Bison Writers Recognized At Annual Press Meeting

At the annual Arkansas College Press Association awards banquet last Friday night, the Harding Bison won second place in the General Excellence contest and third place in the Sweepstakes. Nine college newspapers were represented in the contest.

The Bison, host for the occasion, gained the Sweepstakes award by two points, while the other six were given the paper anammmost points in the individual general award division.

The Lion’s Post of Fort Smith Junior College, competing in the contest for the first time, took top honors in both the General Excellence and Sweepstakes. The Lion’s Post, a bi-monthly publication, reviewed the General Scholastic papers from the Arkansas Press Association.

In other contests, the Bison won third place in both head-line writing and advertising display.

In the individual award division, Walter Gilliss took first place in photography; Laslie Dubile took first place in the Headline Writing contest; and Dewey Brown ranked first in the Advertising Design contest with Mrs. Ruby M. Oates’ entry.

Robert Jones also placed second in the sports story division, and the Inter-view, published by the University of Arkansas, placed third in the same category.

The awards were presented by Paul Pars, state sponsor of the ACP, from Hendrix College, and William Lawson, secretary of the association and editor of the Wood Thistle, Arkansas, and M. Paul Flowers, feature columnist from the Memphis Commercial Appeal, spoke at the awards banquet.

He spoke on the many developments of the news world now used in the English language and how they are used and missed.

Russell Simmons, director of Publicity and Publications, acted as master of ceremonies at the banquet.

At the two-day meeting of the association, a motion was passed that yearbooks be admitted to the association on the same basis as the newspapers, and that the name of the association be changed to the Arkansas College Publications Association.

Seniors conducting in conjunction with the meeting included two discourses led by Simmons along with classes directed by Perrin Jones, Editor Daily Citizen; Thomas A. Loven, Director English, Harding; Mrs. Ruby Stapleton, associate professor at English, Harding; Herman West, manager Harding College Press and Dale Woodie, Editor Alia Tech, Russellville.

With the completion of their three-year terms at Harding, Dr. F. W. MacDougall, long-time editor of the Roar, and David M. MacDougall, editor for the past two years, were awarded their diplomas.

Dr. F. W. MacDougall, editor for the past two years, was the only member of the Editorial Board of the Roar who was not a member of the class of 1957. MacDougall has been the editor of the Roar for the past five years. His last column was a farewell to an eventful year. The Roar, a bi-monthly paper, is distributed at Harding last year to become the student organ of the College. It has been fun. But now we bid farewell to an eventful year. The Roar, a bi-monthly paper, is distributed at Harding last year to become the student organ of the College.

One year ago a skeptical, frighten- ed, but willing junior stepped into the shoes of the editorship of the Harding Bison. Now, another volume of the Bison will soon have gone down in history. With next week’s issue, under the supervision of next year’s editor, another year of publi-cation will have slipped by.

This final bit of copy is being written with mixed emotions. There were times when I wondered if it was worth the effort, and there were times when nothing went right. But I was never left in the lurch, and there were times that were very encouraging, and now I must confess, the times of encouragement outnumbered the problems.

The future will belong to the ones who taught us to believe. If this were to say the Bison did not have its shortcomings and faults, the staff would realize this even if we were not told about them.

It is our hope, however, that you will accept this paper and that it will serve you, the students, as you served us.

Many of the imperfections of the Bison could have been eliminated had it been possible to devote more time to the job. However, the Bison comprised only a part of the students’ work and many times it was impossible to devote as much time to the paper as it should have had.

The college campus situation is very different from a situation in which a newspaper can operate all its functions. It seems that the college newspaper must sometimes combine the qualities of both a newspaper for the students and an external “house organ” for the college under which it operates. For this reason it is impossible to be the “watch-dog of the community” as newspapers are usually expected to be. The staff always kept in mind that the Bison was not for the students only. This is regrettable, though seemingly impossible.

Publishing the Bison each week has been a great experience. All the work that has gone into the Bison has been well repaid, how- ever. This payment has come in a recent speech festival.

Piper Bell and David M. MacDougall, editor for the past two years, have been awarded their diplomas.

Vote for The Constitution

In this issue of the Bison you will find the newly-written constitution for the Student Association of Harding. The old constitution, which is outdated and obsolete, will be nullified as of the act of the high calling of God in Christ now and in the future. It also includes a provision that the entire student body shall be required to be in effect. Article X, Section 1 of the new constitution states that the purpose of the Student Association of Harding is "to serve as a link between the student body and the administration, to provide a forum for student representation." Article V, Section 1 states that "The Student Senate shall be elected by the student body in a fair and impartial manner." The Student Senate shall consist of 10 members, 5 to be elected from each of the two main academic divisions of the university.

The Mark Of A Champion

Recently the editor was given a copy of an address delivered by Olympic star Bobby Morrow to a joint session of the Texas Legislature. After this particular address to the legislature, members of the Harding student body said that his visit "has been the most inspiring appearance . . . we have had in the State Capital. His presence attracted the "largest crowd that has ever assembled for this purpose." After his speech this Athlone Christian College junior was given the honor of posting his address to the Oklahoma City Y.M.C.A. "I feel deeply honored by your invitation to speak briefly to you on the leadership for our great State." The Editor added, "I am sure that the Texas smiles and hands that support the Texas handshakes which Eddie Southern and I took with us to Melbourne, Australia, this summer, were united in wish that 1964 would be a running-forth combined nation.

We Bid Farewell

With this issue of the Bison, the present editor bows out of the editorship in favor of next year's editor. The last issue of the Bison will be edited by the recently selected editor who will handle the news of the past year. However, before we yield the editorship to our successor, it is in order for us to express appreciation to a few students who have helped us this year in a special way. It could be considered a token of ingratitude if we did not offer our thanks to them.

First, to all the members of the Bison staff who worked so hard that I can say thanks. To Tony Pipes who worked so many hours as assistant editor, to Walt Gilfin who worked so hard in the engraving department to set type for the students, to all the rest of the staff who diligently labored that a Bison could be published each week, we express our gratitude.

To Professors Neil B. Cope and Thomas Loney, faculty advisor and adviser to the student body, we say thanks. They were on hand when needed, but never made their presence a nuisance; to them we owe the best possible year.

To Herman West and all the rest of the print shop crew who worked to meet the Wednesday afternoon deadline each week we offer our appreciation.

To Russell Simmons and Mary Ann Whittaker of the Publicity and Publications office, we say thanks for your cooperation and helpful advice.

And to everyone else who had a part in the publishing of the Bison, we express our gratitude. It took the cooperation of all concerned and usually necessary this cooperation was greatly extended. For this we are grateful.

Outing Season Is Good Time To Hunt Caves

By JACKIE ANGUISH

At last the season for outings has arrived. Outings do wonders for the nice curly hair, nice clean complexion and nicely starched clothes. Let me explain how outings come about. The day before you knock yourself out while brushing the hair on your head. Now turn on the light in the room and adjust the mirror. You're just a little off kilter. Let me explain how outings come about. Almost any day before 4 a.m. will provide you with the gayety you can muster and glide into the reception room giving your date a great big six-tick smile. All this is useless too since your standing against the wall, dead to the world — especially you.

Now looking back.

At last, three more feet and you'll be in the cave. It's a good thing, too, because rain is falling and hard. Run! A few more yards and shelter will be provided at the cave. Wait — that's not a cave, it's just the road back to the shelter house. Our eagle scout stands in the rain, avoiding the head. Obviously he made a wrong turn.

Dash do give up! It's - next year he's coming back to find the cave. So back you stomp to the shelter house. This time, your nice curly hair, nice clean complexion is stained in a spider web and arachnids and your hair is a pitiful, wet mess, your flat tire, six rolls and two hours cross on? later, your destination is .spotted. silly. You've got two legs. Wade staring at each other .

A Sweet Song Of Sad Thoughts...

They say the life of a drowning man passes in review before his mind's eye just before he crosses over the river, but I wouldn't want to argue the point, and I hope not to be a position to do so, but one thing I do know. It seems a million words find your mind when you're just a few left on the colloquial typewriter.

So cluttered are the thoughts, and so quickly do they come, that before you realize it, five pages of nothing have been conceived in blank wonderings.

There are lots of thoughts... and thoughts that clench together into one final sweet song.

Take for instance the ones centered around a great guy, Harding's directorial intern Don Brew. Cecil is the unassuming, shadow-waving sort of fellow who takes something little and makes big things out of it. There's no law that says you can't get something out of nothing, and Cecil is in perfect agreement with it... he puts a lot of heart into his inventions.

Crowded Years of Athletes

The word "athletes" has been our favorite tag for another uncharacteristic operant on the campus. Like Brew, he, too, would do things from sort-of material. It seems that Hugh Groover could take a 145-pound average football team, show his men what a football was like, then turn them long-burrowing wind springs over it, but I wouldn't want to argue the point, and I hope not to be in a position to do so, but one thing I do know. It seems a million words find your mind when you're just a few left on the colloquial typewriter.

I've watched Harding through four years of intramural sports. In the four crowded years it has been my pleasure to record the activities of many fine athletes... Charley Weeks, Bob Fletcher, Jim Burden, Bill Mays, Goodman, Jones, Florent, Roy Morris, Jim Surpilk, the Vandy class and others in football.

And Garrett Zimmerman, Bill Bradford, Benny Beddner, Dick Johnson, Don Johnston, Red Hugh, Glenn Urgun, Joe Hightower, the Patrill brothers, Norwood, Flashbroad, Jerry Martin, Dudley Spears, and a host of others in baseball.

Many lies have abled in the field of intramural sports but we've a strange bunch that the failure or success of that branch of competition will depend not upon the athletes so much as upon the fans.

Here on the campus our athletes are the most unpretentious and disregarded fans on the losing side. But we have a reason for our appearance, and we hang on the outside of the game, and so do we ourselves if left unsung.

We predict a lot of good seasons for the Bliers in the coming years under the tutelage of Groover but for we have no measuring rod in which to gauge the faith and the success in good sportsmanship. The Bliers have begun practice already... why not the fans?

The Roof's Narrow

Next season Garrett Zimmerman and Dave Patrill will carry you through a season of intramural sports via the sports desk. We hope you will give them the same

Cards Clip Giants With 3-2 Victory

Joe Hightower, much respected despite two straight losses, finally won the limelight over the other as the Cards edged the Giants 3 to 2, Thursday afternoon.

Hightower pitched shut out ball on two hits for five innings. A wild streak in the sixth ruined his shutout when three bases on balls and two singles scored the Giants two runs.

Larry Peeples, who relieved Giant starter Bobby Glover, finally found the fans on the col­

Braves Topple Phils In Last Inning, 2-1

Miracles still happen. Ron Daley, a second baseman recently signed pitcher, scored the mighty Timmerman as the Braves toppled the Phils from first place, 2-1, Saturday afternoon.

Here are the details. At Dart Cloud, the Brave pitcher's best stuff, led three Phl rallies by throwing out daring runners attempting to steal an extra base. Cloud also singled to drive in the winning Brave run in the last of the seventh.

Timmerman was in finest form. Traveler bats as they wound up their season. Bob Fletcher, who allowed only two hits while losing, wound up their season. Bob Fletcher, who allowed only two hits while losing.

Travelers Wallop Braves, 21-3

The Travelers whalloped the Chicks, 21-3, in what turned out to be a free scoring game for the struggling Traveler nine.

Bob Fletcher, who was the starting pitcher for the Chicks, was stopped for nine runs before being relieved. In the two innings he pitched, he gave up eight base hits and four walks. John Vandenbergh came on in the third frame and did up better against the powerful Traveler bats as they continued to pour the wood to the Chick pitching.

Daley Wood, with his three consecutive singles hurt down the third base line in the sixth, which drove in the tying run. Cloud finished it with his blow in the seventh.

Daley had his troubles but always managed to find the right pitch when necessary. The Phils succeeded nine men on the base paths.

Marsh Goodson, the foremost of many pitchers, fell completely at the mercy of Daley. So was the third out in three promising Phili innings in which a hit would have meant one or more runs. However, Goodson drove in the lone Phil run on a long fly ball caught in the first inning.

Timmerman struck out 13 and allowed only two hits while losing.

The past few days the weather has permitted baseball to again get into full swing. For game scores and stories see the sports pages of the Biron.

DODGERS DEFEAT BRAVES, 5-4

Art Voyles and the Dodgers survived a disastrous first inning to eventually salvage a 5-4 victory over the Braves in intramural play.

Tuesday afternoon. The Dodgers gained first place as a reward for their efforts. They have yet to taste defeat after two outings.

Giacchi scored the Dodger bench after three walks and a single by Paul Hall hooked three runs for the Braves in the first inning, which also saw Phil Petrie unassistedly steal home while Voyles badly wound up for his pitch.

However, Voyles recovered to pitch effectively for the remainder of the game, while his opposite, Jerry Martin, gave up two runs for the first time in the season.

The predictable end came when Martin walked the bases full and walked the winning run across.
