The meeting of the S.A. was called to order April 20, 1971, at 6:02.

COMMITTEE REPORTS

Constitutional Committee--Dr. Ganus approved of the revised S.A. constitution with a few changes in the wording. The constitution will appear in the next issue of the Bison.

UNFINISHED BUSINESS

"Keep on the Grass" Campaign--Twenty-five signs have been completed and will be placed around campus Wednesday morning. Gerald and Buddy will take charge of setting out the signs.

Ticket Sales--Sales for the Kenny Rogers Lyceum are going rather slow. Only about 900 of the reserved seats have been sold. It is important that we have enough student body participation so that we may have popular lyceums in the future. Students may still purchase tickets in the office of Mr. Vines. Prices are $3.00 for reserved tickets and $2.50 for general admission.

Track and Field Day--Stevie checked with Yarnell's Ice Cream Co. about ice cream for Track and Field Day. They will deliver 90 dozen six-ounce cups of ice cream for $1.20 a dozen. Miss Hart said she could order the strawberries. Stevie moved that the S.A. provide strawberries and ice cream and entertainment on Track and Field Day. The motion carried. She will check with Mr. Beck.

Friendly Week--The council agreed to call Friendly Week "A Few Friendly Days." Sara is working on the activities and will present a schedule at the next meeting. The date is May 10-14.

Singing Travelers--The "Singing Travelers" from Pepperdine will be on campus for a performance May 17.

Black Student Recruitment--After discussing the situation of the black students on campus and their limited social life, the council agreed that Harding needs a conscientious recruiting program for the recruitment of black students, using black students from our campus.
Wayne will check with Fred Alexander and see if some of the council members can get with him and help plan a recruiting program for next year.

NEW BUSINESS

Entertainment Conference--Wayne gave the report from the Entertainment Conference held last Saturday at Henderson College. They discussed possible groups that both colleges would like to get. If a group is agreed upon for both campuses, the price will be less expensive.

Committee to Aid Americans in Canada--Wayne received information explaining aid to those Am. who leave or who are contemplating leaving the United States. It is not an enticement or encouragement of desertion or draft evasion, but gives valuable information concerning what happens to those who are already in Canada or who may be there in the future. Anyone wishing to read this information may see an S.A. member.

Pay phones--Mrs. Jaynes has requested that more pay phones be put in the New Women’s Dorm. Stevie will check with Lott Tucker.

Maypole--The S.A. will buy a new maypole (the old one seemed to have caught on fire). The cost for a pole and streamers will be about $30. Any clubs interested in helping with the cost may contribute $1.00.

National Cancer Authority--Gerald brought up the fact that a new bill will come before the U.S. Senate which calls for a proposed National Cancer Authority to devise better methods of prevention, diagnosis and cure of cancer at the earliest possible date. Every citizen can help to get this bill passed by writing to their Senator, Senate Office Building Washington, D.C. 20510. Your message need consist of only three words: "Vote for S-34." And sign your name, please.

Room reservation fees--At the suggestion of many students the council agreed that students should be allowed to pay the $25 room deposit fee in the summer. Many students are unable to pay at this time, but would be in a better position to pay after being employed for the summer. The S.A. suggests that students be allowed to extend the time of payment until July 15. Stevie will talk with Dean Campbell.

Prayer Day--The council made plans to have a "prayer day" for May 5. They discussed plans for a sunrise service, a prayer breakfast, prayer chapel, signs placed on campus, evening services on front lawn, and Bible readings on campus all day. The administration will be consulted for their approval.

The regular meeting of the S.A. next week will be Wednesday at 8:30 p.m. The council adjourned at 8:00.

Respectfully submitted,

Stevie Green, Secretary
