Mr. Wayne Emmons
P. O. Box 308
Barnesville, Georgia

Dear Wayne:

The Elders considered your recent request at their last meeting. Due to our pre-arranged budget for this year and our additional compensations to other mission works, the Elders decided against helping in the work there.

They ask me to convey to you the idea of making this same request, if such is still lacking, on August 15, 1961. They believe that we will be in a better position to help at that time. The men all expressed very favorable comments about that field, and it is my personal opinion that they will be willing to supply one week of radio time per month at the above suggested date.

We hope that your work is progressing nicely and send you our best regards and prayers.

Fraternally yours,

John Allen Chalk
