Dr. & Mrs. O. Clopton
Rector, Arkansas

Dear Brother and Sister Clopton:

I wanted to take just a minute to express my genuine appreciation for the kind treatment I received while staying in your home. Your hospitality was exactly of the nature that I like and from the beginning I felt right at home.

I do hope that Betty is feeling better though I don't suppose you all have heard since they left for Henderson.

Would you please send me the first name of Brother Moseley. I have a letter written to them and do not have his first name. Of course I do not want him to know that I forgot it, that is, if I ever knew it. I do remember the designation "bucket" but know it to be only a nick-name. I will appreciate it if you will drop me a card with that needed information.

Once again let me express my gratitude for your wonderful hospitality. It was a privilege to stay in your home.

John Allen Chalk
Fraternally yours,

John Allen Chalk
