The regular meeting of the Student Association Executive Council was held Monday, October 1, 1973 with Mike Justus presiding. The meeting was called to order at 5:23 p.m., beginning with a devotional led by Mike.

PRESENT: Mike Justus, Phil Herrington, Elaine Shipp, David House, Dan Daniel, Becky Cochran, Darrell Bruning, Mark McInteer, Brenda Dimitt, Lot Therrio, Nancy Cochran, Dr. Jerome Barnes, Charlene Dietrich, Robyn Smith, Chuck Heaton, Jo Ellen Stafford, and John Bruner.

ABSENT: None.

CAFETERIA COMMITTEE: Dan reported that a list of foods to be given to Dr. Ganus was being prepared for delivery sometime this week. He asked for suggestions to be turned in to him soon. Nancy said that she was still talking with people about possible solutions to the Pattie Cobb situation.

WEIGHTS: Mr. Tucker told David that he will have a definite answer to give the students by next week's meeting concerning a place to facilitate the weights.

CLUB EMBLEMS: Before giving his approval for the club emblems to be put up on the walls of the College Inn, Mr. Tucker said that he would like a formal recommendation from the Student Association to do so. Because of the controversy over the condition of some of the emblems and the placement on the walls, Darrell moved that we send a questionnaire to the clubs asking their opinions about rehanging the emblems. The motion was seconded and carried.

BOOK EXCHANGE: David moved that Friday be the last day for picking up books or money from the book exchange. The motion was seconded and carried.

LECTURESHIP: Mike asked each council member to personally encourage people to attend the activities of the week. The council will serve donuts Wednesday morning at 8:00 a.m. The women council members will serve at the coffee for visiting women at 10:00 a.m. Thursday.

LAWN SITUATION: Lot began discussion about the lawn situation by saying that students had asked for recommendation for keeping people from walking on the grass. Mr. Vines came to the SA office asking for help with the same situation. He said that he did not want fences to go back up because they were ugly and they were ineffective. He asked if we could help matters. Dr. Barnes said that in the past they had had the same problem, the problem not being keeping people from ever walking on the grass, but keeping people from wearing paths on the lawn. Dr. Barnes suggested that we initiated a "Keep on the Grass" campaign, putting up signs around campus displaying this message. Nancy moved that we support the "Keep on the Grass" campaign referring it to the publicity committee. The motion was seconded and carried.

OUTDOOR MUSIC: David moved that the Media Center through Dr. Barnes and Gilbert Nelson set up speakers to provide music on campus. The motion was seconded and carried. Dr. Barnes asked that the council use tapes which were purchased through SA funds and already approved. Last year several students abused this opportunity by playing music that was offensive to other Harding inhabitants.

EMERALD ROOM - substitute: Students had asked Becky about where clubs could have mixers now that the Emerald Room was no longer available. The Trophy Room in the American Heritage is available, but it costs to use it. David moved that Dan talk with Dr. Ganus about the fee for the Trophy Room. The motion was seconded and carried.

AMERICAN HERITAGE PARKING ZONES: Dan moved that we ask that the thirty minute parking limit in front of Heritage be extended to a one hour limit. The motion was seconded and carried.

PING PONG TABLES: Lot talked with Mr. Tucker about facilities for the ping pong tables. Mr. Tucker said that if a place could be found to house them the tables would be provided. West Dorm was suggested and will be investigated.

The meeting was adjourned at 6:32 p.m.

Respectfully submitted,
