Dear Brother Murphy:

I was happy to get your letter today and, of course, pleased to receive the invitation of the Elders. My schedule for 1961 does allow for some time in the spring. I would like to make it in April but that will depend on our College schedule here at Tennessee Tech. They usually allow a week's vacation at Easter.

If this time is not available to me I would have to come sometime in June. You may count on me coming next spring. I will notify you of the April dates within the next few days. If there are none I will send some dates in June.

I deeply appreciate your concern for my grandparents. They have been a major force in my life. Their goodness and humility have been great examples to emulate. Thanks again for this kind invitation.

Fraternally yours,

John Allen Chalk

P.S. I followed W.A. Bradfield in Rector, Arkansas. To follow him in Fulton would be almost too much! The only reason being he literally "cleans up" the available prospects! Hal
