Dear Brother Fruzia,

I was very happy to learn of your calendar idea becoming a reality. I would like for you to send me one in view of using it in some of our classes. I hope that we will be able to order several in the next few days.

We have a lady in this congregation, approximately 30 years of age, who would like to have a place in a home like Shults Lewis for her and her two sons, ages approximately 5 and 8. It is my opinion that she would be able to do a creditable job as a house mother, etc. However, she is a divorcee, tho it appears that ample justification existed for the divorce. She is a faithful member of the Church, attending our services every time her work does not interfere. She would like to have a position by the first of the year. I might also mention that she has one year of college work, and appears to be very intelligent.

I hope that you will be able to reply in the very near future.

Fraternally yours

John Allen Chalk
