The regular meeting of the Student Association Executive Council was held Monday, January 21, 1974 with Mike Justus presiding. The meeting was called to order at 5:25 p.m. beginning with a prayer led by Dr. Barnes.

PRESENT: Mike Justus, Phil Herrington, Elaine Shipp, David House, Dan Daniel, Becky Cochran, Mark McInteer, Brenda Dimitt, Lot Therrio, Nancy Cochran, Darrell Bruning, Lee Trotter, Michele Pullara, Dr. Jerome Barnes, Ben Sims, Gloria Burch, Teresa Mooneyham, Frank Rosch (KHCA).

ABSENT: None.

TREASURER'S REPORT: David revealed that the Council had gone approximately $600.00 over the budget for the first semester. The operating budget for this spring semester is approximately $1900 to $2100, with $500 of that budget needing to be carried over into the 1974-75 budget. David reminded the council members to sign for all cash that is taken out of the petty cash box. The Safeway account has been closed.

OFFICE HOURS: The new office hours are now posted so that students may have access to the facilities and services when needed.

PHYSICAL PLANT: Darrell recommended that the heating be checked for the Married Students' Apartments. A portion of the walls in the Heritage cafeteria need to be refinished.

APPRECIATION PARTIES: Due to the fact that there are so many appreciation parties that need to be given each year and in hopes that no organization will go unrecognized, the council discussed grouping the parties into fewer functions instead of giving individual parties. David moved that the SA combine the appreciation parties into two groupings, the athletic and the nonathletic. The motion was seconded and carried. Becky will come up with a list of groupings for next week.

RIDE BOARD: Lot said that Kandi Schroedel has drawn up plans which will be presented to Lot Tucker this week.

RELIGIOUS SURVEY: The handout has been prepared. The council was in favor of having the survey passed out this Wednesday if possible. Mrs. Johnson will confirm a date for this project through Dean Altman by Tuesday of this week.

ACCIDENT: Brenda, Dan, and Mark reported that everyone involved in the accident had home insurance except Ed Chesier. Dan moved that the SA give Ed $50.00 to help replace things such as clothing which were lost in the fire. The motion was seconded and carried.

EDITH SMITH: Concerning the letter which the council received from Edith Smith asking for an exchange of Christmas decorations for household supplies, Mike called the elders from the area in which she lived. Mr. Tucker recommended this action. The elders there suggested that it would probably be unwise for the Council to send any type of support, indicating that this was a wholesale attempt which had been used at various Christmas seasons. The project was dropped.

LYCEUM: Dan moved that we get the Vogues for a lyceum to be performed February 9. The motion was seconded and carried. The Council was urged to promote this lyceum.

GATA: Teresa Mooneyham, representing Gata social club, explained a new project which Gata hopes to maintain as an annual event. February 21 will be the first Winter Festival. It will be financed by Gata and will have two main purposes: (1) to give the basketball team a morale boost by centering the day around them, and (2) to make a financial contribution to the Sunshine School. A Winter Festival Queen will be selected, skits will be staged, and a collection will be taken for the Sunshine School.

WORK PARTY: Nancy moved that the SA sponsor a work party to make banners for the student center area. The motion was seconded and carried. David moved that Elaine chair the committee to take care of this party. The motion was seconded and carried. Becky and Nancy will help with this party.

TERRY SMITH: Mike began discussion about having Terry Smith introduced to the student body in an informal setting. Terry will begin work as associate minister at the College Church in February. The Council decided to extend an invitation for him to participate in a rap session in the Heritage auditorium shortly after he arrives in Searcy.
SOCIAL AFFAIRS: Ben and Gloria presented a tentative schedule of events for the spring semester. It is as follows:

COKES: Darrell mentioned that the quality of the cokes in the College Inn might not be as good as they perhaps could be. David volunteered to talk with Mrs. Lomax to see whether or not the quantity of ice in each cup could not be reduced.

CAFETERIA LINES: Michele brought to attention the fact that breaking in line was getting to be grossly unfair at the Heritage cafeteria. The Cafeteria Committee headed by Dan adopted this as a project to help discourage further unfairness.

The meeting was adjourned at 6:12 p.m.

Respectfully submitted,
Elaine Shipp, SA Secretary
