Nicholson Receives Honorary Degree

E. G. Nicholson, president of Gable Industries in Atlanta, receives the honorary doctor of laws degree from President Clifton L. Ganus. Participating in the ceremony were Nicholson's wife, Linda, and Dean Joseph E. Pryor.

Atlanta business executive E. G. Nicholson was the recipient of an honorary doctor of laws degree presented by Harding at commencement exercises held May 13.

Nicholson is President and chief executive officer of Gable Industries. He is the youngest alumnus to be recognized by Harding with the honorary doctorate. The Atlanta businessman was the commencement speaker at the ceremonies honoring 333 graduates.

In the commencement address, Nicholson, a Harding alumnus, challenged the students to live rationally. "Rational living requires certain basic conditions. The first is self-knowledge. The second is sufficient knowledge of the world to perceive what alternatives are open to you and which are favorable to your own true interests. The third is to know how to renew yourself continually that you may continue to live rationally," he said.

"A person consistent about his own renewal seeks change that enriches, not change gone wild or so destructive of other values that it is cancerous. He is not likely to join some posse of the possessed to go galloping through the sagebrush of society chasing some outlaw impulse," he noted.

Nicholson also told the graduates and their parents that one of the conditions for rational living is self-knowledge and from it stems an appreciation of values, both those to be altered and those to be cherished.

"I suggest that appreciation of values is your best detector of the change which is not change, but the illusion which masquerades as something worthy."

In presenting the honorary doctorate, Dr. Clifton L. Ganus cited Nicholson for his outstanding contributions to the business world, the community and the church. "E. G. Nicholson is one of the most accomplished alumni of Harding College. He epitomizes the Christian and civic responsibility that Harding seeks in its graduates," Dr. Ganus remarked.

Nicholson is a member of the President's Development Council at Harding and recently was appointed chairman of the National Steering Committee for Harding's Fiftieth Anniversary.

Nicholson and his wife were accompanied to Searcy by the couple's three children, Kevin (13), Deidre (11), and Steven (9). During the conferring of the degree upon their father, the children stood and were recognized by the audience.

Three faculty members were named Distinguished Teachers for 1972-73 at the commencement exercises. Mrs. Betty Watson, assistant professor of education; Dr. Kenneth Davis, professor of music; and Dr. Don England, professor of chemistry, each received an award of \$1,000.

James Stough of Montgomery, Ala., was named the top academic member of the graduating class with a 3.96 grade average. He received the key of Alpha Chi, the national scholarship fraternity.

Among the student award winners was Calvin Crim of Raytown, Mo., who received the Charles G. Pitner Mathematics Award. Laurie Bigham of Harrisburg and Matt Comotto of Richmond Hill, N.Y., won the Morton Utley Awards for making the most personal progress during the year. Sophomore Janice Bauer of Florissant, Mo., and junior John Simmons of Humboldt, Tenn., received the \$100 Ganus Awards for the highest grades during the school year. Swaid Swaid of Nazareth, Israel, was awarded the Ray Kinslow Award as the outstanding science student in the graduating class.

Emphasis: Family Recovery

The Eleventh Annual Harding College Christian Workers' Workshop will focus its theme on EMPHASIS: FAMILY RECOVERY with a staff of more than 30 teachers scheduled to conduct daily classes Aug. 6-9.

This year four-day program, centered around a general topic of "Training for Family Living," has been divided into two parts with the Teachers' Workshop under the direction of Dr. Allan Isom, assistant professor of Bible and counseling at Harding, and the Youth Forum, directed by Larry Roberts of the Sixth and Izard Church of Christ in Little Rock.

Special lecturers for this year's program include Thomas Cunningham, Family Life Specialist from Stillwater, Okla., speaking on "Contemporary Christian Family Life," Toby Quinn of Glasgow, Ky., speaking on "Bus Ministry," and John Cayce of Nashville, Tenn., speaking on "Christians' Teaching a Biblical View of Sex."

The Teachers' Workshop will feature several contemporary themes, including "Facing Family Crises," "Personal Relationships — Home, Church and Community," "Communicating Family Living in Your Classroom" and "Enabling Church Bible Classes to Complement Family Living."

Teachers for the grade levels are Rita Colvin of Tyler, Tex., and Don Wingfield of North Little Rock, Ark., cradle roll; Earlene Howard of Springfield, Ark., Faucine Horne and Bonnie Jo Davidson of Lubbock, Tex., preschool;

Joy Stewart of Birmingham, Ala., and Judy Hobson of Springfield, Ark., primary; Marion Nunnally of Memphis, Tenn., and Betty Fitzgerald of North Little Rock, Ark., junior; Hillard Hughes and Jack Colvin of Tyler, Tex., and Mary Gray of Springdale, Ark., junior high;

Jim Moss of Lubbock, Tex., and Mike Moore of Clarksville, Tenn., senior high; Gary Brock of Springfield, Mo., and Art Givens of Little Rock, Ark., young adults; Brad Brumley of Henderson, Tenn., and Weaver Barnett of Greenville, Tex., other adults.

Others speakers for lectures on special family problems are E. H. Ijams of Memphis, Jim Beyer of Lubbock, Ron Brotherton and Bill Culp of Searcy, James Balcolm of Paragould, Ark., Robert Wingfield of North Little Rock, Mary Ann Malone of Abilene, Tex., and Ronald Rea of Houston, Tex.

Youth Forum speakers include Larry Roberts, Gary Brock, Mike Moore, Neale Pryor and Thomas Cunningham. Other activities, such as sports contests and Bible bowl quiz contests, are also scheduled for the youth program.

Dr. Clifton L. Ganus, president of Harding, and Dr. W. Joe Hacker, chairman of the Bible department, will be the keynote speakers on the forum's four evening programs.

Classes will begin each morning at 7:20 and will be conducted in classrooms located on the campus. All

sessions of the Youth Forum will be held in the Little Theater in the Administration building unless otherwise noted in the workshop program which may be obtained from the Harding Bible Department.

The Workers' Workshop was changed back to August after having been scheduled in July the past two summers. The change, was made to accommodate the summer travel plans of more people.

"This year's theme, EMPHASIS: FAMILY RECOVERY, is an especially important topic in this era and certainly merits careful consideration by Christians," stated Dr. Isom. "The speakers are particularly suited for their subjects and we feel that this workshop could provide some tremendous insights for the Christian teacher and teenager."

Dr. Joseph E. Pryor presents the Charles G. Pitner Mathematics Award to Calvin Crim during the May 13 commencement exercises. Crim has received an assistantship for graduate study at Purdue University.

Three Teachers Honored For Classroom Techniques

Three Harding faculty members were named Distinguished Teachers for 1972-73 during the college's spring commencement May 13.

Recognized for their teaching talents were Mrs. Betty Watson, assistant professor of education, Dr. Kenneth Davis, professor of music, and Dr. Don England, professor of chemistry.

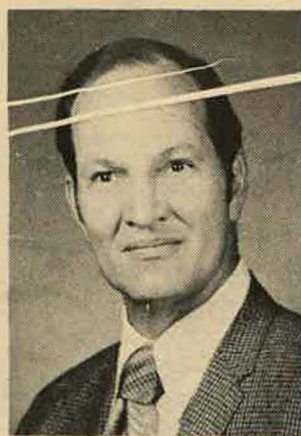

The awards are based on student evaluation, administrative evaluation and total effectiveness as a teacher. President Clifton L. Ganus presented the awards.

Mrs. Watson has been a member of the Harding faculty since 1968. She received the baccalaureate degree from Harding and the masters degree from Michigan State University.

In 1966 and again in 1971 she was selected for inclusion in Outstanding Young Women of America. She is a member of the Arkansas Education Association, the Arkansas Association for Children with Learning Disabilities and the American Association of University Women.

Dr. Davis did his baccalaureate study at Harding. His masters degree was earned at North Texas State University and he received the doctorate from Indiana University. He has been a member of the Harding faculty for 20 years.

The music professor directs Harding's A Cappella Chorus and the nationally known Belles and Beaux singing troupe. He is a member of the

American Choral Directors Association and the Arkansas State Music Teachers Association.

Dr. England became the first teacher to be selected twice for the Distinguished Teacher Award. He first received the honor in 1968. He serves as counselor to Harding's pre-medicine students.

He has been a member of the faculty

since 1960. He received his educational training at Austin Peay State University, the University of Arkansas and the University of Mississippi.

Harding first began honoring teachers for their classroom skills in 1967 with the selection of four Distinguished Teachers. Twenty-one teachers have received the award.

Homecoming Plans Initiated

A committee of students, faculty and representatives from the Searcy area have already initiated plans for Harding's Homecoming '73, which has been scheduled for Nov. 1-3, according to Dr. Jimmy Carr, homecoming committee chairman.

"Last year's homecoming program was highly successful in just about every way and we hope to have a repeat of its participation level," said Carr. "Only minor changes will be made in the overall format for Homecoming '73."

Youth Forum Draws 1,100 To Campus

High school students and sponsors from 21 states were among the 1,100 of the ninth annual Youth Forum April 20-21. Eddie R. Campbell, dean of men and director of the Forum, termed the event "the best one yet."

Jerry Jones of the Harding Bible faculty addressed the students three times on the theme of "The Victorious Life." Jones told the visitors, "We live in an organized, planned, purposeful and beautiful world, and in order for us to be victorious in it our lives must also be organized, planned and have purpose."

Dormitory students "moved over," according to Campbell, to accommodate the visitors in both the men's and women's residence halls. All motels in the area were filled well in advance of the meeting also, Campbell said.

States represented were Missouri, Illinois, New York, Oklahoma, Texas, Tennessee, Louisiana, Mississippi, Kansas, New Mexico, Indiana, Pennsylvania, Michigan, Virginia, Florida, Kentucky, California, Wisconsin, Colorado, Alabama and Arkansas.

Four music groups presented programs for the students. The "Time of Day" variety group entertained at a party Friday night which was sponsored by the Student Association. On Saturday, the Bison Band, A Cappella Chorus and Stage Band each had a part in the day's activities.

Next year's forum will be April 12-13 with Doug Kostowski of Inglewood, Calif., as the featured speaker.

The gala three-day event will begin Thursday, Nov. 1, with the opening presentation of the fall drama production, "My Fair Lady." The popular Broadway musical, which will be directed by Bob West and Morris Ellis, instructors in speech, and Jeff Hopper, instructor in music, will also be presented on Friday and Saturday evenings.

Friday's slate of events include a number of evening activities such as the annual student association-sponsored chile supper at nearby Camp Wyldewood, followed by a Bison-boosting pep rally.

Alumni returning for the activities are invited to attend the Black and Gold Alumni Banquet. The annual banquet will again be held in the Charles M. White Cafeteria. The awardee of Harding's Distinguished Alumnus will be announced at the banquet.

Saturday's agenda will begin with the Homecoming parade which will feature the club parade entries and the float

contest between the four classes. Following the parade, Homecoming chapel ceremonies will be held honoring the 25th year anniversary class.

The Harding Bison football team will host the Southern State College Muleriders in an AIC grid contest at 2 p.m. The cross-state rivalry between the two schools has been further enhanced by last year's conference outcome which gave them each a share of the co-championship trophy.

During the game's halftime, the crowd will view the coronation of the 1973 Homecoming Queen and the presentation of her court. Additional half-time entertainment will be provided by the Bison Marching Band, directed by Eddie Baggett, assistant professor of music.

The theme of the 1973 Homecoming and plans for other activities will be announced later in the summer as soon as the schedule is finalized. Information concerning advance reserve seat tickets for the various activities will also be announced later.

PETIT JEAN DEDICATION — Dr. Billy Ray Cox is presented the first copy of the 1973 PETIT JEAN. In presenting the book to Cox, Mrs. Jan Brewer, editor, commented, "The seniors selected you because of your unfailing trust and confidence in youth. In your dedication you never forgot the little things and you taught us to love and laugh at our perplexed world."

Lectureship: New Date Announced

Harding College will break a 50-year tradition this fall by changing the date of the annual Bible lectureship from the November date. Held for the past 49 years during Thanksgiving week, the 1973 series will be changed to Oct. 3-6.

Dr. W. Joe Hacker Jr., lectureship director and chairman of the Bible department, said the format will also be altered with the opening day (Wednesday) being youth oriented. The Harding Student Association will have a major role in planning and developing the lectures for this day.

Thursday and Friday's lectures will be presented by experienced speakers and evangelists. A number of Harding alumni are scheduled to participate in the program. A new feature will include open forums in the afternoons. These forums have proved to be successful in recent Preacher's Forums on the campus.

Saturday will be Parent's Day, with lectures designed to relate to home-family relations. Parents will be honored guests at a special dinner. A football game Saturday afternoon will pit the Bisons against Southern State at 2:00 at Alumni Field.

Dr. Hacker and Dr. Neale T. Pryor, lectureship coordinator, said further details of the series will be announced.

Muncy Authors Book

Sex and Marriage in Utopian Communities: 19th Century America, a new book by Dr. Raymond L. Muncy, professor and chairman of the history and social science department at Harding, is receiving reviews from a wide variety of sources, including a listing called "New Scholarly Books in America."

Dr. Muncy's book is the research for his dissertation for the Ph.D. degree from the University of Mississippi and was published by Indiana University Press. The book concentrates on communes that were original or unique in their approach to sex and marriage.

The *Publishers' Weekly Forecasts* noted, "... this is a surprisingly lively, well-balanced, finely researched and comprehensive history of 'utopian' communal experiments in America during the last century... Some 2000 communes are making some kind of impression on sex, marriage and property patterns in this country today — which makes Muncy's study timely

and pertinent as well as quite absorbing."

The *Press Telegram* review in Long Beach, Calif., listed the publication noting, "The 2000 communes flourishing in today's America give one knowledgeable in unique aspects of our history a sense of *deja vu*."

Indiana University has released a resume of the book in the spring and summer catalog, calling the book "A fascinating piece of American social history that is profound, objective and informative."

The Columbus, Ohio *Dispatch* reviewer said, "The day is past when college professors may be expected to write only stuffy academic books. Muncy writes with refreshing sprightliness of utopian communal experiments in America during the 1800s."

The book is available through the Harding book store at \$10. It is also on file in the Library of Congress.

A Cappella Chorus Schedules Tour For Summer '74

The A Cappella Chorus and chorus alumni have announced plans for a European tour for the summer of 1974, the third such tour sponsored in the past five years by the group. The dates set for the trip are May 23-June 27, and Dr. Kenneth Davis Jr., director, said that a limited number of spaces are still open to alumni.

Following graduation at Harding on May 19, 1974, the touring group will rehearse three days at the college before leaving for Europe. At the close of the tour, the group will return to the Searcy campus for a two-day session of recording the concert for an album.

Tentative plans call for the group to fly directly to Madrid to spend a week with Evangelist Juan Monroy. The group will fly to Munich and travel by bus to Russia, giving programs enroute and return to Munich by a parallel route. The group will then fly back to Spain to return to the States.

A visit to Greece, originally in the plan, has been changed because of the long distances and disinclination of the Grecian government to permit concerts.

Countries to be visited include Spain, West Germany, Czechoslovakia, Poland, Russia, East Germany and Austria.

"The cost of the tour will be somewhat greater than previous tours since inflation has struck," Dr. Davis said. "It is estimated that the cost, including air travel from Memphis, will be \$950. A refund will be given if there is any way to decrease the cost," Dr. Davis explained.

Places for the tour are reserved on a first-come, first-served basis by section. A down payment of \$50 is required on registration. Complete payment must be made by Jan. 1, 1974.

Further details and information may be obtained by writing Dr. Davis.

Harding's Board of Trustees held a reception for faculty members prior to the Board's spring meeting in May. Above, Board member Roy Sawyer and his wife, Marj, talk with Duane McCampbell, assistant professor of English. Sawyer is president of the Bank of Sardis, Miss.

Spring Graduates Receive Assistantships

Twenty-six members of the 1973 graduating class have been awarded assistantships and fellowships for graduate study or have been accepted into professional schools.

Five students received scholarships to Harding's Graduate School of Religion in Memphis. Receiving the scholarships were Houston Bynum, Thomas Cook, Joe D. Jones, Terrence LaVan and Jerome O'Connell.

University of Virginia School of Medicine; Swaid N. Swaid, the University of Alabama School of Medicine; and Doug Tanksley, the University of Mississippi School of Medicine.

Larry Wilson and Larry Joe Dykes received assistantships from Arkansas State University. Wilson will study business administration and Dykes will study mathematics.

University; Tom Estes, graduate traineeship in speech correction, University of Missouri at Columbia;

Staff Appointments Announced; Four Begin Responsibilities

Four additions to the Harding staff have been announced the the 1973-74 school year.

Durward McGaha will become assistant director of admissions on Sept. 1. Since 1970 he has served as director of admissions at Arkansas College in Batesville.

From 1968-70 he had served as an admissions counselor at Arkansas College. He also has 19 years of experience in high school counseling.

Another addition to the admissions office will be Brett Foxx, a 1973 Harding graduate. He will serve as an admissions counselor. He was a music education major and listed in *Who's Who in American Universities and Colleges*.

Mike James has joined the staff of the college office of Information and Publications. He serves as photographer and writer. A 1973 Harding Graduate, he too was listed in *Who's Who in American Universities and Colleges* and was photographer for three All-American yearbooks.

A 1971 Harding alumnus, Mike Lucas has assumed the duties of

Durward McGaha

assistant director of the educational media center. He replaced Louis Butterfield who enrolled at Indiana University for graduate study in media. Prior to joining the Harding staff Lucas served for two years as band director and music instructor at Bald Knob (Ark.) High School.

James and Lucas began work in their new posts on June 1.

Early Orientation for Freshmen

June 24-26 July 22-24

Alumnus Assumes Position

Alvin Fowler, a 1968 graduate of Harding, joined the college's development staff in April and will serve as a special representative for the school.

The 27-year-old Fowler will be involved in planning and carrying out various fund-raising efforts at Harding. He was formerly employed by Superlite, a division of U. S. Industries, Inc., as a certified public accountant and assistant controller in Phoenix, Ariz.

A native of Little Rock, Fowler attended Harding after earning his associate of science degree from Arizona Western Junior College in 1966. Fowler graduated cum laude from Harding in 1968 with a B.A. in accounting.

He was named the outstanding graduate of the Arizona Military Academy in 1970 after attending there for two years. In 1969 Fowler was selected by Harding's president, Dr. Clifton L. Ganus Jr., to serve on the President's Development Council.

Fowler is a member of two professional organizations, the American Institute of Certified Public Accounts and the Arizona Society of Certified Public Accountants. He is also currently serving in the Army National Guard as a second lieutenant.

He is married to the former Marilyn Young, and the couple have one daughter, Alicia Joy, 2 1/2 years of age.

Harding's Development Office has the responsibility for fund raising in capital campaigns which provide funds for expansion, annual giving which supplements the operating budget, and in deferred giving which builds the college's endowment.

Bison Gridiron Outlook

Armed with an experienced offensive backfield and a strong defensive line, the Harding Bisons are gunning for their second straight Arkansas Intercollegiate Conference championship, and, hopefully, their first solo title trip.

Head Coach John Prock's four horsemen of the Bison backfield, Alan "Snake" Dixon, Tom Ed Gooden, Jack Barber and Ted Walters, appear well and ready to run, but a new offensive line and an untried defensive backfield could hold the key to their success.

Thirteen Bison seniors completed their four years of eligibility last fall, four of which formed Harding's front blocking wall and four of which made up the defensive secondary. New faces and shifted veterans will have to adjust quickly to compensate for the losses.

Injuries in spring drills, including five knee operations, have taken their toll on both veterans and new prospects, including defensive tackle Bob Lee, an Abilene Christian transfer who was ineligible last fall, Ricky Barnes of Dallas, a burly offensive line hopeful, Rance Reagan of Memphis, a two-year letterman stepping into a guard position, and Adrian Hickmon of Searcy, a first-year letter winner making a bid for a defensive end post.

"We've had 11 knee operations since the start of the 1972 season," noted

Prock. "And we're used to having about one a year. How these players recuperate may tell the story of our 1973 season. Quite a few are key personnel."

Dixon and Gooden will again head the ball-toting corps. The duo paced the conference in rushing, scoring, total offense, passing and punting last fall. The two NAIA All-American honorable mentions will be complemented by the explosive Barber and the bullish Walters in the wishbone formation. Gooden, a bona fide triple-threat, will also continue to handle all kicking chores.

Offensive line coach Dick Johnson will be trying to fill the gaps left by the likes of second-team NAIA All-American Edd Eason. Tight end Steve Clary of Carbondale, Ill., 6-2, 215 lbs., and Neil Thompson of Tucker, Ga., a 6-1, 220-lb. tackle, are the only returning starters.

Prospects for the vacated spots are lettermen Steve Watts of Atlanta, Ga., a 6-1, 250-lb. tackle; Reagan, a 6-1, 195-lb. guard, and Jerry Chism of Borger, Tex., a 5-11, 205-lb. guard. Center hopefuls include two newcomers, Floyd Clark of Nashville and Allen Jeter of Monticello. Both were Arkansas all-starters and have the size and equipment to do the job.

Replacing all-conference and all-district split end Harry Starnes has posed another problem for Prock. At

the end of spring practice, a couple of speedy sophomores, Perry Brown of Maud, Tex., and Doug Owens of Holly Spring, Miss., displayed some fine moves and good hands to emerge as the top candidates. Signee Joe Smith, a Newport All-Arkansas choice, could provide competition as a freshman in the fall.

An experienced defensive line looks to be one of the best around. Returning at the defensive ends are three-year lettermen James Pigg of Concord, Ky., and Larry Richmond of West Memphis. Former All-AIC Clarence Hicks of Forrest City will continue to hold the middle of the line together at the nose guard position.

Mountain Home's Barney Crawford, a 6-5, 235-lb. giant, will return at his established tackle spot, and Lee, a hard-hitting 6-2, 220-lb. tackle, or David Cooke, a 5-11, 215-lb. letterman from Houston, will round out the defensive line. Sophomore Kenneth Neller of Huntsville, Ala., a 5-10, 195 lb. noseguard, will provide solid back-up strength.

The linebacking department has been plagued with injuries for the last three seasons. A 5-11, 200-lb. second-year man, Milton "Bubba" Hopkins, who led the 1972 Bison defenders in tackles, will again quarterback the defense.

Two-year letterman Robert Shock of

Conway will hopefully return to the lineup, but the 5-10, 190-pounder missed part of the 1972 campaign with knee and ankle injuries. The Bisons have found a more-than-able sub in sophomore Randy Miller, a stocky 5-10, 210-pounder from Atlanta, Tex., who gained a lot of experience as a freshman.

Finding four youngsters to replace four seniors in the defensive backfield, including three four-year lettermen, has presented probably the greatest obstacle to the Bison coaching staff.

Three juniors, Rodney Echols of Forrest City, Terry Greenwood of Little Rock and Rock Long of Pascagoula, Miss., will fill in at the two safeties, and one cornerback position. Echols (5-11, 195) and Long (5-10, 170) logged considerable playing time last year and should provide strong leadership in the backfield. The fourth secondary post is up for grabs with Jerry Joslin of Gallatin, Tenn., holding a slight advantage. Another prospect, Rick Sammons of McGehee, was switched over from an offensive flanker spot and is showing improvement.

"We'll have 36 returning lettermen to work with," concluded Prock. "We'll have 13 seniors and 13 juniors, the same number we had of each last year, and 17 sophomores. We've got our job cut out for us, but we ought to be able to do something."

Ten-team Schedule Will Confront Team

Two new opponents have been added to the 1973 Harding Bisons football schedule, Head Coach John Prock announced.

New teams include Tarleton State College of Stephenville, Tex., and Samford University of Birmingham, Ala. It will be the first time for Harding to meet either school in collegiate competition.

"Tarleton State is a member of the Lone Star Conference," Prock stated, "and everybody knows the caliber of football in that league. Samford is an NCAA school and had Carson-Newman and Livingston, two of the top NAIA schools, on its 1972 schedule."

Home games are set against Northeast Missouri State, (Dad's Night), Sept. 15; Millsaps College, Sept. 22; Ouachita Baptist University, Oct. 6; Southern State College, (Homecoming), Nov. 3; and the University of Arkansas at Monticello, Nov. 10.

Road opponents will be Tarleton State, Sept. 8; Henderson State, Sept. 29; Arkansas Tech, Oct. 13; Samford, Oct. 20; and State College of Arkansas, Nov. 17.

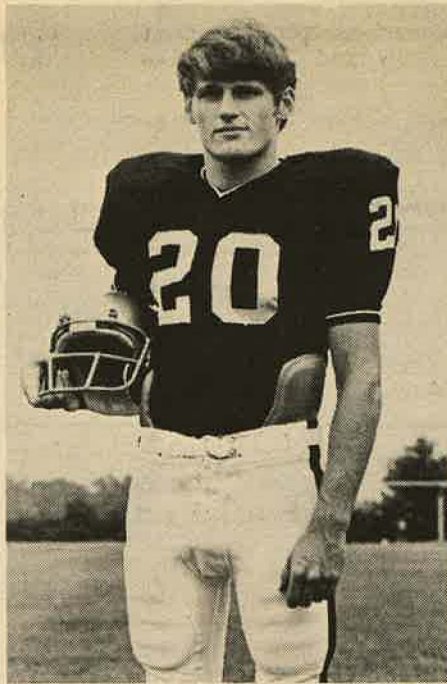

Crawford Wins Races

Former Harding track All-American Jim Crawford was a double winner in the Interservice Track and Field Championships held May 28, 29 in Quantico, Va.

Now competing for the U. S. Army, Crawford won the three-mile on the opening date of the meet in a time of 3:52.8.

Doubling back the following day, Crawford entered the 3,000 steeplechase and emerged victorious in a time of 9:00.8.

Crawford, a 1970 graduate, is presently serving as the assistant track coach at West Point Military Academy.

Tom Ed Gooden

Alan 'Snake' Dixon

Milton 'Bubba' Hopkins

Squad Selects Tri-captains

Alan "Snake" Dixon, Tom Ed Gooden and Milton "Bubba" Hopkins will serve as tri-captains for the 1973 Harding College Bison football team, head coach John Prock announced after a team vote at the close of Spring practice.

"We're really pleased with the team's selection of captains," Prock stated. "These boys are all hard workers on and off the field; they're all natural leaders who give 110 per cent."

Dixon, who led the Arkansas Intercollegiate Conference in rushing, total offense and scoring, was selected for the All-AIC, NAIA All-District 17 and honorable mention NAIA All-American teams for his standout play last fall.

The 6-0, 195-lb. tailback from Fitzgerald, Ga., amassed 1,480 yards

rushing and scored 17 touchdowns in the 11-game, co-championship season in 1972. His 134.6-yard average per game was the second highest in the national (NAIA) statistics. He has broken all the school rushing and scoring records in the past three seasons.

Gooden, a Carlisle native whose 41-yard field goal against an uncooperative 25 mph wind clinched the post-season Cowboy Bowl victory, quarterbacked the Bisons to their first AIC title in Harding's history last fall.

Despite running out of a wishbone formation most of the season, the 6-2, 185-lb. Gooden led the conference in passing with a 668-yard total. He also led the league in punting with a 41.1-yard average. He earned all-conference,

all-district and honorable mention NAIA All-American honors.

Hopkins, who finished his first year of eligibility last fall, called the signals for the Harding defense from his linebacker post. The 5-11, 210-lb. Fitzgerald, Ga., native led the Bison defenders with 70 individual tackles and 114 assists. The hard-hitting Hopkins sat out the 1971 season with a knee injury which required surgery.

Hopkins' standout play earned him Bison Defensive Back of the Week honors twice and he was selected for the All-AIC and NAIA All-District 17 honorable mention teams.

"We expect a lot from these boys," Prock concluded, "but they've all shown us that they have what it takes to be a dependable team leader."

Highlights of Harding's Spring Sports

After building up a good start in the AIC all-sports race with a football co-championship and a cross country title, the Bisons opened the intercollegiate spring sports campaign with a chance for the big trophy.

However, rain became the all-important factor as it dampened practices and forced Bison teams to reschedule a number of contests in a short period of time late in the season. An ineligible player also cost Harding several points in the AIC bowling race, but the Harding athletes managed to finish in fourth place in the all-sports ratings at the conclusion of the year.

The Bison bowling team headlined the Harding spring sports program from the outset with a seemingly open shot at an unprecedented fourth consecutive national championship. The Bison keglers performed as well as a team could possibly perform and not win, as the defending champs were dethroned and forced to settle for runner-up in the NAIA national competition.

After winning their ninth straight NAIA District 17 title and the right to represent the four-state Area IV, Coach

Ed Burt's bowlers led the eight-team field of area representatives at Kansas City until the final day. In a rolloff match, College of Great Falls (Mont.) defeated Harding by a 17-pin margin and won the title.

Senior David Hudson of Delmar, Del. recorded the highest single game (269) in the tournament's history enroute to capturing the NAIA singles championship. Other Bison bowlers who participated in the national competition were seniors Lloyd Champion of Hot Springs, and Keith Kress of Parkersburg, W.Va., sophomore Gary Beck of Searcy, and sophomore Don Mitchell of Union City, Tenn.

Bison baseballers continued their streak of winning seasons, finishing with a 16-9-1 record over-all. Lack of experienced personnel hampered Harding in the AIC race, but a 7-9 record gave the Bisons a fifth place finish.

Pitcher Robert Helvring, a senior from Bradford, enjoyed the finest season of his career, notching a 6-3 won-loss record. The NAIA all-district honorable mention hurler fanned 61

batters in 42 innings and registered a 1.07 earned run average.

A sophomore outfielder from North Little Rock, Lynn Chaffin copped batting honors with a .415 hitting average. He also paced the Bisons in home runs with 4, batted in 15 runs and scored 16 times. Senior Russ Schramm of St. Charles, Ill., led the team with 18 RBI's.

A young tennis team, under the direction of first-year coach Dean Bawcom, surprised several AIC opponents and finished fourth in the league. The Bison netters concluded their pre-AIC meet season with an even 8-8 record in dual-meet contests. The team was composed of two juniors, a sophomore and three freshmen.

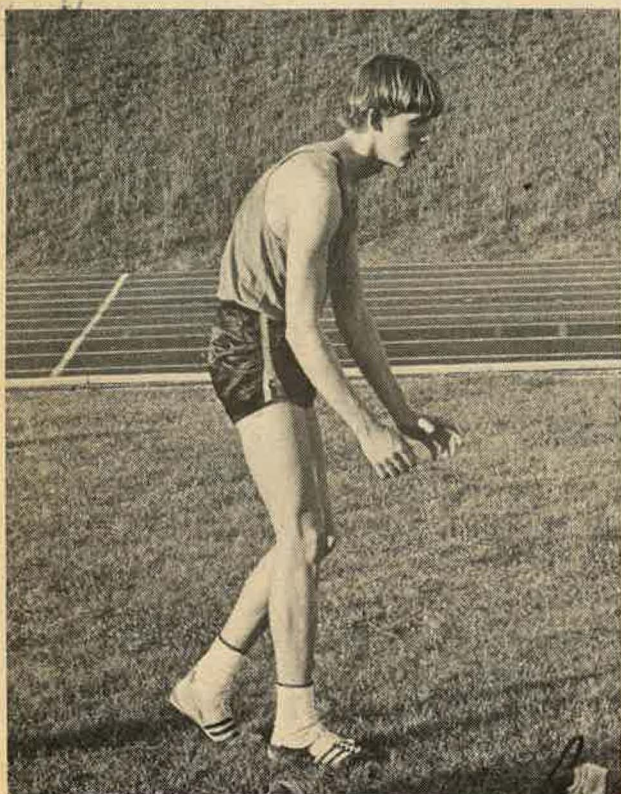

Charles Ganus, a freshman from Searcy, won the AIC number four position title at the conference championship meet. Other Bisons participating in the AIC meet were juniors Dave Hawley of York, Neb., and Rick Adkins of Benton, freshman Brad Dell of Freeport, Ill., and Jeff Smith of Calhoun, Ga., and sophomore David Cannon of Sumter, S.C.

Harding's golfing squad, under the direction of Coach Norman Merritt, endured a rainy links season to land a seventh place in the AIC. In the league meet, the five-man Bison team finished the 36 holes with a total of 685.

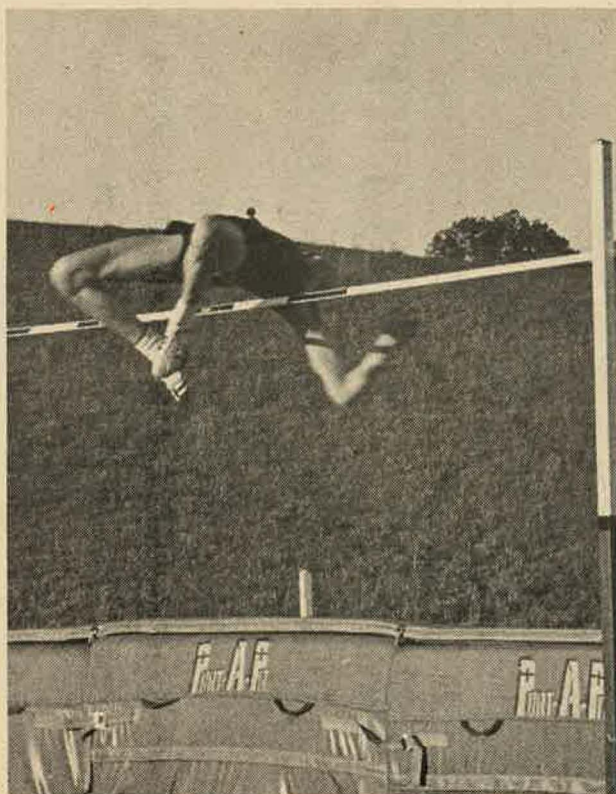

Seniors Richard Fowler of West Plains, Mo., and Phil Romine of Huntsville, Ala., paced the Bisons. Fowler, a four-year letterman, was chosen as the team's most valuable player for the second year.

A promising Bison track season was plagued by several injuries, illnesses and a long wait for the sun to dry out the Harding track. But once underway, several surprising performances highlighted a building year for Coach Ted Lloyd's young thinclad team.

Grabbing top attraction honors for the year was freshman Steve Celsor of Alton, Ill., who broke the AIC's high jump record with a 6-8 1/2 leap in the league's title meet and won the high jump crown. Others who proved valuable in the AIC meet were freshmen Tony Woodruff, a miler from Nashville, and Dave Bell, a pole vaulter from Granite City, Ill.

BEFORE — Concentration is the key as freshman Steve Celsor prepares to clear the high jump bar in the AIC track meet during May.

DURING — Celsor smoothly glides over the bar in a somewhat "backward" fashion. His style was the best in the meet.

AFTER — Judges measure the distance from the ground to the bar and certify that Celsor has soared 6-8 1/2 for a new AIC record.

Coaching Rivals

Though they are often teammates in faculty basketball games, Jimmy Allen (above) and Jerry Jones (below) found themselves as coaching rivals during the spring semester. The two Members of Harding's Bible faculty coached opposing teams in the intramural all-star contest. The expressions on their faces demonstrate their total involvement in the game and the excitement the cage action created. Rather than divulge the name of the winning coach, we will let each reader observe the reactions of the two coaches and attempt to guess which one was the winner and which was the loser.
