It has been accepted for inclusion in Student Association by an authorized administrator of Scholar Works at Harding. For more information, please contact scholarworks@harding.edu.
Wayne called the meeting of the S.A. to order at 6:28. All members of the Council were present except David Fincher. After the prayer, Wayne turned to committee reports.

Committee Reports

SOCIAL AFFAIRS--Ferrell presented the objective of the Social Affairs Committee: To serve the student body in all aspects of entertainment; to provide quality entertainment for the individual thus eliminating the pressures of a busy week at any reasonable cost, without regard to profit making. He submitted an outline of previous coffee houses. The first one cost $40 and was attended by about 200 students. The cost of the second coffee house was about $130, $40 of which was spent on posters which will be sold and the funds returned to the S.A. The attendance of this last coffee house was over 1000.

Ferrell also gave plans for future coffee houses. On October 30 there will be one in the Heritage Cafeteria at 8:30. Entertainment will be by the "Perfect Peace" and admission will be 25¢. On November 6 the S.A. will sponsor a Sweet Shoppe with entertainment and the selling of pastries, coffee, and tea. Others include a soul-jazz group November 13, another Sweet Shoppe December 4, and a winter theme with Rod McKuen music December 11.

Candy moved that we accept the report of the Social Affairs Committee. The motion carried.

LEADERSHIP CONFERENCE COMMITTEE--The date has tentatively been set for November 18 with the theme of "Discovering a Direction." The program will consist of Jasper Howard and Jimmy Allen as speakers followed by group discussions.
LYCEUM COMMITTEE--the Young Americans Lyceum has been postponed until December 20. Wayne will check into the possibility of getting another available group for a future lyceum.

CUTS COMMITTEE--the Council agreed that we want unlimited cuts honored as much as possible. The question may be delved into more deeply at a later date.

Unfinished Business

Student Directories--the directories are in. Gerald and Candy will be in charge of selling them Thursday and Friday along with the calendars.

Keys--Kay has had ten more keys made to the S.A. office.

Letter concerning Who's Who nominations--Gary read the letter to Dr. Pryor concerning the Who's Who nominations in which he stated our desire to have our nominations in some way distinguishable from those nominated by the faculty. The peers of a student know well his leadership on campus.

Freshman curfew--Gary gave a report after talking with Dr. Ganus and Dean Lawyer. After carefully weighing the various aspects of the problem, the administration granted the request for the 12:00 curfew on Friday and Saturday evenings. Our administration is to be commended for being sensitive to responsible student requests. Doug will send a letter to Dr. Ganus and thank him.

Christian College Conference--The Council will leave Thursday for the CCC in Oklahoma City, Okla. and will return Saturday evening.

Class Magazine--John wrote a letter requesting copies of Class Magazine be sent for students.

Letter concerning banquet curfew--Gerald will write the letter requesting a 12:00 curfew for banquets.
Dorm Council--Dorm Council representatives will be elected Tuesday night.

Program

DEAN EGLY--The Council was pleased to have Dean Egly speak regarding the dress code. Because of her orientation in social work, her main interest is in the attitudes--why does a person feel the way she does? She discussed the problem of where do we fit in with our society and asked for the Council's viewpoint.

New Business

SCOPE--Gary Pack represented the Student Committee Opposed to Pollution of the Environment. He discussed the idea of a trash collection campaign in the Searcy area in order to clean up the unsightly mess along our highways and to draw public attention to the solid waste disposal problem. Because of the small membership of SCOPE and the magnitude of the proposed campaign, he asked for the backing of the S.A. The Council decided to work with SCOPE in the planning and execution of the campaign. Wayne, Karen, John, Chor Yen, and Sara will work as a committee on this project.

STUDENT CENTER FUND--Stevie moved that Rod Brewer, last year's S.A. president, present the money from the Student Center Fund to Dr. Ganus in chapel. The motion carried. Wayne will check with Dr. Ganus for a time.

MOVIES--Wayne read the report submitted by Gary Woodward, film program manager. The total net for the past five movies is $644.86. Scheduled movies for the rest of the semester include "Divorce American Style" Dec. 5 and "Cool Hand Luke" Dec. 12. Since Dec. 12 is also one of dates for the performance of Blithe Spirit, the S.A. decided to try and
move the movie to a later date. Gary also moved that we have a movie on November 7.

Memphis--Candy moved that we suggest to the Student Affairs Committee that Memphis be approved for off campus banquets, activities of clubs, and dates. The motion carried. Candy will write a letter.

Lectureships--John gave the report from the Lectureship Committee. This year's theme will be "The Bond of Peace".

Red Curves on parking places--Chor Yen moved that the S.A. contact Mr. Vines concerning the red curves on parking places. The motion carried.

Academic Affairs Committee--Kay made a report from the meeting of the Academic Affairs Committee.

The Council adjourned at 8:32.

Respectfully submitted,

Stevie Green, Secretary
