The regular meeting of the Student Association Executive Council was held Monday, February 18, 1974 with Mike Justus presiding. The meeting was called to order at 5:25 p.m. beginning with a prayer led by Mike.

PRESENT: Mike Justus, Phil Herrington, Elaine Shipp, David House, Dan Daniel, Becky Cochran, Mark McInteer, Brenda Dimitt, Lot Therrio, Nancy Cochran, Lee Trotter, Michele Pullara, Dr. Jerome Barnes, Ben Sims, Dave Bland (KHCA), Stephen Tucker, Robyn Smith (Bison), Kerry Brown, Steve Herrington, Howard Morris, and David Shipp.

ABSENT: Darrell Bruning.

RELIGIOUS SURVEY: KHCA, Downtown Church of Christ, and Westside Church of Christ were added to the mailing list of recipients of the religious survey report.

APPRECIATION PARTIES: Becky reported that the first Appreciation Party is to be given in honor of approximately 200 students on February 27.

WORK PARTY: Pam Hoggard is going to meet with students next Monday night to start making the Wyldwood banners for the student center area. Elaine said that the banners would be completed within two weeks. Students interested in helping with this project should contact Pam.

PHYSICAL PLANT: New suggestions added to the list for Physical Plant Committee were that curtains be supplied for the lounge and ping-pong room in Harbin Hall; that the driveway behind Keller and Armstrong Halls be repaired; and that area around the railroad tracks be filled in with gravel.

OPEN HOUSES: Nancy reported that Dean Wood and Dean Campbell agreed to have open house for men and women students on two consecutive nights. Nancy is going to ask WSRO to help regulate the observance of open house rules in the women's dorms. The SA requests that during open house hours all participants keep their doors open at all times.

CHAPEL SKIT: Nancy said that the skit which the council is to present in chapel cannot be approved until Dean Alman returns from a business trip. The purpose of the skit is to discourage students from breaking in the cafeteria lines.

COMPUTER DATING: Brenda reported that students were responding well to the computer dating program. The ratio of male applicants to female applicants as of today is two to one. An announcement will be made in chapel tomorrow to announce the final day of the project as being Tuesday, February 19. People will be in the student center all day Tuesday to take applications.

TREASURER'S REPORT: David House gave the approximate figures of $400-$500 from the SA Book Exchange and $2,089 from registration fees as the budget with which the SA has to work this spring semester.

RIDE BOARD: Lot said that the ride board will be built by this Wednesday and will be put at some appropriate location in the student center before spring break.

COLLEGE CHURCH MEETING: The meeting to be held by Jimmy Allen at the College congregation will take place March 17-22. SA council members will encourage attendance in any way that they can. Stephen Tucker said that there are to be prayer meetings held at various times on campus asking for the Lord's help in this effort. Letters and various other media will be used to encourage student attendance.

CONVOCATION: A special thanks goes out to all those who stayed for the convocation exercises last Friday morning.

LYCEUMS: Anne Murray will be performing on the Freed-Hardeman campus on March 4. Harding students may order tickets for this performance by sending $4.50 to Freed-Hardeman College, Henderson, Tennessee. The tickets will be sent back to the purchaser c/o their own Harding address. The Hoosiers, a noted entertaining group from the University of Indiana, will be performing on the Harding campus at 8:00 p.m. the night of Monday, February 25. Tickets may be purchased for 50c.
PARKING TICKETS: Nancy began discussion on an incident concerning a traffic violation which was fined for $5.00. Dan expressed the opinion that this particular fine was worthy of the $5.00 charge. Phil said that the policy of fluctuating fine charges should have a greater degree of cost stability. Brenda moved that the $5.00 fines be lowered to $3.00. The motion was seconded but defeated 6 to 2.

PARKING SITUATION: The parking procedure along Center Street in front of the art building is designated as Upperclassmen in the handbook. At the parking site it is marked as reserved, however. Nancy is going to enquire as to the reason for this seemingly contradiction.

MARCH 23 LYCEUM: Mac Davis has cancelled his engagement with Harding due to the fact that he is to begin taping a television series for the summer months. The agents have suggested Bobby Goldsboro as a desirable replacement for Mac Davis. Dan will make an announcement Tuesday in an effort to get student feedback as to whether or not we should contract Bobby.

CONVOCATION BREAKFAST: Michele conveyed the opinion of some students that the 60¢ charge for the continental breakfast at Pattie Cobb Friday morning was not a just price. When the cafeteria's supply of juices was exhausted students were still charged 60¢ for donuts alone.

VIDEO TAPE NETWORK: Dr. Barnes has been contacted about purchasing a video tape system. After having discussed it with the council it was decided that this system was not practical for student use at the present time.

The meeting was adjourned at 6:20 p.m.

Respectfully submitted,
