Enrollment To Be Completed Monday Preceding Holidays

Those who wish to complete their enrollment before December 15, remaining students and others who desire to complete their enrollment before the December 16 deadline. They should report to the campus as soon as possible to avoid the possibility of non-enrollment.

Saturday Is Date For Annual Christmas Dinner

Highlighting the social calendar for the week will be the annual Christmas dinner to be held at 6:00 P.M. in the Student Center. The dinner will feature a variety of dishes, including traditional Christmas favorites.

Once Active Club Is Reorganized By Home Ec Head

The Home Economics Homecoming is now being reorganized by Mrs. A. S. Smith, who will be in charge of the event. The club will be meeting every Wednesday afternoon at 3:00 P.M.

Three Teams Debate Make Jackson Trip For First Tourney

Three teams from Harding entered the annual warm-up debate tournament held this year at Millville College, Jackson, Mississippi, last Friday and Saturday.

Three teams participated in the tournament, and included in the competition were teams from Millville College, Harding University, and the local high school. The tournament was divided into three divisions, and teams were placed in these divisions based on their skill and rapidity in reading.

Christmas May Be Coming But Are Nuts In Order?

By Mary Jean Cohn

Happy looks Soon no boots Holidays near

Then much cheer.

In words of a syllable or two, all of us (yes, I mean) can understand it; those four lines express the feelings most present here at Harding. Everyone light up like a neon sign when the holidays are announced. From it's a fight you'll live to ever after all your plans while they're telling us what you give but the way you give Christmas.

Late in the afternoons the girls come home for Christmas. The scent of tobacco fill the room as we all see Christmas purchases have made, they hurry around to show us how much they like our gifts. And stop by the door, and a little by Kelly Doyle followed. It was Wallace Brown writing "The Heart That's Free" by Rogers and was heard on the air yesterday in "The Song of Christmas" by Kathman.

Coal Strike Halts Opening Of Harding Swimming Pool

Because of the necessity of conserving coal, the swimming pool has not yet opened. The pool is now in fine condition, and will be ready for use as soon as the supply of coal is assured.

Thursday, December 12, 1946

Ballot Friday Will Decide Petit Jean Queen Choice

Geraldine Young, Janet Res, Thelma McCarroll, and Esther Doolin, Los Dogger, Leslye Hemingway and Jo Quigley, four of the Harding swimming and tennis teams, were selected by the Petit Jean Queen choice committee to serve as candidates for the Petit Jean Queen.

The candidates will be introduced at the annual Christmas dinner, and the final selection will be made by the voting of the students.

Christmas Gifts To Be Distributed

Plates for the annual Christmas party at the White County Poor Farm were distributed at the end of December.

As has been customary for several years, the Harding College student body has donated money to help each child residing there a Christmas gift. The committee in charge of the annual Christmas party, headed by Mrs. Mabel Smith, was responsible for selecting the gifts.

The largest group of children to participate in the Christmas gift distribution were those from the Jackson Christian School. The following schools were represented: Northfield, Southfield, and Central High School.

THINK IT OVER

At no other time of the year is the general spirit of cheerful good-will as prevalent as during Christmas. Whether the weather is sunny and bright or grey and rainy, it is a season of high spirits. The children sing Christmas carols, children play games, and everyone is happy. The spirit of Christmas is a time to share and give, and to think of others. It is a time to think of the true meaning of Christmas, and to remember the love and kindness that were shown to the world by Jesus Christ when he was born in Bethlehem.
To Reach The Reward

There often comes a gleam into the eyes of people these days, but that gleam is immediately followed by a gross of horror. Reason is there, however, because it is a genuinely excellent one. The truth is that the way to a certain point is what is the most important. And the direction of the point is just around the corner. But, just as to catch sight of the view from a mountain top one has to climb to the mountain, so to enjoy vision, we have to pile up work to do before we can go home to families and fun. Exams, yes, but that isn’t the only thing between most of us and December the nineteenth. Several comments I have heard go something like this, “I just can’t make it to think of all I have to do,” which is what I wouldn’t want to write down in my experiences yet, have you”, and well, you have too them.

Terms papers and projects are usually assigned by the mid-term at any rate, but seem we can’t even learn by experience that our practices are insufficient. I, as well as you, have always tried to be complete work before mid-term, telling you not to forget how horrid cramming is at five in the morning.

—M.R.S.

On Fire Hazard Folks

An announcement was recently made asking all students to cooperate in trying to prevent fires such as those small grass fires that were started not long ago. They are very dangerous and if not definitely and quickly gained the rules, but states are those who haven’t enough respect for the school and administration not to do it. We wonder if those who do not stop to think of the ways in which the purpose of Harding and its influence is underminded by this lack of fire control. To stop against the rules, but seems there are those who haven’t enough respect for the school and administration not to do it. We wonder if those who do not stop to think of the ways in which the purpose of Harding and its influence is underminded by this lack of fire control.

On The Other Wise Man

We all know something of the story of “The Other Wise Man.” Undoubtedly the product of Kipling’s own imagination, still it sounds authentic and as thorough an interpretation of one of life’s great factors than it is a literal real life happenings. Written with a sympathetic understanding of human character, the story touchingly describes the thirty-three gifts to the babe in the manger destined to rule the world through cause he stopped to care for a sick man he found along the way.

The road leads ever onward. There is no stopping place nor rest for them. So excitement comes to an end and people go or stay, depending on where they belong to the same big family. It is said that scientists have been searching for the “stranger who suffers,” “You,” “that is said to have the honor of surrendering to the Associated Press.” It is said that scientists have been searching for the “stranger who suffers,” “That is said to have the honor of surrendering to the Associated Press.”

De profundis: “So man.—suffered, so excitement comes to an end and people go or stay, depending on where they belong to the same big family.

The reason why they are so excited is that they are about to hear the announcement made last week. Written with a sympathetic understanding of human character, the story touchingly describes the thirty-three gifts to the babe in the manger destined to rule the world through cause he stopped to care for a sick man he found along the way. Written with a sympathetic understanding of human character, the story touchingly describes the thirty-three gifts to the babe in the manger destined to rule the world through cause he stopped to care for a sick man he found along the way.

Mary Shewmake

Doug Lawyer looks up from his seat expression on their faces, followed by flies into the room and his seat outside, retracts it and shuts the door.

"iod," says Alston," in the front row in one easy motion. Four or five students jump up with a jumping expression on their face, followed by Oliver Mayer who is all smiles.

"For tomorrow," says Miss Alston. Everyone grabs his book and runs through it. She turns to the roll-book and an arid of dead expression begins to call names. Elizabeth, Ralph, Bill, Warren," etc. There is a sigh of relief as it is finished. The session resolves-everyone is late. Jeral bowers whispers something to the girl beside him, and both giggle. We'll briefly review our studies of last nary person could do in ten. The slow­ly open. Miss Alston walks over and shuts it.

"This works?" "Well, he had trouble remaining on that's right - you're right, Mason has finally answered his book-mark. He looks about and rests his chin in his hand,

Dear Miss Alston looks the room over ACCENT than anything I can think of. Christmas. How about you all giving one to me for Christmas. Pear Santa, Scott. I would like to have each one had slapped his neck with a dead Santa. I would like to have each of those less fortunate people, namely...

Somehow you fill Dr. Joe's sock twice as full and Christmas...I know, to the Government in Washington, I want a pulpit Romeo and church-school. It makes you throw in a 35 mm camera for us in service station.

Miss Alston looks the room overately, then starts the reading of the

...he talked to Alston, she says, of Spencer "I know, you don't have to feel bad and you might throw in a 35 mm camera for us in the Harding College Camera Club."

Dearest,

"There was," says Miss Alston, walking up to the red tie...

Bill, she says, dramatic. "Well, it would be a bit un­standable. If you had rather go home and stand up on your sheep, you may," she says consolingly. Rex must shade and splatter in the same breadth and wrinkles from the cool. Oliver looks down at his jeans, shakes his head, and slaps the paper with the back of his hand.

Miss Alston looks the room over carefully, then starts the reading of the

Dear Santa,

"I suppose it was difficult. It didn't really work. I was sending the wind rushes the leaves outside. Everybody looks out as if it is mist­ing. There is a static call me in the dis­tance. Was that the bell," asks Miss Alston. No answer. "What time is it" she says. "Ten after," replies Bill Na­tions. "You're excited," says Miss Alston. Everyone rises and starts toward the door. Oliver shakes the Biscuit in someone's face and says, "If you eat all the Polenta and laid them and eat, I wouldn't be a bit surprised."

Dear Santa,

I would appreciate it so much to mail to my

Newspapers.

Yours,

Dear Santa,

...more than anything I want a red tie to clutch with my hair and you might throw in a 35 mm camera for us in the Harding College Camera Club."

Will Tipps Get Hung When Again Hangnail Writer Takes Over?  

Our good neighbor man and public relations man, Dick Folin, has apparently broken his silence with a pronouncement which has every devastating possibility. I am re-
turning to that democratic means of thrust—stapling and our "lunch-
acting permit" on a hangnail writer, Nathan Lamb.

For a long time the town's hangnail scribbler has wanted to sink his teeth into this column and chew out how to write a few things. So, next week you can expect anything. As for me—I will, I have resigned myself to the fate of proof reading, or something that is more my adaptable style—say me.

Betats Pledge Eleven
To Honor Society
For Academy Students

Eleven students are being pledged in to the Beta Club, a national high school honorary organization, this week. Lloyd Sanderson, president, has announced.

The Beta club, organized last year by Mrs. Benson after a four-year activity, offers a reward to those who have achieved maximum achievements.

Membership is determined by the administration on a basis of mental, character, creative achievement, and a commendable attitude.

Students pledged must maintain at least a B grade in every class to be eligible.

To encourage effort, to promote character, to stimulate achievement, and to instill 'leadership qualities,' in reward and to encourage and assist students to continue their education after high school graduation is the purpose of the Beta Club.

Initiation for the pledges will be early in January, at which time they will be members of the Beta Club.

For Academy Students
Eligible.

Lloydene Sanderson, president, has announced.

打压 Blair, Patsy Stewart, Anna Louise Holcomb, and Mary Jo Lawyer, honorary organization, this week, students to continue their education after high school graduation is the purpose of the Beta Club.

SPORTS READERS DIGEST . . . By Tommy Thompson

Harding, Harding, And Harding,
Yea, O Ver The Same

Now that the football season has come and gone, now that we have had our fill at the outside world, we’re going to accept our critics’ advice and stick inside home for a change. You know.

This issue’s episode will merely be a number of notes, nothing more. These notes will deal with this column under the New Deal, so to speak. We have a number of things planned and would like to communicate them to you (our readers, only readers) so that the change will not be too sudden for you — or us.

First, we are considering changing the column’s name. The idea is to stress that was from a reader, not from a reader, only a reader. So that the change will not be too sudden for you — or us.

Second, we are getting a whiz of an idea from a reader, Bob Miller, standing at Harding athletic, telling us that he is going to be regular introduction of a department dealing with school happenings. He will be doing it in the Bison office in Gray Gables. We are looking forward to it.

Girls’ Basketball

FRESHMEN DRUM SENIORS

Blowing a four point first period aser, the Sophomore six went down 20-13 behind the Sophomore. A Freshman rally gave them a 9-4 command of the first half. Women were M. Scott with ten points and Smart with six. Fredonia and Senior respectively. M. C. Corner named at guard.

Tedie Hodge gave them a 9-4 command of the first half. Women were M. Scott with ten points and Smart with six. Fredonia and Senior respectively. M. C. Corner named at guard.

Boys’ Volleyball

JUMPERS DOWN SLEEPERS

The Jumper’s had trouble but took two out of three games with the Sleepers, losing the first, but winning the last pair. It was the second victory for the Jumper’s. The Sleepers, though showing promise, have yet to win.

McLinden High, standing at guard was Dixie Dillard.

CONTRIBUTIONS

The idea is to stress that was from a reader, Bob Miller, standing at Harding athletic, telling us that he is going to be regular introduction of a department dealing with school happenings. He will be doing it in the Bison office in Gray Gables. We are looking forward to it.

H.S. Earns Split
In Two Cage Games
With College Teams

Though losing to the Seniors by a decisive score, The High School managed to shade out the Sophomores 28-26 to gain a split in these two encounters with college teams.

Stunting of the Sophomores gave him an early lead. At the end of the first quarter the score was 5-3. Craft and Kamp began a scoring spree, but could not equal the campaigning stunt- ing, who kept the Sophomores ahead 11-9 at the half. The third quarter saw the High School make it 17-17.

Once more the Sophos pulled away, this time leading by four points. A number of quick baskets put the boys from High School ahead for good. Stunting led scoring with twelve points.

Against the Seniors, the High School took an early lead. Laurence made it a rough house from the opening minutes on. Kemp and Kamp began a scoring spree, but could not equal the campaigning stunt- ing, who kept the Sophomores ahead 11-9 at the half. The third quarter saw the High School make it 17-17.

Once more the Sophos pulled away, this time leading by four points. A number of quick baskets put the boys from High School ahead for good. Stunting led scoring with twelve points.

The High School made no serious threats in the final half. Carl Campbell was high scorer with twelve points. He was pressed by Lawrence and Moore. S. Kamp made eleven points to lead the High School. Kamp was also outstanding defensively.

Freshmen Beat Sophos
In Close Contest

Coming from behind many times, the Freshman managed to hold by a fiery Sophomore fire.

The Sophomores came in front 9-8 at the end of the first quarter. After a nip-and-tuck second quarter, the score stood uncomfortably 17-17.

Pulling ahead again the Sophos held on 25-23 at the end of the third quarter. In the final moments of the last quarter the score was tied once more, this time 31-31. The Freshmen scored three

points and were never overtaken. They led by a point with a minute to go. Akhunoff made a right-handed bank shot to put the game on ice.

Scoring bids were tied. Cecil Beck had thirteen points for the Fresh. Drug lawyer of the Sophomores also had thirteen.

Happy Birthday!
