**Time Is Of The Essence**

Less than four more weeks of school! This thought means millions of different people. To some it means reunion to family and old friends; to others it means another reunion to family and old friends; to others it means another.

People fall into your life like pebbles into brooks. There is a splash, a ripple, waves go out in all directions, all is set-worse for the student than to finish a school year, earn the most enjoyment out of these few weeks we can. Don't waste it, because you can never recover it once you have it.

**BISON SPORTS**

("Bison Sports" is written again this week by Ernie Willerson, recently added to the sports staff.)

Well, looks like one of the predictions I made last week came true, the Sophomores in the track meet. However, that seems to be the only one although I was almost right in predicting that the Chicks would be defeated because they were

Max Mowrer Leads Cards To 10-1 Win Against Red Nine

Max Mowrer tossed a five hitter for the Cards Tuesday afternoon to easily down the Reds. Mowrer's control was perfect as no Red walked and 10 went down on strikes. The Reds scored their only tally in the first inning when the Card right fielder misplayed Norman Stewart's fly and it fell for a double. Stewart scored on an infield out and a wild pitch.

The Cards scored the game up in the bottom half of the first on three runs on three hits and two errors. The Cards really ran wild in the third inning scoring seven runs on six hits, four of which were hit by Jimmy Miller. The Cards added two more in the fourth on a single by Dwight Newcomb and a wild throw by the Giant fielder to make the score 11-1. The Cards added their last tally in the sixth on a walk-off single by Baldwin to make the score 11-1.

Most of the chaps seem to have fairly good swimmers as so it seems that it could be anybody's contest.

A vote of thanks to Coach Berryhill for the hard work he did in preparation for the track meet last week. The only time that he has been able to get the college trackster at night so he was out there working after dark.

Congratulations to Jimmie Miller for raising the highest points in the track meet. Jimmie was the main spring for the Juniors and Doug the work horse for the First-Year, who since he scored 17 of the 14 points.

We did fairly well in supporting our classes last Wednesday, but we only had about half of the students there so I guess that everyone else relaxed for a class while they studied Biology or washed their weekly washing.

Max Mowrer is still pitching close to being unhittable. He hasn't hit three batters in any game, but three batters did lose their heads in Saturday's game at the plate. Mowrer's hitless record is now at 200.

**Horsehoes Finals Will Be Thursday**

Finals in the horseshoe tournament will be played Thursday afternoon at 6:00. Semi-finals will be held Tuesday and Wednesday. It is reserved for the Chicks since they have won every game this year. They will be playing in the final game.

As of now, the game of horseshoe seems to be won by the Chicks since they have won every game this year.

**Chicks and Blues Fight To 1-1 Draw**

The Chicks and Blues battled to a deadlock last Friday with the score standing at 1-1. The game was without a doubt the Chunler, Blue and Barron match, Charles Bole and Lloyd Wright were matched against Joe Cornelius and Gene Mowrer. In the third round, Wright and Bole defeated the quarterfinal favorites, Claude Lewis and Brodie Coe, who won the tournament last year.
