Attention: James E. Eaton

Dear Brother Eaton,

I am happy that the brethren there felt free to suggest more preferable times for our proposed meeting. In your letter you suggested an early spring date or else a late fall date. I am very sorry that I would not have any available time in the early spring due to the work that I am taking at Tennessee Tech, which will terminate in June 1962. I would not be able to come in the Spring.

Let me suggest the following three dates, one of which I hope will satisfactory. The first is October 7-14; the second is October 28 thru November 4; the third is November 18-25, all of these, of course, are in 1962. If the brethren had rather have our meeting in the early spring, I will be happy to schedule a date in 1963.

I have just returned from a meeting in Dayton, Ohio, where we had 19 baptisms and 9 restorations. I will look forward to hearing from you in the near future.

Fraternally yours,

John Allen Chalk
