THINGS CHRISTIANS BELIEVE

World dividing into two Philosophies: Religiously spiritual and Purely Atheistic.

Communism is attacking the Christian Faith—helped by some American scientists who teach atheistic EVOLUTION.

Four great ideas comprise the battleground: SOUL, SIN, JUDGMENT and IMMORTALITY. (Victory: Pikes Peak: Wells: Etc.)

Ecc. 1:9 says there is nothing new under the sun. Expected:

I. BIBLE SAYS MAN HAS A SOUL AND ALWAYS HAD!

A. DR. WERNER VON BRAUN (Top U. S. Nuclear Scientist)

"Today, more than ever, our survival—yours and mine and our children—depends on our adherence to spiritual principles. These principles will decide whether atomic energy will be an earthly-blessing—or the source of mankind's utter destruction." (ABS, RECORD, March, 1965, page 42.)

B. Belief in the soul gives man a value beyond all human estimate, description or comprehension. Matt. 16:24.

II. BIBLE SAYS MAN'S GREATEST ENEMY IS SIN.

A. REASON some scientists, psychologists and psychiatrists deny sin is because they wish to hide from their own!

B. Belief in SIN gives man a Standard of Values to guide him:
   1. Belief in sin is our greatest protection. R. 6:23.
   2. George Eliot: "I could not live in peace if I put the shadow of wilful sin between me and my God."

III. BIBLE SAYS MAN'S SOUL WILL BE JUDGED AT JUDGMENT.

A. Dr. Von Braun: "From where does the desire for spiritual action come? What makes us want to be spiritual? I believe there are two forces which move us: One is a belief in a last judgment, when everyone of us has to account for what we did with God's great gift of life. The other: is belief in an immortal soul, a soul which will cherish the reward or suffer the penalty decreed in a final judgment.

Belief in Christ and in immortality gives us the spiritual strength and the guidance we need for virtually every action in our daily lives." (Ibid.)

IV. BIBLE SAYS MAN'S SOUL WILL LIVE FOREVER IN IMMORTALITY.

A. Dr. Von Braun: "In our modern world many people seem to feel that science has somehow made such religious ideas untimely or old fashioned. But I think Science has a real surprise for the skeptics. Science, for instance, tells us that nothing in nature—not even the tiniest particle of matter—can disappear without a trace. Think about that for a moment. Once you do, your thoughts about life will never be the same.

Science has found that nothing can disappear without a trace. Nature does not know extinction! All it knows is transformation.

B. Benjamin Franklin (scientist) said, "I BELIEVE that the soul of man is immortal and will be treated with justice in another life, respecting its conduct in this (life)." (Ibid.)

C. CONCLUSION: Von Braun: "Now if God applies this fundamental principle (that nothing just vanishes) to the most minute and insignificant parts of His great universe, doesn't it make sense to assume that He applies it also to the masterpiece of His Creation—the human soul? I think that it does! And everything science has taught me—and continues to teach me—strengthens my belief in the continuity of our spiritual existence after death. Nothing disappears without a trace." (Ibid.)

INV: Christians have always believed in the Soul, Sin, the Judgment and Immortality. Cannot be a Christian without it. Impossible. Rom. 10:17.

Truly great scientists and people in general cannot help believing God's truths when examine the facts.

The Christian Faith is man's greatest influence and guide to health, happiness and hope of the life to come.

Do you too want to become a Christian and enjoy the peace, security and comfort that comes to God's believing children? Mark 16:15-16.
