A.) This past weekend, the Social Affairs Committee, five delegates from the SA and Dr. Barnes and Dean Altman attended the annual National Entertainment Conference in Dallas. We were there from Wednesday, November 10th, until Sunday, November 14th, attending sessions on better programs, brainstorming sessions, problems faced by Christian institutions, and various other subjects. We also got the chance to listen to around 30 different groups and watch them perform. We were able to screen them and decide which of them could possibly bring good entertainment to the Harding College Campus. We found several really great groups, and are in the process of setting up dates with them at this time. We feel that the conference was a great success, and hope that all of you will in time benefit greatly from our experiences. Everyone that attended the conference that had attended in previous years stated that this year was a really great year, and that the sessions were greater than ever. Bob was also able to look at some movie possibilities, and was able to talk to more good movie companies and establish a good relationship with them. We feel that this will only help us to be of better service to you, so, if you have any questions concerning something we may have seen or looked into, feel free to ask.

B.) Susan reported that the lighting situation in the New Married Students Apartments must be alleviated by the individual students. If you absolutely cannot afford to buy your own lamp, go by and speak personally to Mr. Tucker. There will soon be letters and numbers put permanently on the bleachers in the New Gym. Sweat pants are not allowed to be worn in the cafeterias. The washing machine situation in the Old Married Students Apartments have been checked into and will be replaced a few at a time. The machines in the old laundry that were getting oil on clothes have now been replaced. More songbooks will soon be placed in chapel. A proposal has been made about closing the library on Friday night and instead having it open on Saturday night. Any comments you have concerning this will be appreciated. Put them in the mailbox that has been placed outside the SA Office. The Colleg Inn will soon be open until 10:30 p.m. for a while on a trial basis. Again, pencil sharpeners will soon be placed in the dorms.

C.) Don’t forget about the Barbara Mandrell concert in the New Gym this Thursday at 7:00 p.m. This is a benefit concert for the American Red Cross, so everyone please come on out for it.

Never lose an opportunity of seeing anything that is beautiful; for beauty is God’s handwriting... a wayside sacrament...

Welcome it in every fair face, in every fair sky, in every fair flower, and thank God for it as a cup of blessing.

Hope you have a great day,

Julie Grobmyer
SA Secretary

P.S. The SA will soon sponsor another great snow, since everyone seemed to enjoy it. Next time we will try to have a little more snow and will invite it to stay a bit longer, since it put on a better show than we had expected. Special thanks are due to Mr. Jack Frost.
