STUDENT ASSOCIATION MEETING

November 21, 1977

Present: Susan, Larry, Mark, Nita, Russ, Lyndel, Fran, Sarah, Boyd, David, Dr. Barnes, Brad & Ross.

Absent: Marsha, LaDonna, and Steve

Tonight's meeting was called to order right on time! First on the agenda was the decor for the campus for the Christmas season. Mrs. David Burks has graciously offered to help us decorate. Nita, Fran and Sarah will work with her. We plan to put Christmas trees in each of the girls dorms, heritage center, and possibly have one outside again. Christmas is just around the corner!

The SA would like to thank each of you who took the time to fill out the survey in chapel last Wednesday. We are in the process of tallying them and reviewing the comments. If you were unable to fill one of the surveys out there will be a table set up in the student center with a few on it for you to use. The results of the survey will be published in the Bison. Also the Spiritual Life Survey will be in the Bison.

This past weekend the SAC, Movie committee, and the Basketball team provided a lot of excitement. A total of 5 movies was shown. The group ROBIN performed Saturday night; and congratulations to the Bisons for a victory Friday night. Brad Watson, chairman of the publicity committee is working on plans for the SA to give an appreciation party to the Bison teams.

Sarah, Mark and Larry formed a committee to check into the food services of other schools to see how Harding compares and if there are any improvements we can make. From looking at the comments on the surveys this seems to be an important issue. (as always!)

The movie when we get back to school will be THE HIDING PLACE, showing Dec. 3rd.

Chapel, another area which had a lot of comments. In order to vary the programs some, the SA will start having chapel every other Thursday to bring in some student participation. One of these chapel programs will be an open SA meeting, Craig Jones and Mickey Pounders will also help us one day, Jonathan Cloud might perform, and a slide presentation on the SA so students will know more about what the SA involves. These are all tentative, and if you have any other suggestions, then let us know.

Fran talked with Mr. Tucker this week and made the following changes: Gravel in the trailer park, a repairs list in the men's dorms for any repairs, onions on the hamburgers in the Student Center, and he's going to find out why Heritage 2nd doesn't have an extension.

Trophies for club and class floats from Homecoming will be handed out in chapel sometime next week. Jonathan Cloud will be doing an oral reading in chapel this Wednesday. I think you don't want to miss this. The Student Council sends you speed and safety on your way home. Please be careful. Have a wonderful Thanksgiving; don't forget to be thankful to the one who gave us all. See you next Monday!

For the SA, *Nita Allen*
