Satyagraha.

In 1930 the world watched while a scruffy little brown-skinned man and a few followers slowly walked one hundred and seventy miles to the Gulf of Cambay, where the little man made salt from sea-water and launched a campaign of non-violent resistance to British authority. January 31, 1948, the man carried my life to its end. No, not his ninety-eight but what is summed up in the term applied to him by hundreds of millions of his own people. Gandhi, the "Great Soul," the "Lion of Truth," the "Self-Realized" one. How could he be wrong?

Recognizing God by Charles Debray

If we are to meet my room mate in the next life I will do my best, but I am not sure whether he will find me. I am not sure whether I will find him. I am not sure whether we will find each other. I am not sure whether we will find God. The thing is that we don't know where we are going.

Alumni Echoes

Mr. and Mrs. Dick Moore are now living in Cleveland, Tennessee, where Dick is preaching for the church there. Dick is a graduate of ’47 and was a member of the Sub-T ’46 club.

I’ve heard of a man who is a member of the GAYA club, is now Catholic, but has never taken his orders.

Mr. and Mrs. Orlo Copeland are now living in Little Rock, Arkansas. Orlo is a graduate of ’40 and was a member of the Sub-T ’43 club.

Mr. and Mrs. Harum Turner, ex ’47, I understand, are at Abilene Christian College, Abilene, Texas. Harum was a member of the Sub-T ’47 club, and Mrs. Turner, the former Derelict, is now married.

Imagine Richard, ex ’47, now teaching business in the school system at Quitman.

Oh, by the way, the man I am referring to is named Diwakar from India. He is a student of modern Hindu philosophy. He says the world is full of ignorance and that people are just waiting for the right moment to come along so that they can start educating others. He is a great leader and has inspired many people with his message of love and peace.

Miss Zelma Bell, Dean of Women, helps freshman Betty Blair with the results of her Kuder aptitude test.

Harvard is often pictured as a school where you can trade a shoe-string, plus determination, for a shoepin. Legends are atting about students that come to Harding with 50c in their pockets, and leave four years later with a Harding with the results of her Kuder aptitude test.

First, he had offered it to Mrs. J. D. Phillips, he also opened his store, and asked her for permission to mortgag the place, but Zelma asked to see Miz', and asked her for permission.

After everyone had some burned his inside enough, we accepted the chair and the plan, and toured around the themes - praise, work, God as our shepherd, and submission to God. They also sang "My God and I" and other songs which are traditional with the chorus.

The program was closed with "Softly and Tenderly". During the program several of the boys gave short talks which were intended to help a newly begun young people’s meeting.

At the evening program in Nashville, the chorus sang hymns which were selected at random by members of the chorus. Also included in the program were several of the songs traditional at Harding.

Just as the group was leaving Batesville, mechanical difficulties arose with the bus. The local Chevrolet Garage was closed, but its owner, Mr. Stanley Woods, opened the garage and repaired the school bus. He also opened his reception room for the chorus, and the members of the group played games and sang hymns until the bus was ready to go.

GIRLS’ BASKETBALL

Showalter Leads Orange
To 20-19 Victory Over Black

In an exciting game which was close all the way, the Orange team edged out the Blacks 20-19.

The game was hardly a minute old when Abbie Showalter sank a free shot for the Orange. The Blacks, however, bounced right back with Gwin Futrell scoring 2 points on a fast break. The quarter ended with a 6-6 tie.

In the second quarter Catherine White and Showalter teamed up to make the score 16-14 in favor of the Orange team.

3 points. The score at the end of the quarter was Orange 19, Black 17.

Some real guarding was witnessed in the last quarter. Mary Jo Lawyer collected a free toss, and scored a field goal.

5 points, with Ann Moorer and Betty Jo Thompson scoring 2 points each. I. B. Thompson sank a free throw. The Blues were off the court.

The first quarter ended 7-4 in favor of the Reds.

In the second quarter Catherine White and Showalter teamed up to make the score 16-14 in favor of the Reds.

The third quarter was very even. The Reds gained only 3 points, and the game was 20-19.

Then I pass it on to you dear reader. Do not do (please) come around with your opinions, we are already enough bewildered on the subject.

The Great Sea
(Continued from page one)

The sea is beautiful and serene. With another view, the sea is vast and mysterious. The sea is a never-ending cycle of life.

The sea is also a place of mystery and wonder. It is a place where the ocean waves crash against the shore, and the sky meets the sea.

The sea is a place of beauty and wonder. It is a place where the sun sets over the horizon, and the stars shine in the sky.

The sea is also a place of danger and mystery. It is a place where the storms rage, and the tsunamis crash against the shore.

Coons Take Elks in Easy Win 72-30

The Coons running true to form, overpowered the Elks with blaring the boot for 72 points against their opponents to stay on top in the Celtic league.

During the first quarter the Elks held the Coons at bay, but marked strong with Vall's Coons gained momentum in the second quarter and went on to win the final whistle. The Elks staged a rally in the third quarter and made a desperate effort to battle but were finally sunk by two sturdy green jerseys of a superior Coon Cine.

Lester Perrin has scored the most points in a quarter for this season. Les hit against the Wrens. The Hawks last to the Robins have been in a steady state which was absent. Could Les have made up the difference in his men's teams string of victories had he been in the right place, the captain of the Champion Prince, Bennett was one of the best men on the team. He is a team player, a good spiker, and a good sport.

The Fighting Hawks made the free throw contest. He bit 18 in a row last week and may give Cecil Beck, last year's winner, some competition.

Bucks Edge Past Mules, Win 36-30

The fighters bucked a weak rally from the Mules to win 36-30. The Bucks took an early lead and were never headed. Gene Showalter led the Bucks with 16 points and Morris Harrison added 14 points in a drubbing a weaker Elks team 72-30. In the second half, the Bucks piled up a 27-10 lead and the Mules tried to catch up, but could only close the gap and trailed by six points at the game's end.

The Mules showed great improvement at the charity stripe sinking 12 out of 23 attempts. The Mules made only 6 out of 19 tries. Joe Barton played well for the Bucks off the backboard.

Wrens Beat Jays For First Victory

Wrens turned in a nice game in ruling by 14 points in leading the scoring for the Wrens. The Jays made fewer mistakes and closed it out splendidly by Junior Fowler with 11.

The Jays were a close game all the way as the Jays stayed in striking distance most of the game. They trailed by five only points at the end of the third quarter and fell back quickly when George Reagan fouled out in the closing minutes. The Wrens led the Jays 33-25. The Wrens played well for the winning scoring 14 points each. Archie Edwards led the Jays with 14 points; Sherrill Summitt hit the basket for 7 points.
