Assignment Mark Twain

Mark Twain Proved Treat to Audiences
Petty Also Approves

Petty has wandered through another week on campus including the illustrious campus of Harding and had as usual, opportunity to make note of several interesting incidents. Definitive assessment was the magnificent incident on last Thursday, when in the presence of Mark Twain, Mr. Holbrook breathed life into Mark Twain for the long dead. And then he held his audience an atmosphere composed principally of a generation acquainted with Mark Twain through two extremely interesting and slightly unexplainable sources. Biscuit, Butter, and his friend Tom Flyover.

Mark Twain Tonight can, should, and must be recognized as great and ranked with other solo reciters—Charles Laughton and Evelyn Williams, who with Mark Twain, Holbrook, and the standards, other standards, created a line below those and their superiors.

One day when the Losman Communications is in the process of playing the new series for 1960-61 it will not be difficult—definitely not be considered to the possibility of a return engagement. Mr. Holbrook, who was a preview of the collection he must be in the process of editing and may present material and illuminating than the present collection.

What's an eight-letter word which reminds you of good taste, sparkles, lift? The answer's easy — Coca-Cola! Of course. No puzzle. Why it's so popular... no other sparkling drink gives you so much good taste, so much satisfaction. Yes, when you're looking for refreshment, the answer's always Coca-Cola.

First Track Meet Finds Harding Short on Available Men

Rain, rain, and more rain.

Between the rain and the cold, the outdoor track season was off to a slow start. Unfortunately, the university's track team was not the only one to suffer the effects of the weather. Many members of the track team who had been training hard had to miss practice or were forced to train indoors. Despite these challenges, the team managed to put in a strong performance in the first meet.

Field Events

Shot Put – won by Berry (H); 2. G. B. Isleworth (H); 3. M. J. H. Smith (SW)

High Jump – won by T. T. Wright (SW); 2. L. C. Lee (H); 3. W. H. Lee (H)

Broad Jump – won by O. E. T. Smith (SW); 2. H. C. Brown (H); 3. J. D. Ewing (SW)

Field Events

Vanderpool also established his sixth new school record in the event. J. D. Ewing held the record in 8.1 and Hayes also beat the record with a time of 7.9.

Intercollegiate Track Schedule

Coach Hugh Groover announced the following intercollegiate track schedule. All meets will be away and the Hard- ing track is not yet in shape. Groover said there is a slim chance that our home track meet will be scheduled later this spring.

The schedule includes meets against Arkansas Tech and Ouachita, both schools that have found success in the sport. The meets will be held at various locations, including Bobbs Field and Rhodes Field. The visits will provide the team with valuable experience and a chance to compete against strong opponents.

Vanderpool Adds Rope Climbing To Wins List

Ken Vanderpool, the man of iron, won his sixth championship in the rope climbing event. Vanderpool has been a consistent performer in the sport, and his latest win highlights his dedication and skill.

The three quarter was also a tie ball, but the Southeast's accuracy and team work again showed that they managed to score 24 points to the South's 20.

Southeast Find Related Scoring

In the final quarter, the first time the Southeast was able to score with the help of Cohen's eight points. The Southeast had finally begun to take hold and to play better but it was too late and the Southeast became the victims at the sound of the final whistle.
