S.A. Minutes

September 27, 1977

Top of the News

Most of the S.A. Executive Council leaves Wednesday for the Christian College Conference in Abilene, Texas. The conference is a yearly event where student leaders gather to share ideas on ways they can better serve the students they represent.

COMM. Reports

PHYSICAL PLANT:

In response to student questions and suggestions the following was reported concerning Physical Plant.

The gravel parking lot behind Stephens has not been paved because at this time it is considered temporary. If a new women's dorm were to be built, it would be on that part of the campus.

Restrictions have been put on the bowling alley parking lot because it was too congested for local patrons.

Two facilities will remain open until 10:30 pm for student use all week. The snack bar in the student center will serve until this time, and the gates at Alumni Field will remain open so students may use the track for running.

HILARITY:

In the Hilarity auction Monday afternoon, \$150 was raised for the Emergency Relief Fund. The freshmen took top honors in class competition, winning the \$20 first prize. Boyd Jones reported that student participation in Hilarity was great!

STUDENT ACTIVITIES:

Alan Tomme and Benjie Nall, reporting for the SAC, stated that the New Orleans Symphony presentation last Saturday was excellent and that the concert was well attended.

Odds 'n ends

In an attempt to update the "look" of the SA's minutes, the Public Relations Committee with this issue has implemented some ideas designed to make the minutes more pleasing to the eye.

The modified newspaper format was suggested on the premise that if the minutes are visually appealing, they will be read more often and more thoroughly.

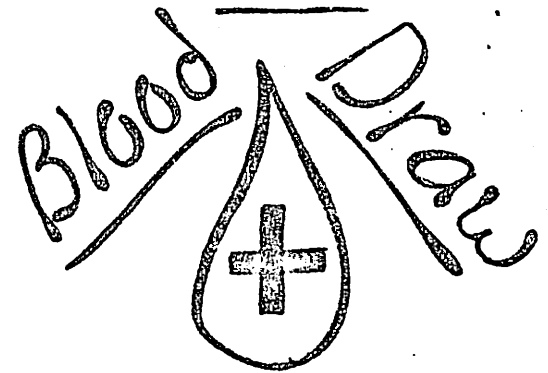

Present: Susan, Larry, Nita, Marsha, Russ, Lyndel, Fran, Boyd, Sarah, David, Ladonna, Dr. Barnes, Kandy, Ross.
