The regular meeting of the Student Association Executive Council was held Monday, October 29, 1973 with Mike Justus presiding. The meeting was called to order at 6:15 p.m., beginning with a prayer led by Darrell Brunning.

PRESENT: Mike Justus, Elaine Shipp, David House, Dan Daniel, Becky Cochran, Darrell Brunning, Mark McInteer, Brenda Dimit, Lot Therrio, Nancy Cochran, Lee Trotter, Michelle Pullara, Dean Oliver, Dan Allan, Jane Groves, Robyn Smith, Charlene Dietrich, and Dr. Barnes.

ABSENT: Phil Herrington.

CARE PROJECT: Dean Oliver presented a service project for the council's approval. He set a goal of $2,000.00 to be raised by November 20. He said this $2,000.00 could feed 600,000 children, build 133 homes with less than $.90 per Harding student. The plan of CARE project is to campaign during the week prior to the Thanksgiving holiday recess. During this week an emphasis would be placed on the things for which the Harding students have to be thankful. After the money had been collected, it would be sent to the country of our choice in care of CARE. The motion was seconded and passed. Elaine and Mark were appointed to work with Dean Oliver on this project.

CAFETERIAS: The express line did not seem to be effective in Heritage Cafeteria. Mr. Rogers said that if eight people went through this line each morning, that would be enough to keep it open, but this standard was not met so the express line has been discontinued until further notice. If the list of suggested foods which Dan Daniel is in charge or presenting to Dr. Ganus does not seem to be effective, a suggestion from Oklahoma Christian College will be put into effect. This project will consist of plating a suggestion box in each of the cafeterias. The form to be filled out would consist of the following: 1) Comments on the food of the day; 2) the date; 7) a signature of the person submitting the entry. The suggestions would be gone through daily and a report taken to Dr. Ganus' office periodically.

PING PONG TABLES: Lot and Mr. Tucker have been trying to make available ping-pong tables for the students. Not being able to find a place to put the tables, they are asking that the students submit suggestions for the placement of the tables.

PHYSICAL PLANT COMMITTEE: Nancy reported on Mr. Tucker's response to each of the suggestions which she gave to him, including sidewalks, trash cans, cross-campus travel, and landscaping. Mr. Tucker is now working on each of these projects. New ideas submitted to the physical plans committee were: to have a better job done on trimming the hedges at the married students apartments; and to place more garbage cans in the dorms.

HOMECOMING: Becky Cochran is planning for two thousand people at the homecoming chili supper. It will be hosted at the Camp Wyldewood gym. One dollar and fifteen cents will be marked off meal tickets for this purpose. Serving will start at 4:15 p.m. on Friday, November 2. There will be a pep rally immediately following at Wyldewood. The parade committee reported that there would be two reviewing stands with announcers along the parade route. They asked that people try to string out along Center St. They also asked that people come out to support the parade for much work has gone into the preparation for it. There will be school and state celebrities in attendance. The Annual SA Reception is to be held immediately following the Homecoming Football game.

CLASS OF 74: Mike announced that the class of 74 will be featured in an alumni bulletin which will be prepared in conjunction with the fiftieth year celebration. He said that volunteer typists would be needed during the week preceding the Thanksgiving holiday recess and perhaps during the recess. A typing pool is to be set up for 12,000 invitations which are to be sent to Harding alumni. He asked the student support in this project, especially from the class of 1974 since it is to be the featured class.

MEAL TICKETS: Discussion was heard on whether or not a new system of meal tickets could be arranged for Patti Cobb. Nancy suggested that the Patti Cobb ticket be changed to include the amounts of money paid by the students as the Heritage ticket does instead of each meal being listed numerically. This situation will be discussed with Dr. Ganus along with the other cafeteria conditions.

The meeting was adjourned at 8:02 p.m.

Respectfully submitted,

Elaine Shipp
Secretary
