Mr. T. Pierce Brown
413 E. Main Street
Manchester, Tennessee

Dear Pierce:

I understand your building construction is now under way and I know you are happy to see it start. We would like to have you preach here on either June 18, July 16, or August 20, if you have any vacation coming this summer.

I know you stay booked-up with your meetings, but I thought you might have one Sunday that you could be with us. At the present time these are all tentative dates due to the fact that Brother N. B. Hardeman may be with us on one of these dates, but if there is a possibility of you being with us please let me know as to which date it might be.

We send you our best regards in the good work you are doing.

Fraternally yours,

John Allen Chalk
