We Mark '30 For This Year

With this issue of the BISON, we complete another year of newspaper editing. And as this year draws to a close, we hope that the BISON has done its job well.

All the hard work which goes into editing a paper has been done with you in mind. You have made the news, and we have done our best in reporting it. It is no easy job to round up complete campus happenings, and sometimes news is a bit on the scarce side. We realize accuracy cannot be stressed enough, and though we have made errors, we appreciate your patience and continue to try to eliminate them.

The BISON underwent a "face-lifting" so to speak at the first of the year when we changed our format to a five-column newspaper. We hope you liked your new paper and the change has been worthwhile.

If the BISON has meant something to you and you have looked forward to receiving it, then it "serves a purpose that was not in vain." Staying up nights to meet deadlines, working over time in the print shop and tireless scouting for news has been pleasure on our part if we have made the BISON a real part of your college life.

From many indications, you have shown your approval—by sending it home or to friends—or crowding around the stack every Saturday morning. This has helped us to keep on the job, but out of sight didn't want you to down.

Next year we hope we can make the BISON mean even more to you. We want you to feel more keenly that the paper is yours and what you make it. We also want you to make us read it and enjoy it. The paper offers you such as your new paper and the change has been worthwhile.

The BISON is going with me to Harding. They are now living in Detroit, Mich., than the Rhodes, '53 and '52, have moved leave everyone. of having all the answers. Many

We want to serve you in the most effective way we can, and we can do this only through your cooperation.

Those Petit Jeans Are Really Nice!

Something always looked forward to each year is the receiving of the Petit Jean—and those which we received yesterday were "really worth waiting for.

Thanks to you, editor Shirley Birdsell, and all your staff who worked hard to produce such a nice yearbook. With the BISON office next to the Petit Jean office, we have noticed and have been aware of the yearbook staff—working and through the years of this year's Petit Jean.

Your hard work and ideas are certainly appreciated, and the books are something which will be treasured throughout the years.

Thanks again for a job wonderfully done.

Thanks

From us, the editor and business manager, we want to thank the staff, our sponsor Neil Cole and our printer, Herman West for their cooperation throughout the year. Those on the circulation staff who get little recognition for their tasks are important. Thank you, Shirley Ulrey, who has helped out in supplying news and information in a hurry. Bill Reed who has set copy at long stretches—your service has been invaluable and appreciated. And to all the others who have had a part in making the 1953-54 BISON a good one—thanks especially to you.

Class Projects Are Varied And Useful

A list of class projects have been announced this week including subscriptions to the "Arkansas Gazette" for reception rooms, a record player, and records for dining hall and song books for use in dining hall. The Freshman class is raising funds to provide annual subscriptions to the Arkansas Gazette to be placed in the reception rooms of Fitchie Cobb, Cathcart and Armstrong halls. This project is designed to relieve congestion in the reading room and give more students an opportunity to keep well informed on the current news happenings around the world. Dick Richardson is the group president. A record player with an appropriate selection of records for the dining hall has been taken care of by the Sophomore class. Sophomore president Wilfred Wright appointed George Kieffer chairman of a committee to select records for use on the player. The Junior class held the traditional junior-senior banquet as their project, according to Bob Nossman, class president. Owen Gilchrist, senior class president, stated the seniors had purchased 25 copies of "Great Songs of the Church" hymnals for use in the dining hall during their chapel worship services each Tuesday morning.

Bound volumes of the 1953-54 Bison will go on sale next week for $1. Lawrence Crawford, business manager has announced. Each copy of the issue includes the complete set of issues so that they may be available to those desiring a complete record of the year's happenings.

The chorus was led by Miss Trawick and was accompanied by the Academy orchestra, directed by Mr. J. D. Phillips.

Barons Keep Going Toward Pennant in Minor League

May 19 — The Barons continued their climb to the American League pennant with a 13-2 win at the hands of the Terre Haute Crackers. With Nelms on the mound, the Barons were in the driver's seat from the start.

In the fourth inning, Nelms' fourth home run of the season was hit by Vic Wilkerson. Then, in the fifth inning, the Barons scored five runs on four hits, including a home run by Don Johnson. The final score was 13-2 in favor of the Barons.

The American Studies building, located at the front entrance to the campus, is a model three-story office and classroom building opened for use last fall. It is the only entirely air-conditioned classroom building in the state of Arkansas. This building will be one of the seven to be dedicated at the celebration ceremonies June 2.

Scholarships Given Five Town Students

Scholarships in the amount of $4,000 were awarded to five members of the Searcy senior class by Dr. George S. Benson, Harding president, at a dinner given in the Emerald Room of Ganus Student Center Wednesday evening.

Calvin Raines, valedictorian, was awarded a $2,500 scholarship to Harding College with $800 to be used each year for a four-year period. Miss Mildred Taylor, salutatorian, was given a $1,500 scholarship to be used over a four-year period.

The three students rating highest in the senior class for the scholarship competition will receive $100 scholarships. Students rating fourth and fifth will receive $75 and $50, respectively.

Some oldsters just left a pressing impression. John Hillis hurled a two-hitter, while pitching off-and-on all season. Wahl Nelms led in games pitched, winning 21. Players will remember him for his perfect four-day-to-day at the plate and his five consecutive hits over two games.

James Heydenreich registered no perfect days but his three times getting three-fourths of four outs. The term team as a whole deserves praise for hitting almost .400 as a team unit.

Jack Burbridge led the minor league in games pitched, with Nelms leading with 13 hits and four home runs. Charles Thacker led with 13 hits and four home runs, while Don Johnson took the title with 31 hits and four home runs.

In the major leagues, there were also some promising players. The Indians locked up first but lost a game, while the Athletics lost out by losing one game and tying another.

The Reds scored off of the stale players in their first game, while pitching back-to-back. The White Sox never got started at all. The Faculty made a good first-half showing but their games don't count either way in the standings.

In the pitching department, Lehman Hall registered five victories to lead the league. Joe Raskel took the strikeout title with 62. Al Smith took the lead in the league with 45.

Sunny Sanders led the league in at bats with 26 and also in triples with two. Ralph Moore led in runs scored with 15 and took the batting title with .625.

Don Johnson took the hit title with eleven while four men, Ed Sever, Dan Miller, Frank and Johnson were tied with three apiece. There were six men registering one home run each. Craig Oman, Doyle Border, Leonard Johnson, Ralph Moore, Cliff Pfeif- wel and Sanders.

Barons Manager Nelms, Heydenreich and Copeland led the players in batting with Heydenreich coming in at .425, Nelms second with .400 and Copeland a close third with .294. Nelms led in games won with six and 41 strikeouts. John Hillis totaled thirty-nine men fanned from the hill.

In all, it was a very good season all around for the players and the fans. There were many ball games deserving to be watched and Harding can be proud of the baseball man that she is putting out.
Red Sox Take Win From Faculty; Pennant In Sight For Athletes

May 20 — Coming from behind, the Red Sox today iced out an errorless six-inning game by the score of 15-9. It was a loosely pitched game, and it was a loosely played ball game throughout.

Brown put three runners up the distance for the winning batters and allowed eight hits and five walks, facing eight. He pitched effectively in the first and middle innings. He retired the side in the second, fourth and sixth, with only a walk in the sixth marring a perfect performance for these three innings.

Beck also threw three runners for the Old Men and allowed nine hits to go with the three walks. He breezed a third strike past three swaters for the Sox. He pitched well in the first two and the last inning but the five runs allowed him two walks, one strike and three runs across in three big bunches.

The Sox scored their first five runs in the third inning on a triple by Harger, singles by Buddy Phillips and Bob Nossaman were the errors. Another came across in the fourth on Harger's double and Johnston's single. The last four came when Bobby Brown single and Carrying and Sanders hit back-to-back triples before another strike past three was the only thing by the Professor.

The Old Men scored one man in the first via Groover and a hit and two errors by the Sox. Three more came across in the third on Groover's double and Harger's single两只 by Beck and Cliff Gem. Two more came when Groover's fourth hit on singles by Hugh Rhodes and Glen Smith followed by an error made three.

Two last two were marked up in the second on errors by Beck and Nossaman. He jumped on Nossaman for singles by Black, Groover and Beck and three walks.

This was the day for extra base hits for the faculty. Three such triples were registered by each team as everyone swung for the tennis courts.

Groover with three out of four locations, single and double and Beck with a single and triple; and Gemn with a triple were the leading batters for the Faculty while Harger's two, single and double was a double and triple and Sanders led the pack of Red Sox.

Brown and Burrough Pitch Travs' 9-4 Win

May 14 — The Travs made one further step today in their des­ perate effort to defeat the non-challengers Chicks at last by routing them in the combined offerings of Dessy Brown and Joe Burrough.
