Humphrey Gets $300, Grant From Kansas Manufacturer

By BENNIE J. PORTER

Bobby Morrow, triple gold medal winner of the 1956 Olympics in Melbourne, Australia, appeared as guest speaker to the Harding student body on Jan. 13.

For his outstanding work he was presented with a Distinguished American Citizen Award. Dr. George S. Denny, president of the college, presented the medal.

Morrow is returning from New York to Athens, Greece, where he is a senior student in physical education and history.

While in New York he made a series of television appearances including "The Ed Sullivan Show" and "The Jack Carson Show." He performed at Carnegie Hall and the Arthur Godfrey Show on Jan. 11.

Returning through Nashville, Tenn., he appeared as principal speaker for "Boy's State Champions" sponsored by the Nashville Banner on Jan. 12, while in Nashville he also spoke at Lipscomb College. Accompanying him was a coach at Athens, Christopher Jackson, Mr. Oleander Fowles.

Dedicated to Christianity

The twenty-two year-old Mr. Morrow who is a native of Sulphur Springs, Texas, raised the Christian faith to the forefront at his appearance. He was dedicated to Christianity the day on which he left Athens.

He spoke to students and others about the need for balance in the culture and what he planned to do in his life. Here he made a decision to finish his college schooling and what I planned to do in his life. Here he made a decision to finish his college schooling. He plans to be a teacher.

He hopes to continue his college education at Tennessee State University where he has been accepted.

Texas Sports Writers Association.

Morrow has made 20 public appearances in Texas this year and became the first person to be invited to speak before a major college or high school team.

According to Drill Sergeant H. J. "D. J." Drick, Mr. Morrow was introduced to Mr. Williams as a Texas student and occasionally leads the student body in religious services.

Promoted as World's Fastest Human

Since the days of Jesse Owens at the Olympic Games of 1936, there have been no Olympic athletes who have been able to duplicate his performance. The record set by Bobby Morrow was probably topped January 11, 1957, in the 200-meter dash. New officers were elected for the coming semester. They are: Neal Durgin, Pres.; Donald Miller, Vice-Pres.; Jack Campbell, Sec.; Vernon Turner, Treasurer; and Richard Chairman, and Dick Miller, Historian. Congratulations to all those who were elected to the office.

Dennison was first to be appointed by the Bobby Morrow. The name of the Southwestern Athletic Association of the American Athletic of 1957, "who by performance, example, and good sportsmanship, has done the greatest good to organized Track during the past year."
Finishing the race... 

Test week is approaching and that means examinations are here. The time has come when the Men will be separated from the boys. As Dr.赣sk said in Chapel last week, it is the time when the future of the race that receives the runners.

After breakfast I strolled the campus and there was Bobby Morrow this morning and listening to him speak we should have the courage and desire to do what we believe is right. Good Luck!

The Intercollegiate Basketball Players and alternate with responsibilities in the intercollegiate basketball players during the regular academic year except during the holidays. As Dr. Ganus remarked in Chapel last week, we shall wait and see. Forty-eight percent of the committee in charge of planning the preachings we received six new spot lights and a box of stage braces, which were badly needed. And besides the cloud was behind us, but the weather was fine. The committee in charge of planning the preaching department is doing quite well. It has just received six new spot lights and a box of stage braces, which were badly needed. And besides the second major production, "The Moronic Mind." The writer would like to express her appreciation to Helen Bender for taking over and writing "Speech with Pads" during the chorus trip. Helen is president of Campus Players and is doing a splendid job. Her efficiency keeps Campus Players a smooth-running organization.

The next column she wrote was the very best I have ever seen. The only solution is to pretend I'm not there a bit harsh, we wish we could do it. I'm not sure he is trying to do what the writer's latest favorite is "The Moronic Mind." The writer has set out to prove that she doesn't agree with him. "It's a five-o'clock! Hurry up so we can get away from here and be on our way home." That was what everyone did that beautiful Thursday. Everyone was telling jokes on a thriving a ruckus near the left window, a farmhouse-shaped cloud was coming up. Rushie increased our speed and when the game was over we were home. Ten o'clock found us in McAllister, Oklahoma. We all knew that good lions and bears stopped around the corner and asked where they could find the Intercollegiate Basketball Players and alternate with responsibilities in the intercollegiate basketball players during the regular academic year except during the holidays. As Dr. Ganus remarked in Chapel last week, we shall wait and see. For Christmas is My Two Front Teeth.

Speech Classes Perform Program

Charles Dickens's "A Christmas Carol" was given the following day in chapel. Directed by Mrs. hallway Vanderpool, the cast consisted of members from the high school speech and dramatic classes. Emerson Hall portrayed the part of Ebenezer Scrooge, and Bob Holmquist convincingly suited the role of Scrooge's assistant, Bob Cratchit. Other cast members were Jan Yeakel, Bill Smith, Bill Hall, David Jones, Ken Simonsen, Tony, Harvey, James Johnson, John Claypool, Joyce Knight, Jerry Sommers, Jackie Hatterson, Joyce Finkle, Barney Bamberla, Stella Haldenwood, Jeanie Hanswood, Ed Grim, Linda Simonson, Ronnie Karsh, Bill Cobb, and Ned Earnest. The courtroom for the play was under the direction of Miss Warner.

Following the play, the entire student body was invited to the home economics room for cookies, fruitcakes, candy, and hot chocolate, made by the home economics class.

Key Club Remembers Negro Teenagers

The Negro children at White County School were made a bit happier at Christmas time when the Sanil Key Club made them a gift of toys. The toys were collected and wrapped by the club; Don Byrider and Tommy Rhodes delivered them to the school. The Key Club's present project is the selling of soap to aid in payment of the public speaking system used at afternoon football games.

Harding Academy's homecoming will be September 29. Plans for the event are being made by the Pop Club.

Home-Entertainment Recreations

If you have noticed any high school girls with wall paint on their faces, they are probably members of the Home Economies Club. The class, which is under the direction of Miss Nina DeSteele, is redecorating the teachers' lounge. The lounge, which has always been a drab, lifeless room, is quickly taking on a new look with bright red bookshelves, colored bulletin boards, and mirrors. The two couches covered in slip covers, and the windows, new drapes. After the larger jobs are completed, the girls hope to add pot plants and wall pictures.

Chorus Sings at Youth Meeting

At the county-wide young peoples meeting held at the Lion and Vine Church of Christ, the Academy chorus presented its first program of the year. The chorus, directed by Edith Baggett, presented a selection of numbers prepared for such occasions.

Newly elected K. A. T. officers for the second semester are: Don Weaver, president; Betty Ritchie, vice-president; Latonia Dykes, secretary-treasurer; Emily King, reporter; Barbara Robertson, historian; and Moema DeBonn, kitten-at-arms. February 7 was the date set for the annual formal banquet, which will be held in the Tremm Room at the Mayfair Hotel.

Mr. Elliott Arnholt shows Tony Pippen the selection of new paints and helps in one of his own new stores just opened at the corner of Main and Blankenship. Arnholt began his business in Searcy some five years ago in a smaller downtown location. At the new location, Arnholt's expanded business will handle men's dresses and sports wear, all types of sports equipment, including shoes and outboard motors, and later phone call for a stock of major appliances.

John Claypool, Bill Hall, David Jones, and Bill Kersh, Barney Barnhart, Nellie Hazelwood, and Chester Cobb, teamed with the direction of Miss Nina DeSteele, in the drama, "A Christmas Carol." The cast consisted of members from the high school speech and dramatic classes. Emerson Hall portrayed Scrooge, and Bob Holmquist convincingly suited the role of Scrooge's assistant, Bob Cratchit. Other cast members were Jan Yeakel, Bill Smith, Bill Hall, David Jones, Ken Simonsen, Tony, Harvey, James Johnson, John Claypool, Joyce Knight, Jerry Sommers, Jackie Hatterson, Joyce Finkle, Barney Bamberla, Stella Haldenwood, Jeanie Hanswood, Ed Grim, Linda Simonson, Ronnie Karsh, Bill Cobb, and Ned Earnest. The courtroom for the play was under the direction of Miss Warner. Following the play, the entire student body was invited to the home economics room for cookies, fruitcakes, candy, and hot chocolate, made by the home economics class.

Cavaliers Spending an Evening of ‘Winter Fantasy’ At Banquet in Terrace Room of Mayfair Hotel

The Terrace Room of the Mayfair Hotel served as the setting for the Cavalier Club’s annual winter formal banquet on January 9. The theme was ‘Winter Fantasy’ and Dr. Charles Everhart served as the speaker of the evening.

The Terrace Room was divided into seven sections connected by arches of silver magnolia leaves and hung with silver stars and white flowers which turned silver in the blue light. The tables were decorated with arrangements of glass leaves and balls sprinkled with snow. The banquet room was hung with silver stars and white snowflakes which turned silver in the blue light.

The manse place and piano in the reception room were decorated with arrangements of glass leaves and balls sprinkled with snow. The banquet room was hung with silver stars and white snowflakes which turned silver in the blue light.

Saturday night, the LAMBDA SIGMA’s and their dates thoroughly enjoyed “Serenades at Sunset”, their banquet held at Andersonville’s Grill, in Searcy, Arkansas. Entertainment was provided by Dr. Donald Watson, who entertained the guests for the evening and club music. The fine food and music set the theme for a very full evening with guests traveling to Conway immediately afterwards for the Harding basketball game there.

Members and their guests included: Keith Ford, Claudette Claborn, Dalice Carroll Boone, Donna Jones, Bill Beeom, Genia Morgan, Doug Totty, Carol Green, Jerry Thompson, Justonne Parrett, Leon Bridges, Kenny Arnett, Kater Waters, Pat Smith, Gary Ackers, Norm Walker, Lyndal York, Carolyn Giles, Ray Hough, Betty Keeling, John White, Lena Alexander, Gerald Ellis, and Betty Bennefield; Ed Spar, Jo Charlie; Mike Magee, Leo Wilson, Darrell Alexander, Linda Phillips; Bill Glea, Joe Geal, Steve Lent; Bob Lamb; Bob Anderson, Curt Anderson; Nolan Sonett, Willies Looney; Mr. and Mrs. Gary Givestone; Jack Meredith; Betty Clark; John Lau, Delores Bickel; John Bobars; Laura Whitlock; Bill Oliver, Lola Roberts; Ben Porter, Mary Frances Ballou; Bill Dimmick, Sue Caruth; Jasper Dering, Barbara Childs and Dr. and Mrs. Donald Blane.

POWDER PUFF PARADE

By BARBARA GALAY

Delta Chi Omegas, defending champions of girl's club volley-
ball, made an impovisement story this year's tournament by
winning the Southeastern Conference. 29-21. Playing with only one substi-
tute throughout the first half, the DC's who placed four of its
first team among the intercollegiate all stars, held the LC's to a mar-
row two points.

In the same lower bracket, Rebels confronted with Bay
Rapids, an imposing team in last year's tournament, slipped by WBC, a
team that doesn't quit trying until the final whistle.

GATA, who was no outstanding

smallest team in the past, man-
ged to put a distance of 13

points between themselves and

the Tigers before the end of the

game. Final score was

GATA 50, Omega Phi 17.

The worst punishment of the

evening went to Phi Delta, who
couldn't hold the stronger

 Theta Phi. Neither of these
teams entered last year. Final

score was Theta Phi 43, Phi

Delta 13.

Kappa Phi, winner of the

sports trophy last year and the

second place team in volleyball,

came through in regular style

with a win over its Go Jo. Play-
gained the purple and white a 32-

45 triumph.

Independents Look Strong

The team who came through with the finest points was MSEA.

They contributed several to their

second victory. The appearance

who call themselves the Inde-

pendents consist of a college

professor, a training schol-

teacher, one of the personnel of

the business office, and some

girls who are not members of a

social club.

On Monday Beta Tza Gamma, who could not play Thursday

night because of a banquet, met GATA. With a better balanced

attack and good team work, GATA more than doubled their oppo-

nent's score. They had a winning 53 to Beta Tza's 28.

Others Clash Tonight

Seven more teams will clash tonight beginning at 8:15. In the

top bracket, the Independents

will take on the Theta Phi, but

GATA's will meet the Rappi

Phillies.

In the lower bracket, Regent will

confront the Temple Ka.

Delta Chi will play GATA. On the consolation side of the

tournament, MSEA will clash with the Omegas Phi. Phi Delta, who

led the Swallows on to victory.

The Independent, who call themselves the Inde-

pendents, and the Omegas Phi, who

were edged out by the more experi-

enced Faculty, 27-22. Although the Faculty led by a score of four,

against most of the game, the Black-

birds tightened the score to within

5 points at the final whistle.

Bob Tipton and Bill Williams
tied with 5 points each to col-

lect the top scoring spot.

This Academy retained their

second place spot by taking a

boost from the Rebels, who ap-

parently isn't interested in play-

ing serious basketball. Their score

was 35, SE's 27.

The Swallows merged the Cor-

dines' unbeaten record by up-

setting the GATA's with a score

of 27-22. Marty Baldwin got hot from the field and 3-pointers flew in as

they took a charity toss for high man, leading

the Swallows on to victory.

In the final game of the week, the Episcopal didn't put a

score to cross. They are yet to see the winner column. Jerry

Fagg finally led the losing Rebels with 14 points followed by

spectators Tricia Clark and Jim Williams with 10 points each.

As Minor League basketball re-

sumed after the Christmas hol-

iday, the high scoring Weeks es-

tablished themselves as the team
to beat last week. The cops, the

Orioles, 30-22. The best buy

on this week's schedule must go

to the Episcopal, who saved the

night with an 8-point victory.

Bison Hopes Fall Through As Bears Take 66-46 Win

The Bison attack, which had recently become predictable, suffered a setback and Arkansas State University adapted on new Mil-Mar victory at the game last Saturday. Instead of the expected 13 or 14 points, the State attack was held to 10 points in the second half, enabling the Bears to win the last six games and take the lead in the league with 12 victories against 2 losses.

The victory resulted from a complete and consistent performance by the Arkansas State attack, led by Larry Peebles, who had been averaging 30 points per game. Peebles was able to score 26 points in the second half, while the State defense held the Bison to 10 points.

John Richert, with 21 points and Phil Watson with 20 points, provided the victory. The Wildcats handed the Tigers their second straight loss, 46-42.

In the evening opener, the Rebels won their third game in a row, 53-51. This one was a close one, but the Rebels came out on top, thanks to the balanced attack led by Jerry Mitchell, who had been averaging 14 points per game.

In the second game, the Wildcats outscored the Owls, 67-65, as they eased by the Owls, 67-65. The victory was important as it helped the Wildcats maintain their lead in the league basketball Friday night at the expense of the Owls, Razorbacks, and Longhorns.

In the night's final action, the Bison defeated the Razorbacks, 70-68. The victory was important as it helped the Bison maintain their lead in the league basketball.

Once again, the Wildcats dominated the game, with John Richert leading the way with 21 points. The Wildcat defense held the Razorbacks to just 68 points, while the Wildcats scored 70 points.

The victory was important as it helped the Wildcats maintain their lead in the league basketball. The Wildcats have now won three straight games and are looking to continue their winning streak.
