship, it will probably be held this spring.

"In White America" - Handbills for the play to be held Friday night have been made. One has been sent to each of the faculty members, and the rest will be distributed throughout the campus. A chapel announcement will be made. Shert is in charge of getting props for the play. The cast will be housed in the American Heritage. Roy Terry is in charge of ticket sales (50¢ per ticket).

Brick Sidewalk - Mr. Tucker said they are planning to replace the brick sidewalk this summer and pave it, so nothing will be done during this school year about it.

Desks in Laundry - Chris is going to talk to Mr. Tucker and have desks put in the Laundry real soon. The first few put in were taken out for some reason unknown.
Youth Forum - So far, over 300 students from highschools in Arkansas are definitely planning to come.

S.A. Chapel Programs - Ronnie checked the school calendar and found no places left for our chapel programs. We need two dates very badly, besides the ones we would like to have for student speakers.

Friendly Day - is March 11. A chapel announcement will be made this week.

New Business

Milk in the American Heritage Cafeteria - Students have complained that the milk is too warm, due to so many glasses being poured up and left setting so long. A suggestion was to turn the machines around to let students get their own milk. After considerable discussion, the council decided to suggest having fewer milks setting out so that they won’t get warm.

Bell in Student Center - Students have complained that the bell in the Student Center is too loud (after having complained, might I add, that there was no bell in the student center NA). Ronnie will take care of it.

Dean of Women and Dean of Men - Council discussed this but came up with no positive suggestions.

The meeting was adjourned at 9:30.

Respectfully submitted,
