Vogue's Corner

By Charles Pitman

A fashion may be inspired by his­
torical or native costume. Evidence
of this is the strong Oriental in­
fluence in the fashion world this
season.

The clothing identified with
harem, or eastern costumes, is one
that tended to stay in style, as known
by the Persian costume.

Many of these fashions have
been accepted so long that they have
been regarded as permanent. Pumps,
pleated skirts, sashets and barettes
are only a few of the traditional
styles that have proved to be
successful over a long period of
time.

While a woman's apparel is initiat­
ded by the designers who have facili­
ties for producing and selling the
clothes they create, men's fashions
usually originate from some social­
ly prominent man who suggests to
him that his tailor change colors,

Organ music is, in my opinion, one
of the most beautiful kinds of music.
Sometimes I hope to try my hand at
those Instruments and learn to play it.
But the church which I and many of
the readers of this paper attempt to
serve is not an organ but rather a
configuration of people.

Why? Do we just want to be can­
taneous and different? No, that is
not the reason. We accept the Bible
as the source of our guidance. The
Bible does not authorize or sanction
the use of organs in the worship of
God.

Worship In Truth

"God is spirit, and those who wor­
sely love must love God in spirit.
"(John 4:24). To worship in word
and spirit is the truth of worship as
(God's Word, Jan. 31, 1971) directs.

Jesus promised that He would train
His servants to worship Him on a
cornerstone of the Bible. But even
if you are not a Christian, it is your
right to call upon the God of the
Bible to guide you and to lead you
to Him. Romans 3:26 says, "As many
as have believed in Him received
the power of the Holy Spirit to make
them saints.

Singing Specified

The Bible teaches that we should
"sing, and do not get drunk with
wine, wherein is debauchery; but

ung the Lord in song and in

A man or woman say that
instrumental music is permissible is to
allow a school, which unquestion­
ably keeps worshipers from singing.
The one who allows the organ must,
in all consistency, allow the band.
Some raise the cry that instru­
tmental accomplishment is not a part
of the worship but merely an aid to
it. They compare it, furthermore, with
the church building.

Since the building of church
music is not commanded in the
Bible, they claim that it is not only
obnoxious but also dangerous to

the church body. But, indeed, the
Church is not commanded to sing.
The Bible commands us to as­
semble on the Lord's Day to sing,
but it is general with no specific

requirement of the kind of music to
produce. In the New Testament,

Academy Wildcats Downed By Free-throwing Batesville

by JO ANN HOLTON

The Harding Academy Wildcats met their second defeat of the young basketball season Saturday night when they fell before the Batesville Southside Southerners, 38-32. Unseasoned and lacking of accuracy cost them the victory.

Neither team showed much finesse, and shots made from the outside were almost unheard of. Harding was able to connect only three times in 13 opportunities Southside whipped to 10 of 28.

Both teams were "off" from the field. They fired an identical 46 percent and lacked rhythm and lack of accuracy cost them the victory.

Basketball season for the Wildcats with seven points.

Johnny Matlock, at least athletically, was the bread and butter boy of Beebe versus Arkansas State Teachers basketball game played last week. He sacked up 23 points and was the Minstrelman's backcourt guardian all night. Beebe, by the way, lost the game but you can't blame it on Johnny.

Better Late Than Never...: We hope the Texas Longhorns of Harding College intramural football teams will accept our belated congratulations on their fine play and spirit throughout the campaign. It is no fun to lose the game. If you can recall, we placed them in a poor third in our pre-season predictions. They were headed that way and nothing changed their course. That something was battled, spirit and determination.

Outstanding on the team were Ed Flowers, Ed Powers and Ray Morris; but really on a chump was Bobby's high point of the season.

Bobby's high point of the season. The odds were against him, and yet he did it. He can take the rough stuff, and yet he did it. He can take the rough stuff, and yet he did it.

Much credit should be given to Miss Imogene McCallister, woman's physical education instructor, for the fine girls' intramural program.

Bobby Holmes, 180 Pound Senior Tack Is Harding's Academy's First All-Stater

One of the biggest reasons for Harding Academy's successful football team this past fall, was a well functioning forward and his accomplishment of this was that he held up a defiant pair of shoulders even when the screwing was toughest and the breaks were against his team. Who is the individual? You're right, Harding Academy's first all-stater, tackle Bobby House.

Robert Kissire is a boy who is a good find and that everyone.

Bobby Holmes was high for the Southerners with 10 points. The real heroes of the game, however, were Danny Crabtree, five for 11, and Tommy Dorris, three for four, in the free-column.

Harding led at halftime 17-16. The Cats' biggest leads were early in the first period when they jumped the Southerners 8-3, and in the second when they held a 25-16 lead.

Stouffer made eight longs, mostly in the early phase of play.

Johnny Adkins of Harding closed out scoring for the night when he dumped in a 15 footer. The basket secured the ball swished through the net.

Johnny Adkins had scored the winning two points the night before in Harding's 41-40 win over Beebe with only two seconds left in the game.
