OLD BUSINESS

- A.) Bob reported that the movie program made around \$50 on Ben Hur. Thanks to all of you who came to the SA Halloween movie and brought food for the needy of Searcy. The movie was really spooky, and most all of the people who were in attendance really enjoyed it.
- B.) Suzie reported that there will be a concert, Tuesday, November 2, in the Main Aud. with Mac Frampton. Tickets will be free with your I.D. in the Business Office. Seats are reserve. As a foot-note on the food raising and I might add, hair-raising, movie, The Creature from Black Lake, Suzie reported that there were around 300 cans of food collected. Thanks again to those of you who attended.
- C.) Mike reported that the faculty and students that he had talked to about Student Day Lectureships had given it a great response. It was a great success and the SA would like to thank all of you who participated in this event.
- D.) Susan reported that there is now a parking committee, and the parking situation on and around campus is being studied. We are now working on better lighting in the New Married Students Apartments. Another problem that will soon be put up for discussion and remedy concerns the washers and dryers in the Old Married Students Apartments. Remember, if you have a problem that the SA might be able to help you with, put a note in our new mail board that is on the wall outside the SA office door, or, talk to your representative.
- E.) Despite forbidding weather conditions this past week-end, Homecoming was a great success. It was cold, but that just called for more "togetherness" among those in attendance. The parade was really great, thanks to Eric Tyler and David Johnson and Dr. Richard Burt. The SA gives these three a tremendous THANK YOU!!!! Also, thanks to the Mighty Bison, who pulled through in a stunning victory. And, thanks to so very many others who helped to make the week-end extra special. Thank you, Mrs. Warren, for having the Chili Supper in Patti Cobb when at the last minute the clouds decided to fall.
- F.) The reason that there were no SA minutes for the last two weeks is that we were not here to meet. The 18th of October we were in the New Gym setting up for the Carpenters. Since this took about five hours that night, there was no time for the regular meeting. On Monday the 26th of October, most of the council was on the American Studies trip to Dallas. Also, since everything had already been worked out for Homecoming, there were no pending problems to be discussed.

NEW BUSINESS

- A.) For use of the music room upstairs in the Student Center, please call or come by the SA office atleast one day ahead of time. You must be on schedule to get the Music Room, so don't forget to make your reservations!
- B.) The Toy and Dolly Drive will soon be coming up, so everyone keep this in mind and start working ahead for it. Information will soon be sent out concerning this.
- C.) On November 11-14, members of the Social Affairs and some delegates from the SA Executive Council will be attending the National Entertainment Conference in Dallas to look at entertainment possibilities for the future.

"Ideals are like stars; you will not succeed in touching them with your hands. But like the seafaring man on a desert of waters, you choose them as your guides, and following them, you reach your destiny."

Have a nice day,

Julie Grobmyer
