Committee Reports

SCHOLASTIC EVALUATION COMMITTEE--Buddy Jones met with the council and will head up a committee with four other students for the purpose of working on the possibility of having faculty and curriculum evaluations.

DORM COUNCIL--The Dorm Council took care of working with the Canteen Service about the coke machines in the Heritage.

CUTS--David discussed the current policy of double cuts. It is important for every class to meet before the holidays, and double cuts serve the purpose to keep the school in progress until the holidays. He pointed out that a student may be excused if he has a valid reason for having to leave earlier. The policy will be relooked over next semester.

Unfinished Business

PRAYER CHAPEL--David talked with Billy Ray Cox about having a prayer chapel on campus. Mr. Cox did not feel it would be feasible to have a small chapel by itself, and there is not a good location for one. Plans are being make to have a sizeable prayer chapel in part of the new student center.

MISS-A-MEAL--the plans for presenting the miss-a-meal program will be discussed after the holidays.
PETITIONS--Sara will send in the petitions concerning information about American prisoners of war.

KEY--Karen will write the letter requesting a new key for the filing cabinet.

CLOTHES FOR NEEDY FAMILY--Stevie purchased $66.51 worth of clothes for a needy family in Kentucky. They were mailed Saturday.

CHRISTMAS DECORATIONS--Chor Yen did a fine job of seeing that the campus was decorated. She greatly appreciated all the students who helped to make this possible.
