Dear John Allen,

I was indeed so good to hear from you. I to was disappointed that we could not get together while I was up, but I understand your problems and obligations. I really enjoyed your sermon Sunday morning. Maybe the time will come and we both can slow down and talk for a session.

We had a fine visit with Tom & Francis. The two people with me were really overjoyed with them. They are fine people (Tom & Fran). Tom was his usual plethoric self.

Our visit to New York at the present time for me presents something of a problem. Two of the residents will be away the first two weeks of October. This leaves one other and myself. I should like very much to make the trip with you, but at present the outlook is dismal. I would suggest you make your plans and if possible I will join you.

I must quit and do some reading. I think often of the fine work you are doing. It is so easy to get tired, pushed down, and wonder what we have accomplished; however we pass this way but once.

When in Nashville if you have the time drop by and see me or call. I am always delighted to hear from you. My best to Sue & Mary Beth.

Sincerely
Ray

P.S. Hope you can read this fairly scribbled. As you have probably decided writing was not one of my better subjects.
