A regular meeting of the Student Association Executive Council was held Tuesday night, October 31, with Tim Geary presiding.

All council members and Dr. Barnes were present. Dean Altman and Dean Campbell were present for the first part of the meeting.

Christian College Conference- Mike Justus, Donna, David, Nancy, Bev, Karen, Jo, Pat, Stephen, Dewitt, Dean Egly, Dean Campbell, and Dean Altman will leave Wednesday November 1, for the Christian College Conference in York, Neb. A proposal to have the conference here next year will be presented.

Homecoming--Many thank you notes are in order for the fine help given to the S.A. during Homecoming weekend. Pat will see that letters are written. Mike Justus moved that we purchase a plaque to show our appreciation for faculty participation in the parade. The motion carried.

Cheerleaders-Martina Peacock talked with the council about a new way to elect cheerleaders. Many schools in Ark. have switched to having judges from other schools rather than electing cheerleaders by popular vote of the student body. Mike moved that David House and Cindy Cates approach the Athletic Committee for re-evaluation and possible revision of the present cheerleader election procedure. The motion carried.

S.A. Movie-Because of the presentations of "Animal Farm," Stephen moved that we try to change "Wait Until Dark" to the weekend of the 17th and if its not possible, leave it at the 11th. The motion carried.

Bridal Show-Modern Bride magazine has offered to present a bridal show for senior girls, Nov. 16 at 7 p.m. Bev moved that we put Pat in charge of promoting the Modern Bride seminar. The motion carried.

Christmas Party-Randy, Jerry, and Mimi, three of the performers who appeared in the Homecoming talent show are available and willing to perform for an all school program. Mike James moved that we secure funds from Dr. Barnes to get them on December 3 for the all school Christmas party. The motion carried. Mike Justus moved that Tim appoint three people from the council to begin work on the Christmas party. The motion carried. Pat will be in charge of the annual Toy and Dolly Drive.

Music-- It has been suggested that we try to have music playing from the student center each Friday afternoon. It was mentioned that last time we did this during Homecoming the music was too loud and disturbed several classes in the American Studies building. This would be considered if we should have it again. Dr. Barnes will see about getting the necessary equipment.

The meeting was adjourned at 8:15.

Respectfully submitted,

Pat Johnson, S.A. Secretary
