Bison Dons 'New Look'; Paper to be Printed On Harding Campus This Year

Lavender Designs Modern Nameplate

Featuring a modernistic nameplate designed by Tom Lavender and streamlined headline type, the Bison assumed a small four column width size this year. Mr. Homer F. Howk, college printer, will print the paper, replacing Mr. Ralph Van Meter, of Judsonia, who has printed the Bison for several years.

Tom Lavender, a junior from Memphis, Tenn., designed the new nameplate for the Bison. Mr. Lavender, an art major, has done a great deal of this type of work, including the design for the Harding college flag which will be presented to the school later.

College Church Plans New Building

Plans for a new church building for the college congregation. Plans for a new church building for the college congregation have begun to materialize with the appointment of Dr. George S. Benson and Mr. T. J. Trawick as the committee for raising the necessary funds and planning of the building.

The property now under consideration is facing Race street at the present location of the Harrison House. This ground is available of the entire block extending north. Construction is expected to begin in 1949 on the auditorium which will seat a minimum of 1000 persons.

College's Personnel Undergoes Changes With 15 Additions

Fifteen new instructors and staff members greeted the returning student body this fall. Some of the new personnel are on the campus for the first time, but five are Harding graduates who have returned to accept positions here.

Nelda Holton, speech instructor, holds a B.A. degree in dramatic arts from David Lipscomb college. Miss Holton's home is in Nashville.

Bill Skillman of Oklata, Oklahoma, has assumed duties as head of the speech department. Mr. Skillman is a graduate of Altus Junior college, Altus, Oklahoma; holds a B.S. from Oklahoma A. & M., a B.P.A. from University of Oklahoma, an M.A. from New York University and has done graduate work.

Do you want to send your own copy of the Bison to your family? If so, simply fold your Bison, address it, and drop it into the box provided just inside the Bison office. No stamps are necessary.

If you wish to have a regular subscription sent to campus for the year, submit the name and address along with $1.50, either through campus mail or in the Bison office.
The material parasite manages to save a generally speaking, reveals the fallacy in this proverb. Human beings are some of the lower animals are parasites by nature, some humans are by choice.

Generally speaking, there are three distinct types of human parasites, the mental, the material, and the spiritual ones.

A mental parasite expects others to do all his academic work for him, and expects to find his own name printed on a sheepskin at the end of the regular academic year by the senior year. The material parasite manages to save a substantial sum of money by using the personal belongings of his neighbors. Yet it is he who expects to receive the benefit of a better society and a superior environment that the spirituality of his associates can provide.

The most pathetic thing about parasites is that they are destroying their own future while at the same time they are losing contemporary friendships.

"Think on these things."

The sky is the limit," says an English idiom; and this idiom exemplifies one of our most neglected freedoms; that of climbing as high as we will.

Our nation was built, on the principle of climbing, for when the settlers came to America it was for the purpose of advancing themselves. Our history is enriched by a great number of people who worked for greatness and achieved it. There is the statement that every child born in America has a right to become president. It is a statement that every child born in America has a right to become president. It is a statement that every child born in America has a right to become president.

Since we are possessed of this great "freedom", it becomes our duty to put to it full use and to strive to rise to greater heights.

The sky is not the limit, there is no limit except that which you make for yourself; so climb.

How Does It Feel To Be On The Harding College Campus?

Audrey Shaefer: I feel that I have made the best choice. There should be more colleges like it.

Bobby Brown: I'm very glad to be here.

Alice Straughn: It seems twice as swell as it did when I first visited four years ago.

Al Taylor: It's a very friendly place.

Daisy Hall: Something new, something different.

Eunice Shumaker: It's a new experience, a world to me.

Marilyn Straughn: It's one of the best things I ever experienced.

Wynelle Watson: Better than any place I have ever been before.
GANUS AND BENSON
WRITE TEXT BOOK

"Constitutional Government and Americanism" is the title of the history textbook written during the summer by Dr. George S. Benson and Prof. Clifton L. Ganus for high school seniors.

The Economy Publishing Company of Fort Worth, Texas, is now editing the book which will be released to the public this fall.

The Texas State School Board is now considering using the textbook in the Texas Public Schools next year.

Selections For Men's Quartet Announced

The Harding college male quartet will be composed of James Walker, first tenor; LeRoy O'Neal, second tenor; Glen Boyd, baritone; and Paul Clark, bass, announced Prof. A. T. Ritchie and Mrs. Florence Jewell, directors of the men's and girls' glee clubs respectively. Selections were made from twelve applicants.

James Walker, a junior from Freed Hardeman college, is from Memphis, Tenn. He is majoring in music.

LeRoy O'Neal, a sophomore majoring in business administration, was a member of the small chorus and glee club last year.

Glen Boyd, a freshman majoring in music and Bible, came to Harding from Frederick, Okla. At Frederick High School, Glen sang in the boys' quartet and mixed quartet for three years.

Paul Clark, business manager of the Bison, is from Louisville, Ky. Paul is a senior majoring in English and was a member of last year's small chorus.

The quartet directed by Mrs. Jewell, will sing throughout Arkansas at various gatherings.

Morris, Cook Receive Music Scholarship

Bob Morris and Bill Cook have been awarded the Herren music scholarship for this school year, Mrs. Florence Jewell, head of the music department announced. The scholarship provides voice lessons each year for some students chosen by a faculty committee on scholarships.

Robert Morris is a sophomore music major from Maywood, Ill. He was the recipient of the Herren Scholarship last year. Among his campus activities last year were the male quartet, mens' glee club and small chorus.

Bill Cook joined the student body this summer. Bill is a senior from Paris, Tex., and is working on a B.M. degree in voice.

Before coming to Harding, Bill attended North Texas State college school of music for two years, and Abilene Christian college for a year. He was baritone soloist at both colleges for the a cappella choir, and held a voice scholarship at A.C.C.

For the past year Bill has taught music and directed the high school chorus at Mara Hill Bible School, Florence, Alabama.

Japanese Missionary Speaks Downtown

Wednesday night at the downtown church building, Mr. O. D. Bixler, missionary to Japan for some years, spoke on the present conditions and opportunities in that country.

"We need personnel," said Mr. Bixler, "Japan is looking for something to lay hold on. The communists are there. It is up to us in America to send to the Japanese people the right spiritual and moral values to improve their lives," Mr. Bixler stated. Following his lecture, Mr. Bixler showed a 30 minute film taken in Japan. Recognizable in the film were eight former Harding students. They were: Mr. and Mrs. Charles Doyle, Mr. and Mrs. Joseph Cannon, Mr. and Mrs. Virgil Lawyer, and Mr. and Mrs. R. C. Cannon.

Mr. Bixler spoke in chapel Thursday.

Watch our ad each week for your name!
HELLO THERE

. . . . it seemed good to get back to old familiar places and faces. We have to admit that we missed a few faces, but there are also a lot of new ones around. The column and I are glad to meet all you new comers!

. . . . it seems that there is at least one new PLACE. The new Industrial Arts Building is almost a showplace. And the Administration Building almost looks new with its modern tile floors and cool green walls.

OUR LIBRARY PLUG

. . . . is one of the things you can expect from this column. The literary is more ready to aid you than ever this fall, for a number of new books have been added over the summer.

. . . . for the week goes to a book by Dale Carnegie titled "Don't Worry." Says Carnegie, "prepare for the worst and expect the best."

KITCHEN CUTUPS

. . . . The change in cereal brands recently, has caused quite a fad of building the little paper houses which come on the cereal boxes. The kitchen especially has an unusual collection, for the kitchen workers have access to the cartons as well as the small cereal boxes. The cartons have whole streets on them. One small house has gone so far as to invade the Bison office.

. . . . the kitchen crew—by the way—really does a good job. We can speed their work by a little consideration on our part. If you stack your plates (three on a tray) and put all the food particles on one plate it would speed their work a lot.

OUR BEST WISHEs

. . . . go to all our friends who were married or became engaged over the summer. All the happiness in the world and a full life is our wish to you.

AND . . . . to all the new Harding students. It's a grand school. Don't let it change at all—not one iota—except for the best.

'Madam Butterfly' To Be Played At Hutville Establishment

With a hasty measurement of the door, and a breathless "Yes" into the telephone, the inhabitants of Hut 18 awaited the new arrival. In an anguish of anticipation they watched a delivery truck pant its way into the sacred precincts of Hutville.

The gentle hands of Bob Morris, Emil Menes, Dudley Spears, and Jack Plummer grasp a huge crate from the truck bed. Grunting and moaning, they deposit it in the corner of their hut. Eagerly Bob grasped a hammer and proceeded to demolish the box.

And there it stood, an upright piano ! ! ! Feeling perhaps that this was a moment for greatness, Bob Morris stepped forward, and laid a hand on her shiny side. In a deep voice trembling with emotion he turned to his comrades and said, "I christen you Madam Butterfly—please boys try to keep the payments up."

Mrs. Jewell Announces Selections For Sextet

Selections were made for the girls’ Sextet by Mrs. Florence Jewell, college voice teacher and director of the girls’ glee club. All the applicants were members of the girls’ glee club. The sextet will consist of Evelyn Rhodes and Dorothy Richardson singing first soprano, Bettye June Oldham and LaVera Novak singing second soprano, and Betty Ross Jones and Bettye Kell filling the alto positions.

Betty Ross Jones, a sophomore majoring in English, is from Sardis, Minn. She sang in the sextet and small chorus last year and is a member of the Jo Go Jo club.

Bettye Kell, a member of last year’s small chorus and glee club, is in the Jo Go Jo club. Bettye, a sophomore from Little Rock, is majoring in home economics.

LaVera Novak, English major, was a member of the sextet last year. LaVera, a GATA club member, came to Harding from Wichita, Kans. She is a member of the senior class.

From Longview, Tex., came Bettye June Oldham, a member of GATA’s. She is a senior and majoring in dietetics. Bettye June was a member of the small chorus and glee club last year.

Evelyn Rhodes a junior, will fill the first sophomore part for a second time. Evelyn, a home economics major from Wichita, Kans., is active in the small chorus, glee club, and the Jo Go Jo club.

Dorothy Richardson, sophomore attending Kilgore Junior College last year. Dorothy, a business administration student, hail from Longview, Tex.

New Men’s Dorm Well Under Way

An excavation is now being eastern corner of the campus for the construction of a new dormitory for men, which will be ready for occupancy by next fall.

The building, which will cost $350,000, will have 108 rooms and will house 216 men. Plans call for a completely fireproof building with metal furnishings throughout.

Each room will be furnished with two single beds, two all metal combination dressing and writing tables, two chairs, and a lounging chair. Connecting baths will be used throughout the building with four men sharing a bath. All rooms will be equipped with fluorescent lighting.

The building is to be heated by unusual finned tub radiators using low-pressure steam from the central heating plant.

A three room apartment for the director of the dormitory will be located on the main floor. Also on the first floor will be a completely furnished reception room. The building will feature an inter-telephone system, and its floors throughout will be covered with asphalt tile.

BISON SPORTS
by Ernie Wilkerson

The 1948-49 intramural season got off to a good start last Thursday with the faculty defeating the freshman by a large margin. So far the sophomores and the seniors seem to be the strongest contenders for the largest number of class championships. However, the juniors and faculty will be right in there pitching to disprove the preceding statement. The freshman are suffering from lack of manpower so we won't make a statement about them. Just wait and see.

A man would really have to go out on a limb to pick the winner of the class football tournament. The faculty will be hard to beat with men like Ganus, Pryor, and Berryhill. Key men of the senior attack should be Eckstein, Moore, Wright, and Starling. Junior main stringers will probably be Campbell, Beck, Wells, and Jackson.

The sophs have Bullington, Newcomb, Harrison and Gene Mowrer to strengthen them.

REDS TRIP YANKS IN CLOSE GAME

The highly praised Reds showed great potentialities in a sensational encounter with the Yanks, Saturday, by securing the opening round of play by the score of 9-8.

Elmo Hall, Red hurler, drove the winning marker in with a single to score Louie Ward from second base.

Scoring was begun in the opening frame as Steve Eckstein, Red captain and center fielder, drove one of Don Wilkerson's offerings deep into center field for a home run. Not until the fourth did the Yank swatters threaten as Max Mowrer, versatile first sacker, drove a tremendous triple into left field and scored as Curtis momentarily juggled the ball. However, in the opening side of that frame, the Reds had added three more tallies to their total. Mowrer's triple served as inspiration to the Yanks as they forged ahead in the fifth and pushed across three more in the sixth to command a four run advantage. Norman Starling drove a base on balls in the seventh, followed by ringing hits off the clubs of Eckstein, Vaughn, Curtis Ward, and Hall.

ATHLETICS DROP YANKS 10-3

Behind the "blupper two hit pitching" of Bill Williams, the Athletics continued their victorious habits by downing the helpless and bewildered Yanks to the tune of 10 to 3. In the opening frame the battering began with the first batter as Hugh Groover singled, and Mowrer sacrificed him to second. Newcomb came through with a double to put the sophs in the lead to stay. Two more singles netted two more scores.

Tigers Eliminate Cards With Score of 10-3

It was a cloudy afternoon for the game between the Tigers and Cardinals, and it was a dreary day for the Cards as the Tigers trounced them 10-3.

The Tigers scored three runs in the first inning as Howard Garner was hit by a pitched ball, and Stone stayed live on first as the Cards shortstop fumbled. That was the set up when Lester came up and doubled to short center, bringing in the first two runs of the game. Dwight Mowrer singled to right field, and Perrin came home with the third run. Istre's fly was caught in center to retire the side.

The Cards big inning of the game was the third when Williams, Bullington, Ennis, Peterson, and Jack Wallis each singled, starting a rally which came to a halt when Leckie singled. Perrin was out in the third and last run for the Cards.

ATHLETICS WIN OVER CARDS 9-6

The intramural softball season started off with a big bang as the Athletics moved down the Cards 9 to 6. The Athletics were led in their assault by Gene Mowrer who in four trips to the plate, slammed a homer, with one on base, to the left field corner, Dean Curtis matched Eckstein's homer with one in the same place. At the end of the slugfest, they were leading by six runs.

The totals for the game are: Reds: 8 hits, 9 runs, 1 error. Cards: 3 hits, 3 runs, 6 errors.

Faculty Scaps Indians In First Inning

An alert Faculty nine defeated an erratic Indian team 16-4 in a first round softball game. The Faculty took a lead in the first inning and sewed up the game in the second with a 6 run outburst. The game developed into a rout as the Indian defense collapsed. The Indians committed ten miscues in the field to give the faculty seven unearned runs. Mac McCurg deserved a better fate as he allowed the faculty only one more hit than the Indians got off Joe Pryor.
