Ritchie Named Head Of Planning Group for Friday Meetings

By Brenda Crouse

Approximately one hundred twenty members crowded into Room 214 and 220 for the opening session of the class in Personal Evangelism on Friday morning, October 5. The group was directed by Dr. Broan following a song led by Prof. Andy R. Kibler and prayer by Bill Petry. The Personal Evangelism class has been a perpetual feature and live influence on the Harding campus since its inception in 1940 by Dr. Broan three years ago. Eighty members attended that first meeting, and the popularity of the class has continually grown among the students. During the past two years the enrollment has been directed by Prof. W. F. Mamie, dean of men, who is on leave of absence this year. Prof. Ritchie has been placed in charge for the 1947-48 school year.

Professor Ritchie comes to Harding well qualified to instruct in this field of study and as a teacher of Personal Evangelism. He has served as the director of numerous evangelistic campaigns in New York, New Jersey, Maryland, Washington, D.C., and other church-related field camps. Many Harding graduates have assisted him in these campaigns.

Dr. Ritchie's introductory greeting Dr. Broan voiced his gratitude that the Personal Evangelism class has increased in size in proportion to the increased enrollment at Harding College. He pointed out that the enrollment is the crucial problem of the present day world can be permanently solved only by a fuller knowledge and practice of the teachings of Christ, which must be dispersed largely.

Producer Selected for First Play

By Campus Players

The Campus Players selected Margaret Shonch to direct the first three-dimension feature film that will be shown when they hold their first meeting for the discussion of future plans. For her assistant Miss Shonch has chosen Ruth Benson. The production will be presented sometime during the fall.

Miss Shonch, a junior from Wichita, Kansas, has been a Campus Player since 1943, and is a member of the Alpha Pi Omega, national dramatic fraternity. Her unusual talent in the field of dramatics has already been evidenced here at Harding many times.

Miss Benson, junior, became a Campus Player in 1943, and is a member of the Alpha Pi Omega, she has shown exceptional ability in both stage management and as acting.

Ready to serve in the capacity of third dimension films are other members of the Campus Players. Although the ab- sence of a faculty director is felt, the Campus Players believe that the Harding student is capable of making this production a success. Officers of the club are Thomas Haney, president; Willard Brooks, vice president; Ruth Benson, secretaery-treasurer.

Other Campus Players returning this year are Jimmy Moonenaye, Dale Streunso, Jones Wilier, Dorothy King, Myra Schnell, Mildred Lachel, Frances Connell, Billie Boland, Jerry Young, Betty Lewis, Thosla Healy, Maxine Merber, Neda Clements, Sueann Sivine and Gladys O'Neil.

Senior's Rings To Arrive Soon

Jerry Young announced Saturday that the senior class ring meeting of the new president and the rings which were ordered by seniors last spring is due to arrive in the latter part of October, or the first of November. The rings will be sized and ordered from the jewelry store.

It was also stated that another order for rings will be made this week so that seniors who failed to order jewelry last spring may place an order at that time.

Sports Plans Shown For This Year

By Coach Berryhill

Coach 'Pink' Berryhill, Harding's physical education director, Monday afternoon, showed slides of plans for the numerous track and field events to be held on Track and Field Day, an event of the intramural program. Touch football, now being played by classes, will be the first intramural event for the boys. Approximately 50 have participated in the class, and the intramural teams will consist of at least 12 in number. Each team will be divided into two leagues, with the two teams playing off against each other, with a second at the end of the season. The fourth grade, second, the third grade, third, and the third grade as fourth, etc. Points will be added in proportion to the number of teams and position of the team, in addition to these points for each one who participates.

In regard to the picking of the All Star teams, the boys will be picked to ascend in conforming locomotion and remaining back from each man in each game. These requirements include a number of skill and to be taken into account for the number of points for each one who participates.

Yeast teams for intramural teams will be selected from old students. These teams will be formed according to the choice of keeping the one named as the team's name. From Idaho, Nebraska, and Arkansas Old students signing up for the various sports will be distributed among the teams in proportion to the number of men as equal as possible.

Coach Berryhill will direct the boys' program, while Hugh Rhoads will be in charge of the girls' division. The boys' and girls' events will be worked out so as to make for little conflict as possible in the use of the facilities. The girls will have the use of the athletes' field on West and Franklin Sts., the boys, Thomassina and Sundays.

"The choice of the intramural program," Berryhill stated, "is to give the students some real opportunity to play. There will be a place for every man whose interest and desire is to play. There will be a place for every man who has a desire to join. A variety of sports is offered to make this production a success."

Officers are Thomas Haney, president; Willard Brooks, vice president; Ruth Benson, secretaery-treasurer.

Gymnasium Utilized For Services Here

As Space Runs Out

Saturday morning, October 6, some 500 students met in the gymnasium for regular worship services. Although the American Legion Hall had been reserved for Harding's record enrollment. Another group of approximately 500 men met in the auditorium. Prof. John Lett announced that the capacity of the gymnasium was 1,465, while those in the auditorium numbered 1,000 men. Another indication that the number meeting in each place was almost the same.

The practice of having two services at the same hour will be continued on the campus throughout the day as a matter of necessity. All services which are held on the campus are open to all students. The first group was attended by the Harding Faculty. The second group was attended by the students, including the Young People's meeting and the Monday Night Meeting. A number of groups are meeting each week on Friday.

Until no three of these absorptions are carried out, your paper will not be mailed.

Training School Well Attended

The Harding Elementary Training School opened Monday, September 16, with a total enrollment of 68, a record which has not been reached in several years.

The principal, Miss Annabelle Lee, who has been a student and eight grade, is a graduate of Kansas City Teachers College and received her M. A. degree in 1947. She has been a permanent fixture and live influence on the Harding campus since her graduation in 1947. Mrs. Huddleston has attended Arkansas State Teachers College and Peabody. She received her B. A. degree from Harding. She has taught in schools in Tennessee and Kentucky, and comes here from the Dashing Bible School at Vanfonia, Georgia.

The service offers work in all of the fundamental branches established by psychology, and the application to the classroom in the teaching of the elementary curriculum.

General psychology, taught by Dr. Ray Finch, is a fundamental course. His help in the growth of the school has been constant.

Three of Faculty Absent on Leave For Graduate Work

Many teachers, like our old students, are missing from the campus this year for their advanced work and will be back.

On leave are: Prossen, B. F. Maran, Dean of Men and members of the faculty. Also absent: Mrs. Huddleston, assistant professor of psychology, and Mrs. Lulu Hildred, assistant professor of French. It is expected that they will continue teaching the first and second grades.

In order to give Dr. B. F. Maran, Dean of Men and members of the faculty, time for advanced study, Peabody Universities in Nashville, Tennessee and working toward his degree in Bible, he is at the University of Texas, in Austin. His work is in the field of Romance languages.

Dr. Ruth Langford Harding art department head, is attending school in Colorado Springs, Colorado, studying at the Central Bible College there. Miss Langford plans to be at Harding next year.

Mrs. Vivian Robbins, form­ er speech and dramatic art instructor who was married during the summer, is with her husband, Bert Robbins, in Washington, D.C., where he is working in the field of speech and dramatic art.

Mr. Wheeler Knight, fourth year, is reaching the first and second grades. From Southern Illinois College, he is now in Atlanta, Georgia, she received her B.A. degree. She has had several years of experience as a teacher in the field of speech and dramatic art.

New courses in business, philosophy, and education will be added on the winter and spring schedule.

Civic Concert Group Organized Locally In State-Wide Drive

In an effort to afford an opportunity for the enjoyment of symphonic music to the people of Arkansas, an Arkansas State Symphony Society has been organized this fall by musicians from various parts of the state.

A joint committee composed of representatives from the city music clubs, the Kiwanis club, and the Harding music department and the State Concert Guild, arranged ticket sales promotion and arrangements for the two concerts which will be held in Arkansas.

Tickets were sold on the Harding campus Tuesday and Wednesday of this week. These tickets, which sell for 75 cents to students and one dollar to faculty members, entitle their holders to appear on only the two concerts in Swear, but all of the 45 programs to be held during the season. Appointments are made for presentation in Little Rock.

Because the high school auditorium offers a superb color quality, the two concerts in Swear will be given there.

This program offers a great opportunity and cultural advantage to the people of Swear and the two concerts in Swear will be given there.

The western United States is represented by one student from New Mexico, one from Montana, one from Idaho, Utah, five from Iowa, six from Colorado, three from California and Oregon, and 12 from Kansas.

Florida, Alabama, Louisiana, North Carolina, Georgia, Colorado, and Virginia contributed 43 more southerners to the state, while Illinois and Indiana send 18 mid-westeners.

The student who traveled the farthest to attend the first Harding's campus, Mrs. Wenda Fang Sing of Hong Kong, China.

Campus Players To Lead Club

The work of the dramatic department will be continued this year with the Campus Players forming a nucleus for the Dramatic club which is without a faculty director at the present time.

The Campus Players are a group of students who have been drummed into the group and consists of a minimum of two terms and 40 credits. They have particular interest in working on plays and productions.

HARDING MEMORIES

As time for the opening of school drew near, we do not doubt that work will begin. Make the world's minds of many former students of Harding who are now scattered all over this country and in mission fields on other continents. Because we love Harding as did you who are now graduated, we are able to realize this fact without being told. Knowing something of what Harding meant to you who are no longer students, we also catch a glimpse of how great is the debt we, the present students, owe to you.

From year to year faculty and upperclassmen at Harding have tried to implant in the minds of those new on the campus a spark that, if properly cared for, would grow and develop into a deeper understanding of Christian living, and a deeper desire to serve God. In implanting these things in our hearts we do not have to worry about the school spirit and whether or not we would love Harding, because a lover of God loves a place where God has loved and reverence

Now to you we pass the responsibility of retaining at Harding that undefinable spirit that has always characterized our Alma Mater. Honor her who we who now compose the student body and do anything but accept the challenge offered by you, and do our best to keep Harding a school where "Christian standard is the motto and Christian life is stressed!"

In the past three business men have discovered that advertising in the Bison is worthwhile. They have continued to advertise in our student publication because of this, and not because they believe they are assisting us in a charitable way.

We have through the years enjoyed a friendship with these business men because, by and large, we have brought patronage to their doors, and by patronizing them ourselves we have found them to be completely worthy of the claims made in the advertisements of our paper.

This year, as in the past let us continue to patronize our advertisers that they may benefit from the increased enrollment. It is only right that their cooperation and friendship should be rewarded by our increasing their business as we grow.

Sports events of the fall term will be track, football, volleyball, and Australian pursuit race (rather than a cross country race), and the class tournament in basketball.

Intramural basketball will begin the winter quarter, and will be followed by badminton and table tennis.

The spring quarter will include Track and Field Day, softball and possibly baseball.

At the end of the year awards of scholarships for boys and girls will be made to the boys and girls having the highest number of points. No number of awards has been announced as yet, but will be determined by the number of participants, both boys and girls.

during sports activities at the present with four games being played last week to start off the class competition. The High School boys and the Juniors had the misfortune to be eliminated from the bracket, leaving the Sophomores, Seniors, Faculty and one Frosh team still to fight out the rest of the season. Hugh Rhodes, and with Harding having the largest enrollment in its history, our intramural programs for this year, should really be able to surpass all previous records. We have capable leaders, so it’s up to us to make this year’s sports program a glamorous success or a dismal failure. What do you say, Joe and Jill Harding? Let’s give it all we’ve got!

In a senior class meeting Saturday, Jimmy Ganus, president of the class of ’47, announced that Andy T. Ritchie has accepted the sponsorship of this class.

Ritchie comes to Harding this year as instructor in music and director of the chorus from Washington, D. C., where he was assistant minister & song director of the 16th Street church of Christ.

through personal evangelism.

Prof. Ritchie emphasized his faith in the efficacy of personal work, citing instances where the fruits of this kind of labor are now being realized. He indicated that plans for the class are in- definite, and will be largely determined by the desires and suggestions of the group. Financial fields of study include reports on specific evangelistic effort, evangelism in rural communities, evangelizing the home community — a problem, confronting many students, work with specific problem individuals, and foreign evangelism.
