NEW BUSINESS

Wayne and David attended a meeting Sunday of the Arkansas Student Presidents in Little Rock.

David was impressed with the capability of the presidents. He thinks it would be beneficial to exchange handbooks and catalogues to see other school rules and how they work out their problems.

He cited three purposes for joining this organization:

1. Interaction can be gained from them—there would be a National Entertainment Committee for movies, groups, and speakers. Five or six schools could get together and get a good group booked for this area and save a lot of money.

2. Political—possibility of presidents endorsing a particular candidate during elections.

3. Special Problems—when we are presented with a special problem, we could see if other schools have had the same problem and how they handled it.

Wayne talked with Dr. Ganus before attending the meeting. Dr. Ganus felt like it would be a good organization to join. Wayne will meet with him to give a report of the meeting.

The cost of joining would be only about $10 a year. It has not yet become an organization; it is still in the making. Wayne stated that there was only one time when he felt hesitant toward the meeting—having investigation teams come to the colleges. Of course, this could not be done at Harding. All other things were positive though.

Our S.A. seemed to be ahead of other student governments, such as in finances. There were also areas in which we could improve, such as libraries.

The organization would exist mainly for the sharing of ideas. Minutes would be sent to each member. Council members would visit with other college councils.

The next meeting of the Association of Arkansas Presidents will be October 4 at 2 p.m. at LRU.

The Council voted unanimously to join and become an active member.

The meeting was adjourned at 11:10 a.m.

Respectfully submitted,

Stevie Green, Secretary
