Nine Seek Council Offices
In Election To Be May 8

Dick Richardson, Student Association president, announces that the campaign for the election of the Student Association officers for 1957-58 officially opens today. The campaign will begin with the Tyson’s announcement of this year’s candidates, and will run through Tuesday, May 7.

An all-student body meeting will be held Tuesday night, May 7, in the large auditorium, where there will be speeches by each of the candidates and entertainments. The polls will be open from eight a.m. until four p.m. on Wednesday, May 8. Each student is urged to go to the polls and vote for the candidate of his choice.

Candidates running for the office of president or vice-president must be a second semester junior. The candidates for secretary-treasurer may be a second semester sophomore or a junior. All candidates must have a 2.5 grade average and must be approved by the Student Affairs Committee. Petitions for each candidate were to be in by noon on Saturday, April 27.

Candidates for this year’s election are: Bill Floyd, Garrett Timmerman, and Harold Vanderpool for president; Calvin Downes, Glenn Par-

Miss Harvey

Miss Andee King was crowned May Queen today at the twentieth annual May Fete which began at 5 p.m. Miss Nina Harvey and Miss Jane Wade were her attendants.

The festivities were held on the lawn surrounding the lily pond, with the Queen’s throne set before a white lattice decorated with ivy leaves. The Queen, preceded by the court and her attendants, crossed the bridge over the lily pond.

Before the May Fete activities began, the Harding College Band gave a short concert. They also pro-

Operation Polio Shots

Have you taken your three polio shots yet? The hot weather and "polio" season are upon us.

The second annual group inoculation will be made in chapel soon. The shots will be given in clinic form by the College Health Service if enough students want to take them. It is not too late for you to take these shots as after the announcement as possible, for all of the serum on hand must be used or the serum becomes useless. Cards will be handed out to all students under twenty-one to send in for approval for the shot.

If you are twenty years old or under you can get these shots free as the serum is provided by the Foundation for Infantile Paralysis; however, if you are above twenty you will have to pay for the serum. In a doctor's office the shots cost much more than here, because the inflation will charge only the actual cost of the serum.

The time consumed is very short. It takes only a few moments to administer the shot. Four cards are then made out: the first by the Infirmary, the second by the Health Department, the third by the Foundation for Infantile Paralysis, and the fourth by the student.

There is also a sheet on which the student's name is entered along with the amount of serum that is used. This sheet is necessary because every "of" serum that is used must be accounted for.

The second shot may be taken two to four weeks after the initial shot is given. The third and final shot is taken seven months later which will come during the fall semester.

This is written in the hope that you will avail yourself of this opportunity and that you will be a person who chooses polio and its crippling effects.

On a Sunday Afternoon

Have you looked around you on a Sunday afternoon at approximately 2:00 p.m. by the Harding Department, the third by the Foundation for Infantile Paralysis, and the fourth by the student.

The group from Harding is preparing for a lifetime service, and this is one way in which they are learning to do it. The students learn by doing. They share their time with the old folks and others who need it. The old folks at the farm look forward eagerly to the approach of the Lord's day, and for the Harding students to again associate with them. Their visits may be a means to an end of training for the Harding students.

The time consumed is very short. It takes only a few moments to administer the shot. Four cards are then made out: the first by the Infirmary, the second by the Health Department, the third by the Foundation for Infantile Paralysis, and the fourth by the student.

As Christ commanded the apostles even before the establishment of the church to go and make disciples of all nations, we are commanded to do the same. We must carry on the cause of the spirit and teaching, and we must carry on the cause of the need of the fore of Christ in the world, and a great world at that.

The whole, graduates of Harding have taken this seriously and the school is well represented in the various missionary fields. There are so many conditions, and we find ourselves in foreign or domestic missionary fields, and there is plenty of work for everyone.

There are many things in this world which keeps us from completely obeying this commandment of the Lord just as there are reasons found for neglecting our responsibilities. We want to stay close to our families and friends and we want to be like the Lord. Yet Christian teaches that if we put him first, we are not worthy of him.

A face known by all on campus...

By Barbara Kline

Eleven years ago Harding's faculty and campus was blessed with a man bailing the spirit of the campus. This time he has endowed it with the great desire to lead the thousands of students with whom he had contact.

Realizing the importance of man's inner and spiritual relationship to God, Brother Andy T. Ritchie, Jr., has attempted to make each of the various opportunities which he has filled since 1948, to enhance the lives of Harding students with these teachings.

For seven years, Brother Ritchie's main avenue of approach to the hearts of his contacts was through music. He succeeded in developing a firm spiritual foundation through the singing of praises on campus.

Working with a large chorus open to everyone, he taught them great religious songs with deep spiritual content, enabling them to sing more earnestly from their hearts and therefore to worship God more pleasingly. Also, with the help of this large chorus, he instituted the tradition at Harding of singing around the lily pond, which recently has been neglected and has lost the support of many students. During this time, he has directed the capella chorus, inspired many young people to come to Harding as soon as they could after graduation, and he has enriched the spiritual lives of many around the nation by his music.

During his first year here, Ritchie had difficulty to bring God leadership of our present personal evaporating students but has been in this service met on Friday nights.

Its first meeting place was room 300 in the science building, but since that time it has had success in the number of students in attendance. After changing location six times, it is at possibility.

**Harding Students Act as Movie Stars In Production of "Paul At Philippi"**

By Anita Melcher

"Could I have some change, please?" I looked at the person holding out a coin and rubbed my eyes in amusement. "I'll have to have my eyes checked again one of these days," I muttered as I gave him his change. "I thought you said it was 50 cents," he said. I looked at the person and replied in chagrin. "Yes! That movie they were making, you know?" I sounded good to Juanita's ears, sort of. All of Paul and his companions and their appearance before the magistrates, their imprisonment, and the conversion of the Philippian jailer.

"The set!" For the movie covered a wide area. Some of it was filmed on stage, some at the swimming pool, some at Red River, and some at a bed-and-breakfast house "way off in the woods." To quote one of the cast. "You name it, we filmed it there."

The movie was under the direction of Ben Holland. Russell Simms was in charge of photography. Gerald Kordich and Field Bush narrated. Shirley Alexander and Martha McKee were makeup artists, and Bill Gillen and Carroll Roden were technicians.

The cast included: Dan Porterfield as Paul; Ben Cartin, Elise; Bob Joff, the Jailer; Calvin Dewes; Luke; Neile Pryce, Timothy; Juanita Lawrence, the girl with a demon; Bill Hampton and Jim Phillips, her masters; Garrett Timmmerman, their servants; John Cartin and Derrel Alexander, missionaries; Helen Hendrix, the jailer's wife; Jack Elime, the jailer's son; Bill Paris, a prisoner; Peaches Rightower, a housemaid at the market; and Tommy Bryant, the boy with goats.

First Fisherman: "It's getting late and we haven't caught a single fish." Second angler: Well, let's let two more big ones get away and then go home.

The wedding is planned for next spring.
American Studies Students On Tour

The junior and senior students of The School of American Studies are on another trip. Twenty-two boys, two faculty sponsors and one staff member will leave Searcy Saturday, April 27, to journey through Israel, into Jordan, and back again. The general purpose of these trips is to study various businesses and industries in this first hand knowledge of operations; to talk down with business leaders to discover some of their problems and practices. In general to get a broader education then can be gained through textbooks.

Dr. George S. Benson has announced that Camp Tahkodah will be used during the month of August for training. This is to be open for both boys and girls from ages 14 to 19.

The first session will open on Monday, July 8, with the second session opening on Monday, August 12, and closing on Saturday, August 24.

Camp Tahkodah is very, very well equipped for such a purpose. Campers will be housed in sturdy log cabins; those that are well screened. Each cabin is equipped with modern bath facilities and with tables.

Activities will include horseback riding on the thousand acre camp site, riflery, archery, swimming, softball, basketball, badminton, croquet, ping pong, shuffleboard, horseback. Waterfront activities will include swimming, boating, fishing, and diving.

The site is a beautiful location in the foothills of the Ozark Mountains. The fee will be $5.00 per week and campers may enroll for either for the first or the second term.

tudents will be in charge of the program according to their age. The activities of Camp Tahkodah will be used to meet the needs of every camper.

Moores Plan Recording

George Oliver's Moores will soon release a recording of their top numbers which have become so popular with the student body, such as "Ring Ring Ring," in the mood "Moonlight Serenades," and with many others. They will be on a fifty minute, 13 1/2 disc and placed in the front on the group on the front.

Moores will release by the end of this semester.

Choral Groups Deliver Program

The Ladies' Ensemble and Men's Quartet made a trip to Little Rock, Arkansas, Sunday to present a program of a religious nature to the congregation there.

Members of the Ensemble are Gayle Shewbart, Patsey Parker, Mary Reddick, Dorothy Grant, Marilyn Davis, Lois Robertson, Charlotte Harris, Betty Clark, and Claudette Harris.

The Men's Quartet is composed of Jerry Martin, Pat Teague, Bob Gilchrist, and Ben Scott. Lloyd Smith accompanied the group and gave a talk in behalf of the organization.

Membership Urged For Health Group

There is an urgent need for students who are interested in working with the Student Health Association next year. Association members perform the tasks of keeping physical examinations, conducting programs on health and safety, and helping with the various Health Clinics during the school year. Being important to pre-medical students, the Student Health Association is an important part of the elementary teacher's education and serves as a basis for many students. Those interested in working with the association next year should attend the next meeting to be held May 7.

Crackers Take 5-4 Win From Vols

Last Wednesday afternoon in an extra inning of play and with the reliable pitching of Stan Schwartz, the Cracker baseball team nudged past the Vols, 5-4.

Both teams started a fast game by putting three runs across in the first inning. After the first inning the game was a pitcher's duel between Schwartz and Joe Hunnicut. Schwartz received credit for three strike outs and Hannicut for three strike outs in the first inning.

George Treadway took batting honors for the Vols with two clean singles in the third inning and a double in the fourth inning. The Cracker last inning was the determining factor in this extremely close game. With darkness and rain clouds threatening, the Vols came to bat in the eighth inning but were unable to push across the two runs which were left stranded on the bases.

This game was the only game appeared in between the regular season play. The Vols took 2nd and 3rd respectively in the final game of the doubles tournament last year.

When the Crackers came to bat for the last time, Jerry Figgins received a free ticket to first base, starting the rally. Cracker Eves then bunted the ball for a double to put men on second and third. Schwartz rapped a ground ball to second. Figgins was able to cut the throw home and the ball game was over.

Winning three of four sets in the final match of the table tennis singles last week, Chun Kil Lim's skill on the small court produced his second singles championship in his two years at Harding. Chun's opponent in the final match of the tournament was George Tye who placed second.

In the table tennis doubles, Chun Kil Lim and Gao Lin defeated George Tye and Chan Hon by taking three of four sets in the final match of the doubles tournament, winning the championship with a 4-1 parent one. Chun Kil Lim was also on the championship doubles team last year.
