REPORTS

SPECIAL PROJECTS- LEADERSHIP CONFERENCE: Mark Fisk and His committee are to be commended for the fine work they did for the leadership conference that was held this past weekend. 120 people signed up to go. The conf. was very beneficial to those who attended. The Executive council will meet with the Special Projects committee this week to discuss the conf. and to make plans for next year's.

PHYSICAL PLANT- Fran told Mr. Tucker about the walkway between the Amer. Heritage and the Student Center and it will be fixed. Also many have complained about the street in front of New Dorm because of the puddles. Well, this is a city street so we are going to write the city and see if they will fix it. Plans are being made so that any student wanting to change cafeterias Feb. 1 instead of March may do so.

PUBLIC RELATIONS- The public relations committee is going to host a reception for the students from Pepperdine, who will get here next Tuesday.

SPIRITUAL LIFE- Some of this semester's activities will probably include a seminar by Mr. Watson on marriage. Also when the weather gets warmer we will try and have some morning devotionals and serve hot chocolate.

NEW BUSINESS

Academic affairs committee will be checking into having a DEAD DAY instead of dead week, where no classes or activities will be scheduled.

Have a good week!!

For the SA,

Nita Allen
