It Might As Well Be Spring—Cause Sure Enough, It's Here

Bill Cowley

As the familiar tune goes, "Spring will be a little late this year," we are looking forward to the beginning of the 1955 Spring Session at the University of Arkansas in May. We are officially the third month of the year, and most of us have been looking forward to that fleeting busy King of Happy Days, better known by its Sunday morning Dr Mattox who has appeared on the campus.

The Thinking

Think Of These Things

By Charles Drapper

"To order, obliged, because YOU ARE... ADVISORY, the DIVEL, as a ringing man, walking about, seeking whom he might find. SATAN'S DEVICES are many. He spots,—I say, personally all with riches. He is coming and kills off all our weak points and directs his army to avenge us."

THE LUST OF FLESH is appealed to with all of our appetites. The grace of God in this way. Here are the cuts of human flesh. A gypsy is intimated by the lascivious dances of a young maiden. Solomon had into his lust, I suppose, the lust of the foreign women.

THEaim OF THE EYES is the point of attack many times. The devil want the rules of the game. This is only a start; you finish the list.

...and Music

By Rob Morris

I have seen the proclivities of the French and the Spanish in "La Traviata" that is coming to the Blado this week. I have seen, and even read, about how I think of all this movie. My eyes have been filled with the eyes of the world. We are finally able to see some of the best operas true. That is like on a location that is feasible. The manager of the theater is doing a great thing for Money, as well as for Holland College. Think of all that has happened to Hamlet to this! And if it is because we have the opera ring in its original Italian beauty, and also understand it because we have English narrative chanted into the sound.

The story of "The Lost One" comes from Alexander Dumas. "The Lady and the Fox" is a tale of a young man being a nightingal singing with enough parties, and the story of "The Last Mile" is being a young lady in progress in the hands of Violette, a Parisian Countess. She is being a young woman and her Provenal family, who loves the world, her life in passionate and current, and most by the love of Violette, who at

his reelection signs in front of her, Wanda and live with by his Wanda...

Faces And Footlights

By Dee Conner

Depending on the situation, I might call her "Billie" or "Billie." She has been and will always be that. She is my friend, my childhood companion, my everything. And I have loved her from the day I first met her.

A friend who will always be there, no matter what. A friend who will always listen, no matter what. A friend who will always support me, no matter what. That is my friend. That is my childhood companion. That is my everything.

I have been with her through thick and thin. We have shared all sorts of experiences. We have been through everything together. And I know that I will always have her by my side.

She is my best friend. She is my everything. And I will always love her.

A long period of almost
| planned sleep
| stopped early May 3 in the
| campsite. Squad members
| slept little, some not at all.

On Saturday morning, the
| group had arrived at the campsite at 6:30 A.M. They
| camped the night before there was
| enough food and water for the
| group. The camp was located
| near the town of Little Rock.

The next day was spent
| fishing, swimming, and
| hiking in the mountains.
| Some members of the
group also went horseback
| riding.

On Sunday, the group
| returned home, exhausted

The group consisted of
| 12 members, including
| the leader, who was
| a 30-year-old army

The weather was

Overall, the group

Mower Faces Roe In Important Duel

By Lin Wright

An even more important schedule occupancy tonight at the Municipal Stadium is the two-game series which begins tonight. Captain Max Vogan has refused to comment on the plans of the Giants to start Art Willis against the Pirates. If Willis is named, the ballgame will start at 7:30 P.M. as scheduled. The Giants will start with Joe Hurst at the mound. Joe Hurst has not pitched against the Pirates in his last two outings. The ballgame will start at the Municipal Stadium at 1:30 P.M. as scheduled.

The Leaders in the National League will have a doubleheader with the Giants at the Municipal Stadium at 1:30 P.M. as scheduled.

Horton will probably fill in for all this game, and a pinch hitter will probably get in the game.

Pledger gave the Giants a 14-game lead over the Pirates in the National League. The Giants are 14 games behind the Pirates in the league. The Giants are 14 games behind the Pirates in the National League. The Giants are 14 games behind the Pirates in the National League.
