OLD BUSINESS

- A. Suzie reported that the concert with Timberline was a great success. There was a capacity crowd in attendance.
- B. FAMILY WEEKEND--Everyone please remember to tell your families about this weekend and the special activities that have been planned with them in mind. Remember the annual Bar-B-Q will be held in both catterias this Saturday at the noon meal.
- C. Bob reported that the movie this weekend will be "The Searcher," and it will be showing Friday night at 7:00 p.m. and at 9:00 p.m. Let's everyone support the movie committee and go to the big show this weekend!
- D. Physical Plant- Susan reported that many of the problems that have been brought up the past couple of weeks are being worked out. Some new complaints are some of the washers in the old laundry are getting oil spots on people's clothes. This is being looked into. It has also been brought up that the sidewalk behind the library is in need of repair. Please remember, if you have a problem of any sort, go to your representative or any member of the executive council, and we will do our very best to get them solved.
- E. Many of you have asked about getting the Student Center to stay open until curfew time, both on week-nights and weekends. This is being looked into.
- F. POLISH CHOIR--Keep in mind that the Polish Choir will be singing on our campus next Monday p.m. at 7:30 in the Main Auditorium. Let's all plan this in our schedule and come on out and hear them sing. This choir is already in the states, and has given several performances. All reports are that they have a fine and quite enjoyable show. It is free, so guys, here is your chance to take a girl out and not have to watch your bank account dwindle! Let's show them just how friendly Americans really are!
- G. Let's not forget the Lectureships this week. We will be having many guests on our campus, so let's make them feel welcome, as well as support the lectures and gain from them as much as possible.
- H. THE CARPENTERS!!!!!!!!!-- If you have not purchased your tickets yet, you can hurry on down and buy them early, or there will be tickets at the door. This is going to be a g-r-r-r-e-a-t one, folks!!!

We do not live in houses, but in heartbeats
Of people who share every day with us.
We grow rich in companionship.
The heart meets and greets its own
and life is glorius!!

Have a great week,

Julie Grobmyer
SA Secretary

P.S.

We need your 1950's cars!!! This year in the Homecoming Parade there will be a **cavalcade** of cars representing the 1950's. If you have a car from this time period, why not come on out, put a few streamers on your car, grease your hair back, put on your leather jacket, and drive in the parade with a few "kool kats" on the hood?!?!?!?! If you are interested in becoming as smooth a kat as the Fonz, then contact either Eric Tyler or David Johnson, and they will be glad to give you further details and put you in the line-up.
