Dear John Allen:

Good morning to you! We were so glad to have your letter some days ago, and are delighted that you are going to get closer HOME. Hope now, you might get this far sometime.

Annie Louise thinks she must have told you that our preacher, Jackie Fox is from Cookeville, Tenn. He is a fine boy, and a splendid preacher for a beginner. We are doing all right I suppose we can say, not growing a great deal, but holding our own! Peace and harmony still prevails. That is much to be thankful for.

Now a question: How about holding a meeting for us next summer (1960) ?. Everybody put their heads together, and has come up with the suggestion that we write you. All seemed to be so anxious to have you back with us again. The time most suitable to you would be August—usual time, second or third Sundays. We possibly could work that out though.

Sue's "finishing" will sound good to you both. I am looking forward to meeting Sue sometime, maybe next summer!. Hope you are going to like your new home. Truly hope we can work out somet hing about the meeting.

Christian love to both.
