Dear Bro. Warrick,

I received your letter and immediately ordered the book you requested. They may not have it in stock which will necessitate a few more days delay. However I feel that it is in stock and you should be getting it within the next week.

I hope this letter finds all the family in good health. We received Sister Warrick's card yesterday. We were already aware of little John Allen's illness. Carlene called us last Saturday and suggested to Sue that it would be fatal over a long period of time.

Sue and Mary Beth are visiting in Springfield this week. I told her when she left that the people here would think I was mistreating her because of the frequency with which she has gone in the last few months. She gets so much good rest that I never object.

Give my regards to all the folks.

Fraternally yours,

John Allen Chalk
