John called the meeting of the S.A. to order March 16, 1971 at 9:00 p.m.

The prayer was led by Doug.

UNFINISHED BUSINESS

Youth Forum--Stevie reminded the council that they were to help register the guests for the Youth Forum and help with the party Friday night. Harding students are encouraged to attend the forum which begins Saturday at 9:00 a.m. with John Clayton speaking on "Evolution's Proof of God."

Lyceum--Ticket sales for the New Christy Minstrels brought in $2,000. Kenny Rogers and the First Edition will present programs April 26 and 27. Tickets will be sold as follows: The first two sections (A and B before the break) will be reserve sections. Tickets in these two sections will be $3.00 with I.D. and $4.00 without I.D. The remaining sections and the balcony will be general admission, with I.D. $2.50; without I.D. $3.00.

David moved that Gary head up the ticket sales. Motion passed.

**Slacks Proposal--Pant suits may now be worn on campus after 4:00 p.m. The letter from Dr. Ganus concerning the proposal is included at the end of the minutes.

Lyceum List--Doug and Wayne will hand out lists for students to write down any lyceum they would like to have in chapel tomorrow. This will aid the Lyceum Committee when they are selecting groups for next year.

Keep off the Grass--After Spring break the S.A. will sponsor a "Keep off the Grass" campaign. Doug will see Mr. Vines about getting 25 signs made.

NEW BUSINESS

Student Handbook--Dean Lawyer requested that the S.A. look over the handbook to see if there are any revisions we would like to make. The council is to be thinking about this for the meeting next week.

Policy on Heber--The council discussed the present policy concerning students going to Heber Springs. After careful consideration, Karen moved that the S.A. make no recommendation. Motion carried.

Elections--Elections for S.A. officers will be April 14.
Telephones--Some of the council members attended a dinner given by Southwestern Bell. They discussed the present condition of telephone circuits at Harding. On May 18 new equipment will be installed to alleviate the shortage of circuits. This will allow for more lines to be used simultaneously. Also, they are having every room in the new dorm being built wired for telephones.

Powderpuff Game--John said that the Bison Boosters have tentatively set April 13 as the date for a powderpuff football game. He suggested that the S.A. provide refreshments and make it an all-school party. Definite plans will be made later.

Friendly Week--David will check the school calendar and decide upon a week for the S.A. to sponsor Friendly Week.

The council adjourned at 9:57.

Respectfully submitted,

Stevie Green, Secretary
