ABSENT: None.

CAFETERIA COMMITTEE: Dan reported that he had received a letter from Dr. Ganus which gave explanations for the complaints which Dan had referred to Dr. Ganus concerning the cafeteria conditions. Dr. Ganus said that he would try to get the specific suggestions such as more baked potatoes, chef salads, soups, ice cream, etc. implemented. A new suggestion turned in to this committee was that the lines be opened earlier on Wednesday nights.

PHYSICAL PLANT COMMITTEE: New suggestions for this committee are that the sidewalks between Keller and Grad be cleaned, and that more bike racks be placed near the American Heritage Center.

PROJECT "WE CARE": Mark reported that over $1300 had been collected and more money was still coming in.

TYPING POOL: Becky said that David Crouch postponed the typing pool until December 1 because of a delay in gathering materials.

GAMES AND EQUIPMENT: Elaine talked with Mr. Tucker about placement of the games which were once located in the Emerald Room. He recommended that the games be placed in the College Inn under the direction of Mrs. Lomax. There will be check out system provided. Dan reported that the free equipment used in the gym would have to be discussed with Dr. Olree which he was making plans to do.

LOST AND FOUND: The cabinet has been placed downstairs, but it was not built according to specifications. If it is not sufficient, then it will be replaced.

RENT FOR AMERICAN HERITAGE: Phil relayed specifics of the new policy which the administration has adopted concerning the American Heritage rental fee. All facilities of this structure are now open to student use free of charge. Scheduling is to be channeled through the AH desk. The Heritage Room is the only exception to the rule; its scheduling must be channeled through Mr. Tucker.

TOY AND DOLLY DRIVE: Brenda will begin work on this project after the Thanksgiving recess.

CHRISTMAS PARADE: This will be discussed at the Inter Club meeting of November 19.

BULLETIN BOARD FOR RIDES HOME: Lot recommended that the SA furnish the students with a bulletin board on which could be posted destinations of people who need rides and a way of contacting these people for people who could provide the rides. It was suggested that there had been a bulletin board meeting these needs in the Ganus Student Center. Lee volunteered to try to find the old bulletin board and put it back into service.

ENERGY CRISIS: The council received a letter from Arkansas Tech encouraging the faculty and students to use car pools. Dr. Carr is working on organizing a committee of Harding students to meet the crisis needs on our campus.
