STUDENT ASSOCIATION MINUTES

The Student Association met Tuesday, September 22, 1970, at 6:06. Wayne handed out agendas for the meeting and turned the program over to Dean Lawyer.

Lyceums

Dean Lawyer spoke to the Council regarding lyceums at Harding. He stated that the budget for lyceums this year is $17,000. Out of this budget $3,000 is given for home productions. The schedule for lyceums this year will be as follows:

Oct. 27 The Young Americans—a group of 40 singers who have performed throughout America and made several television appearances.

Dec. 3 Emlyn Williams—"Evening with Dickens", a dramatic reader from England.

Jan. 8, 9 Richard El Salcer—an organist.

Feb. 20 The Gregg Smith Singers—a choral group which will also hold a workshop with the Music Dept.

Dean Lawyer explained the criteria used when making selections:

1. Amount of money.
2. Type of program imported.
3. Does it fit the environment of a Christian Campus?

He encouraged the Council to select students for this year's Lyceum Committee who would actively participate in the committee meetings. We should be knowledgeable about what we want for future lyceums and communicate this to our representatives and also to Dr. Ganus.

The Council members feel that the Lyceum Committee should meet more than once a year. The possibility of having another lyceum with any left-over money was also discussed with the intention of perhaps charging the students for the extra cost. This will be discussed at a later meeting along with the idea of having separate budgets for each department.
Gary made the motion to have Wayne select three members to study the lyceum dilemma and report at the next meeting. The motion passed. Candy, Kay, and Wayne will undertake this study.

**SOCIAL AFFAIRS COMMITTEE**

Wayne introduced the Social Affairs Committee members--Ferrell Drum, Larry Costlow, Linda Dedmon, Rose Peddle, and Kay Gwinn. They were told what the S.A. expects from them. They are to meet every two weeks and plan a program for the next two weeks. They are to check with Billy Ray Cox to see about the cost of having study breaks with refreshments. They will also be responsible for planning Coffee Houses. A Coffee House has tentatively been set for next Friday night.

**Last Week's Assignments**

Some reports still need to be filed on first week activities.

Curtains have been put up in the office.

S.A. Calendars--David will start to work on this project Thursday.

Student Directories--Karen will have 1,000 printed, and Mr. Beckett will have them printed in a week.

**Curfew in Freshman Dorms**

Gary made the report on the curfew. He moved that the report be adopted. After discussion the Council agreed. (The report is given in full at the end of the minutes.)

**Cafeterias**

Gary made a motion that a committee be appointed to report next week on cafeteria policies and suggest improvements, specifically in the area of sandwich lines and the feasibility of two-meal-a-day tickets. The motion carried and David, Gerald, and John were appointed.

**Class Attendance Policies**

DOUBLE CUTS--Gary moved that we assign a group to write a letter...
concerning double cuts to the Academic Affairs Committee, and Wayne amended this to also include Dean Lawyer, Dean Pryor, and Dr. Ganus. The motion passed.

UNLIMITED CUTS--there is a great deal of confusion among teachers and students concerning unlimited cuts. Wayne appointed Gary to discuss this with Dean Pryor and the Academic Affairs Committee and report at the next S.A. meeting.

New Business

CHAPEL period--the S.A. has charge of Chapel Friday. Gary moved that Wayne speak. It was agreed that Wayne speak concerning the plans of this year's S.A. and the progress that has been made.

EMERALD ROOM--it was agreed to have the Emerald Room open all day every day and on Sunday evenings after Church. Kay will have 5 extra keys made for the Emerald Room.

AWNING ON EAST DOOR OF NEW WOMEN'S DORM--Gary moved that a letter be sent to Mr. Tucker requesting an awning be put on the east door of New Women's Dorm. The motion passed and Candy will write the letter. A carbon copy will be sent to Mrs. Jaynes and Dr. Ganus.

ECOLOGICAL IMBALANCE ON HARDING--due to large number of worms on campus eating the trees, the Council decided to have Mr. Rushton come in and discuss the cause. The problem could be due to the particular type of insecticide used by the farmers in this community. If that is the cause, the Council will have a group of students who are interested to go talk with the farmers.

Nominations for upper class officers should be turned in by Friday night at 10 p.m. Elections will be Wed., Sept. 30.
