OLD BUSINESS

A. Social Affairs-Susie Carey
   Applications for new members for Social Affairs were taken this week. Twenty-five applications were received, but only nine will be taken. The ‘in consort’ date is being set. Suzie will write a representative from ‘Up With People’ and a tentative date on December 1 has been set. There will be two performances, and the social affairs will try and work with the community.

B. President’s Council-Cecil Wilson
   Most of the club presidents met on September 3rd and decided to start meeting regularly once a month. The club presidents are asked to keep the SA informed on their activities in order that we may be able to schedule major activities around them.

C. Constitution Revision-Roxie Whitmum
   The committee met last Sunday. They have decided to meet on Saturdays.

D. Calendars-Bonnie Ulrey and Nancy Palmer
   Letters were sent to all club presidents today asking their participation in gathering dates of events for school activities. Gilbert suggested that small cards be printed with the SA box number on them. This will be an aid to the presidents for turning in their activity lists.

E. Advertising and Public Relations-Jane Groves
   The committee met this week and plan to have a representative in each dorm to help with advertising for school activities.

F. Book Exchange-Lot Therrio
   The problem area this past week with invalid books being returned to the book exchange. Bambi moved that the SA not return any more money for the invalid books. The motion was seconded and carried.

G. Hilarity-David Johnson
   Hilarity is set for September 13 from 3:00 to 5:00. There will be a pop rally during the last half hour. Everyone plans now to come out for some fun and games. Mickey Boundery, Craig Jones, and Steve Harrington will MC the affair. The best is yet to come because there will be free ice cream for everyone!

H. National Leadership Meetup Conference-Bonnie Ulrey
   This past weekend Cecil Wilson, Nancy Cochran, Bonnie Ulrey and Nancy Canus attended the Leadership Meetup Conference at Arkansas Tech. Bonnie made a report on the conference and a copy of her report is available to interested persons in the SA office.

I. Clocks in the student center-Roxie Whitmum
   Two clocks will be made available for the student center. Our thanks to the Class of 1953 for donating $100.00 for the purchase of those clocks. Roxie also reported that the sidewalk condition between Fuller and Grad dom is on the fix-it list and will be taken care of by Lot Tucker. Attention to the married students in the older apartments. The parking spaces are being repainted, and you are asked to park in the appropriate spaces.

J. Movie Affairs-Gilbert Melson
   The movie situation is operating in the black thanks to the great movie attendance. Gilbert and the executive council decided that any derogatory slang regarding religion or race be left out of future movies. We will try to put forth our best effort in omitting questionable phrases. A schedule of the movies for this semester will be distributed to the student body.

L. Open House-Nancy C. talked to Dean Altman and Dean Campbell concerning the date of open house. It is tentatively scheduled for the tenth week. A committee was formed to incorporate friendly week. Bonnie and Tom will help with this committee.

NEW BUSINESS

A. Lines in the cafeteria-Lot Therrio
   We would like to encourage the student body to be considerate of one another in the cafeteria lines, for example, wait your turn in line instead of cutting, also try to help stagger your lunch hour so that the lines won't be so congested.
   We would like to thank Mrs. Karren for showing her consideration to the students by opening the noon meal earlier on Sundays.

B. Chaparral Program Committee-Lot Therrio
   The executive council is in charge of the chaparral program for September 16th. David Johnson, Richgie Poe, and Nancy Cochran will help Lot in organizing a chaparral program.

C. Physical Plant
   Mr. Lot Tucker and Mr. Bernie Vincent and their staff did a wonderful job on the campus this past summer. It appears that Harding has a beautiful campus. When you find time why not drop these men a note of appreciation. We would also like to encourage everyone to keep off the grass.

D. Fund raising for the projector-Bambi Bryan
   The executive council owes $500.00 on the new projector and we would like to get it paid this semester. There will be two benefit movies this semester to help raise this money. The first one is "The Sound of Music" on September 18th. A committee will be formed to think of new ideas for raising the rest of the money.

E. Posting the minutes-
The SA minutes will be posted on the bulletin board by the postman in the student center. Additional will also be posted in the cafeteria for interested readers.

F. Screens on the handball courts-
   Roxie will talk to Lot Tucker about the condition of the screens around the handball courts and that the lines on the courts need repainting.
