The regular meeting of the SA Executive Council was held in the SA office at 6:00 p.m., on September 30, 1969. The meeting was begun informally as the council members assembled separate sheets of the new SA calendar. Upon completion of the project, Rod called the meeting to order and opened the meeting with a prayer. All were present.

I. Old Business

Calendars -- The calendars will go on sale Oct. 3, at 10:30 pm in the dorms. Those calendars remaining will be sold on Oct. 4 in the student center and perhaps the cafeterias also.

Pledge Week -- Wayne presented the proposal for changing pledge week to the faculty in their regular meeting. The faculty voted to change pledge week from the 7th to the 8th week.

Curfew Proposal -- The committee for late curfew presented a proposal which was approved by the council. The proposal recommended that all Harding women should have an eleven o'clock curfew on weekends. This would not eliminate dorm mothers giving special late permission. This spring the committee will work on a proposal for a system of graduated privileges.

II. New Business

P.A. Equipment -- Farrell talked to the manager of the Recording Studio about the cost of a new microphone. The cheapest one can be bought from the Radio-Shack for $17.00.

Directories -- Wayne was placed in charge of getting all information from the Registrars Office.

C.C.G. -- Rod will write CCS again about the organization of transportation. Rod received a letter from York saying that they were interested in going. A definite
decision as to what council members will make the trip will be made in the next meeting.

Chapel Program Wednesday— Those people asked to help with the program meet with the council after the meeting was adjourned.

Madelyn Murray— has collected 27,000 signed letters protesting the decision of the astronauts to read the Bible in space. She plans to present these letters to NASA headquarters, asking that these men be publicly censored for this act. KWFC Radio Station in Springfield, Mo., is asking the Christian public for 100,000 letters commending the astronauts. The SA will post copies of this letter and also a proposed form-letter for those interested students to follow.

The Story of the Skirt (a short story)— Rod urged that the council members do as much as they can to back the faculty decision on skirt lengths.

War M—— a student representative will be asked to speak to the council in their next meeting concerning their (students) interest in this movement.

The meeting was adjourned at 8:45 pm, after which the council members went to the large auditorium to practice for the chapel program.

Respectfully submitted,

Cathy Morris
SA Secretary
