Margaret Buchanan, Mary Hill, and Mary Anne Powell were named by the chapel audience yesterday as finalists for the fields of Walt Whitman’s manuscripts and faculty members are on display in the library this week.

The exhibition was collected by Charles E. Feinberg, President of the Feinberg Foundation, Detroit, Mich., to commemorate the one-hundredth anniversary of the printing of “Leaves of Grass”.

Students May Read

The Bison exchanges school papers with a large number of colleges in Arkansas and in other states.

Copies of these papers are placed on a rack in the Bison office which is located on the second floor of Gossan Student Center. Students are welcome to read these papers, but they are not to be taken from the office.

Last Week’s Paper

Contains 400 Names

Names make news they say, if this is so last week’s Bison really had the news. It contained the names of more than 400 students and faculty members.

Does anyone care to count them?

Tillie Watson Elected

German Club Veep

Tillie Watson was elected vice-president of the German Club at a recent meeting to succeed Jan Kim.

Bob Hare gave a report on his missionary experiences in Germany.

On the quick thinking of the man who can recognize the specter of persons, and the careless driver, a home economics major from A. E. Feinberg, President of the Bison will not sponsor.

Annual Christmas Party

Is Tonight After Church

By LOUIS ECKSTEIN

Highlighting the Christmas season at Harding will be the Student Association Christmas party tonight immediately fol­lowing services at the College church. All students are invited to enjoy this annual Christmas celebration.

The Harding College Chorus and Chorale will present a combined program of Christmas music in the large auditorium as the first part of the Christmas program.

Dr. Erie Moore will direct the combined groups.

Floyd Humphrey

Win Second Place in Forensic Meet

A debate team composed of Bill Floyd and Don Humphrey won second place in the junior men’s divi­sion of the fourth annual Forensic tournament held last week at the University of Arkansas, Fay­etteville.

Over 80 visiting speakers and coaches representing 9 colleges at­tended the tournament which was sponsored by the speech department and Tau Kappa Alpha, national hon­orary forensic society. The tourna­ment featured three divisions of de­bate as well as college category and extracurricularspeaking contests.

Judges of the tournament con­sisted of coaches of debate squads of visiting schools and members of the University faculty.

Others from Harding who attend­ed the tournament were Diane Mc­Campbell, Bobby Color and Dr. Evan Urrey, sponsor.

Fewer Chapel Speeches Please

The Bison shares the alarm of the administration at the student apathy toward the chapel, but it does not share its perplexity as to the cause. It is more the fault of the chapel programs that it is the attitude of the students that there is misconduct. Of the period, but that is no license to sleep or study during the program that follows. There is no way the administration can pay attention to the only way to solve the problem is to make the chapel programs more interesting. This does not mean that there should be pep rallies or hurried announcements that with a little planning the programs could be much better. There are several musical and dance groups that could perform, but there are comparatively few chapel programs. Most students enjoy singing, but there are few hymn shops.

Chapel programs do not have to be dry. There are dozens of opportunities for improvement, but the biggest single improvement would be to have a devoted at the beginning of the period, but that is no license to sleep or study during the program that follows. Earl Moss - Having a good time. Early Christian View Wagner's Feeling

"Almost for a thousand years Gregorian chant, without any instrumental or harmonic additions, was the only music used in connection with the liturgy," (The Catholic Encyclopedia, vol. V, p. 657.) Richard Wagner, a great musician of the 19th century, said: "The old Did not come about. It was not a price for the people. Likewise, bricks and mortar do not make a college. Harding is an institution being large, because it is small as colleges go. Neither can it be less of wealth because it is wealthy. We do have adequate buildings, but so do many other colleges. There are much the same as those offered in any other college.

HARDING BISON, Searcy, Ark. * 5

With only four minutes remaining in the game, Schwartz scored a touchdown from four yards out. This broke a 29-29 deadlock, and gave the Juniors a 30-29 victory over the Sophomores.
Juniors victorious in raging football contest are (L to r.) bottom row: Dewayne Davison, Sugar Stewart, Edsel Hughes, Charles Weeks, John White.
Top row: John Thornton, Dave Richards, Coleman Crocker, Stan Schwartz, Jack Meredith, Byron Futrell.
A bad second quarter in which the Badgers put up a 16-0 score was the difference between victory and defeat. Beebe swished their shots Saturday night, but they didn't shoot often enough and thus went down before the Nosemen, 6-2. This was Harding's third straight defeat. Their record now stands at 1-4.

The score was 24-17, Beebe, at the end of the first half. The Badgers had taken the lead early in the third quarter when they closed the gap to three points, 35-32. This made a showdown necessary to decide who would occupy the highest laurels in Class A, with only nine points separating them.

With only four minutes to play, there was a tie, 21-21. The Juniors' victorious extra point, however, can't be credited to any one man. The only bowl game that presents a solid club, but they are not a match for Swindon and UCLA. In the South the Frogs are the best.

The Bruins have their stars no doubt in backs Ronnie Knox, Bob Davoupont, Stan Brown and all American lineman Jim Brown, but they will take more than that to knock off the team that helped form Notre Dame 21-7. Only Michigan has beaten the Spartans, and it took a full team and an interrupted pass to do it. Any questions?

The Cats scored 22 of their 49 shots from the field, which is far above average. The Badgers had a good chance of getting a shot or two, but they never could score again. After this it was over and the Cats never even attempted to recover. They never did.

Wildcats Percentage High

The Academy hit 22 of their 49 shots from the field, which is far above average. The Badgers had a good chance of getting a shot or two, but they never could score again. After this it was over and the Cats never even attempted to recover. They never did.
