# FREED-HARDEMAN COLLEGE

A FULLY ACCREDITED JUNIOR COLLEGE

HENDERSON, TENNESSEE

January 14, 1960

Mr. John Allen Call  
2001 Division Drive  
Dayton, Ohio

Dear John:

We have to look to find school in good order. Except for taking the wrong end of highway 50 and ending up in Cincinnati, we had no trouble as far as routes. We still got in Henderson by 10:30 Saturday morning.

The elders at Hector are very happy over the fact that you will be able to hold the spring meeting. The week that would best fit into my schedule would be June 5 through June 12. However, it would be possible for us to have it May 29 to June 5. We get out of school at Freed-Hardeman May 27, and I thought it would be good if we could have a week in Hector before the meeting begins. Be sure and check Cockville catalogue and see which of these two dates would suit you best and let me know right away. Incidentally, they should be to engage you for another meeting in 1961 at approximately the same time of the year.

May I say again thanks for helping us out in our Youth Forum and also for your part in getting us to Dayton. We enjoyed the trip very much especially the brief moments that we got to visit with you and Sue.

Be sure and let me know which of the two above dates would best suit you just as soon as possible.

Very truly yours,

  
Fred
