**A WISH**

Mine be a cottage by a hill.
A little one, my dearest, just a little one.
A village church among the trees,
The sound of bells to swell the breeze.
A stranger shall unlash my door
As clear a bell as ever done before.
And then obeying my request
He'll share my meal, a welcomed guest.
According to my wish I'll view
Those daffodils that drink the dew.
And watch the brook that turns the mill,
From my cottage by the hill.

HOGS UPSET FAVORITED COINS IN 42-41 THRIER, TIE FOR FIRST

Last Minute Coon Rally Falls Short

The fast improving Hogs scored one of their season’s finest victories Friday night by handing the Coons their first defeat of the season in a 42-41 thriller. Playing without the services of Arrell Wall, the Coons trailed the Hogs during most of the game, but the margin never became decisive. The Coons and Hogs tied for first place at 13-2.

The Hogs, paced by Steve Eckstein, jumped to an early 5-1 lead and led 13-10 at the end of the first quarter. The Coons fought back in the second period to within one point as they trailed 23-22 going into the second period to tie their lead. Third quarter scores favored the Hawks three times over a stubborn Eagle five.

The Coons took the ball down the court and went down court fast as they tied the game. With the score tied 41-41 and 6.14 seconds left on the clock, Hubert Showalter, who was good for 21 points, found his job unfinished.

The Hawks showed improvement in their passing and their defense. They were slow to react to the defense and their passing was exceptional.

Sparking the Hogs’ attack was Dean Ashcraft and Theodore Parmer, who scored 14 and 13 points respectively.

The Hawks lost too much for the Coons.

The Hawks held the lead all the way in offense and with a tight defense they were able to restrict the scoring of their opponents to 2 points in the first quarter and 4 points in the second quarter.

The second quarter saw the Hawks scoring consistently on the glass. Each team scoring points and the ball ended with the score reading 6-7 in the Hogs’ favor.

The losing team’s troubles started early as they knocked 10 of 14 tries. The Hawks did not waste any time setting up for a fast break and got the ball through the hands of Sam Moore, the leading scorer in the league, for 4 out of 14 attempts while the Hawks made 3 of 9.

The Coons scored the third quarter of play, 15-12, not only to increase their lead to 32-25, but also to set a new scoring record for the Coons.

The Coons Over Bucked in 68-44 Victory
