Susan Called the meeting to order and then Mark led us in prayer. First on the agenda was some new business. Mike Patterson attended the meeting for Theta Tau and Tri Sigma to ask our support for a Fund Raising Project to send bibles to Russia. The proposed project is to have an all night softball game and raise money thru sponsoring. The tentative date will be Oct. 8th.

Many of the committees had reports last night. The SAC reported that we had a good turnout for the Freshman-Talent Show. The Cheerleaders made about 150.60 dollars to cover some of their expenses. Bob Freels, chairman of the MOVIES Committee reported that 7% Solution went very well, and no one was offended! The movie this weekend is Lawrence of Arabia, showing at 8pm on Friday and Saturday. It will only be shown once each night because of the length of the movie. I hope everyone is looking forward to HILARITY which is just two short weeks away! Boyd is planning lots of games, contests, and an auction. Our emcees for the afternoon will be Mickey Pounders and Craig Jones!! The SPIRITUAL LIFE Committee met this past week. Ross Cochran, chairman of the committee, says the group worked on improving the Lily Pool Devotionals. This coming Thursday night Bro. Ted Altman is going to speak a few minutes on Christian Personality-Developing It. For the next few weeks the theme will be on Different aspects of the Christian Personality. I think that it would benefit each of us to come out and hear what Bro. Altman has to share. So please come to the Lily Pool at 10 o'clock Thursday night. Fran Till, the representative to Physical Plant, had a meeting with Lott Tucker this past week. They decided not to put extentions into American Heritage because Students in that dorm can have phones in their rooms. We are trying to get KHCA radio station piped into the Student Center for your listening enjoyment! And Finally, Fran reported that there is not going to be any chain fence across the front wall. The Book Exchange will be giving back books and money this week only from 8-10 in the SA office. So be sure and come by. This week is Elections for the Freshman class. You freshmen, be sure and come out and vote, because these students took the time to run and they will be your representatives. And all you girls, the JOY fellowship is Sept. 24th from 10-2:30. It is on prayer, and I know each of us could gain much by attending this fellowship.

It has been brought to our attention that many students are not happy with the location of the club box. I would like to explain why we decided that this would be the most convenient place for everyone. Many people couldn't get to the post office and the whole area was congested when the box was behind the TV. The cubby hole in the Student Center was then tried, but it too received many complaints. We are trying to get the furniture moved away from the box now to make it easier to get to the box, but you see, this is the only other place to put it. So try a little harder to like it there. If you can think of a better place to put it then let us know.

"The greatest thing in this world is not so much where we stand, as in what direction we are moving."

For the SA,

Nita
